INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Zallie Supermarkets Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Zallie Supermarkets Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Zallie Supermarkets Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zallie Supermarkets Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zallie Supermarkets Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zallie Supermarkets Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about Zallie Supermarkets Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZALLIE SUPERMARKETS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A – PLAN DESCRIPTION:

The following description of the Zallie Supermarkets Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General:** The Plan, which was established effective July 1, 1989, is a defined contribution plan under Section 401(k) of the Internal Revenue Code, which covers substantially all employees of Zallie Supermarkets, Inc. (Company). The Plan includes five affiliated employers, Berat Corporation, Chews Landing ShopRite, Inc., Knorr Street ShopRite, Inc., Sicklerville ShopRite, Inc., Gibbstown Supermarkets, LLC, Medford ShopRite, Inc., Lawnside ShopRite, LLC, Center Square Plaza Supermarket, LLC and Somerset Stores, LLC. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).
2. **Eligibility:** All employees of the Company, who are age 21 or older, are eligible to join the Plan. Participants must complete at least 1,000 hours of service and must be employed as of the last day of the Plan year to receive profit sharing contributions.
3. **Contributions:** Each year, participants of the Plan may elect to defer a portion of their compensation, subject to an annual limit of the lesser of 75% of eligible compensation or the maximum amount allowable under the Internal Revenue Code in any calendar year, to the Plan as a salary reduction contribution. The Company, the employer sponsoring the Plan, shall make a discretionary matching contribution to the Plan on behalf of the employees, who have satisfied the age requirements. For the years ended December 31, 2023 and 2022 the Company's matching contributions were equal to 50% of each participant's elective deferral, limited to 6% of the participant's eligible compensation, provided the participant satisfied all the Plan participation provisions during the Plan year. The Plan contains an automatic enrollment feature. The Company, after notification, will begin to automatically deduct 6.00% as a deferral contribution, which can be changed at any time. The automatic enrollment selected investment option is based on the participants age. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts as Roth contributions or rollover contributions. The Company may also make discretionary profit sharing contributions to the Plan. In 2023 and 2022, the Company contributed \$420,326 and \$413,992, respectively as discretionary profit sharing contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a money market account and various mutual funds as investment security options for participants.
4. **Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses) and, (c) the Company's profit sharing contribution, if applicable, and are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to one or more investment options offered pursuant to the provisions of the Plan.
5. **Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. The funds contributed by the Company and related earnings thereon vest based on continuous service at 25% per year after the second full year and become 100% vested after five years of

credited service. In addition, a participant becomes 100% vested upon total and permanent disability or death.

6. **Notes Receivable from Participants:** Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. The notes which included principal and interest are repaid through monthly payroll deductions. The terms of the note cannot exceed five years except when the note is used to acquire or construct a principal residence, which can be repaid over a longer period. As of December 31, 2023, the outstanding notes bear interest at 4.25% to 9.25%, depending on the origination date. Interest on notes receivable as of December 31, 2023 and 2022 were \$25,119 and \$24,723, respectively.
7. **Payment of Benefits:** Participants may withdraw funds allocated to employee contribution accounts, including earnings on those accounts, upon reaching retirement age, disability, or termination of employment with the Company. Participants may also withdraw funds allocated to employee contribution accounts for financial hardships, pursuant to Plan provisions. Participants may only withdraw funds allocated to their vested Employer Contribution Accounts after termination of employment, reaching the age of 59 $\frac{1}{2}$, or cases of financial hardship, pursuant to Plan provisions.
8. **Forfeited Accounts:** Forfeitures which occur during a Plan year may be applied to pay Plan expenses and/or to reduce the funding requirements of the Company. Total forfeitures during the years ended December 31, 2023 and 2022, that were applied to pay plan expenses and reduce the funding requirements of the Company were \$36,480 and \$32,563, respectively.
9. **Excess Contributions Payable:** For the years ended December 31, 2023 and 2022, there were excess participant contributions payable of \$0 and \$19,396, respectively. These balances were recorded as a decrease to employee contributions in the accompanying statements of changes of net assets available for benefits and were reflected as a liability in the statements of net assets available for benefits at December 31, 2023 and 2022 in order to satisfy ERISA requirements.
10. **Plan Expenses:** The total Plan administrative expenses for the years ended December 31, 2023 and 2022 were \$18,735 and \$20,108, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

ZALLIE SUPERMARKETS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make note repayments and the Plan administrator considers the participant note to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note C for the discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants totaling \$0 and \$19,396 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to 2023 and 2022 contributions, respectively. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants prior to March 15th of the subsequent year end.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All operating expenses of the Plan, such as professional fees and administrative expenses related to the maintenance of the Plan's books and records, paid by the Company and are therefore excluded from these financial statements.

Employer and Employee Contributions

All employer and employee contributions are paid by the Company to Fidelity Management Trust Company (the trustee) following the pay period in which they were earned/deducted.

NOTE C – FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ZALLIE SUPERMARKETS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2023 and 2022.

Level 1: Fair Value Measurements

The fair value of the money market fund and mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds held by the Plan and are open-end mutual funds registered with the Securities and Exchanged Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following tables illustrate the fair value hierarchy for the Plan's investments at fair value as of December 31, 2023 and December 31, 2022:

<u>December 31, 2023</u>	<u>Fair Value (Level 1)</u>	<u>Total</u>
Money Market	\$ 2,166,559	2,166,559
Mutual Funds	35,219,376	35,219,376
Total	<u>\$ 37,385,935</u>	<u>37,385,935</u>

<u>December 31, 2022</u>	<u>Fair Value (Level 1)</u>	<u>Total</u>
Money Market	\$ 2,119,115	2,119,115
Mutual Funds	29,852,807	29,852,807
Total	<u>\$ 31,971,922</u>	<u>31,971,922</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation/(depreciation) in fair value of investments.

ZALLIE SUPERMARKETS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE D – INVESTMENTS:

All investment balances at December 31, 2023 and 2022 are certified by Fidelity Management Trust Company and are valued at fair value as stated by Fidelity Management Trust Company.

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciation) in value as follows:

	<u>2023</u>	<u>2022</u>
Net appreciation/(depreciation) in Fair value of investments	<u>\$ 4,802,171</u>	<u>(8,990,504)</u>

NOTE E – NOTES RECEIVABLE FROM PARTICIPANTS:

The notes receivable are maintained by Fidelity Management Trust Company (the Plan trustee) and are retained in the Money Market Account Fund. The individual participant accounts are restricted to the amount of the outstanding note at any time. Since the notes are secured by the participants' vested account balances, there is no risk of non-payment on the notes. Notes issued in 2023 had an original rate of 8.50%, 9.00%, 9.25%, and 9.50%. The activity for the previous two years is as follows:

	<u>Beginning Balance</u>	<u>Originations</u>	<u>Payments</u>	<u>Ending Balance</u>
2023	\$ 436,907	182,322	(245,435)	\$ 373,794
2022	\$ 503,335	196,960	(263,388)	\$ 436,907

NOTE F – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G – TAX STATUS:

The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by a letter dated, March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine tax audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE H – RELATED PARTY TRANSACTIONS:

Certain investment options in the Plan are mutual funds and the money market fund managed by Fidelity Investments. Fidelity Management Trust Company, a subsidiary of Fidelity Investments, is the Plan trustee as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Net increase/(decrease) in net assets available for benefits per Schedule H of Form 5500	<u>\$ 5,370,296</u>	<u>(11,039,984)</u>

NOTE J – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities and funds. Investment securities and funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits, however no estimated gain or loss is measurable.

NOTE K – INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEE:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation/(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan). As noted in the Auditor's Report, the audit performed was an ERISA Section 103(a)(3)(C) audit.

NOTE L – ROLLOVERS:

The Plan allows for rollovers of employee contributions from qualified plans. In the years ended December 31, 2023 and December 31, 2022, there were rollovers from qualified plans of \$60,791 and \$260,461, respectively.
