Independent Auditors' Report

To Mark III Construction, Inc. 401(k) Plan Sponsor
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mark III Construction, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1: Description of Plan

The following description of the Mark III Construction, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 1992, to provide all eligible employees of Mark III Construction, Inc. (the Company), with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (IRC). To be eligible to participate in the Plan, employees must have reached the age of eighteen and have three months of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees may elect to make tax deferred 401(k) contributions to the Plan up to 100% of their eligible compensation, subject to limits imposed by the IRC. The percentage elected by the participants is withheld from their paychecks and contributed to the Plan by the Company. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other matching defined benefit or defined contribution plans. The Company may make discretionary matching and non-elective contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's own contributions, an allocation of the Company's contributions, and an allocation of net earnings from investments and changes in investment values and Plan administrative expenses. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account.

Vesting

Participants immediately vest in their own contributions and all earnings thereon. Participants vest in discretionary matching contributions and non-elective contributions over five years, as follows: 20% after one year, 40% after two years, 60% after three years, 80% after four years, and 100% after five years of credited service.

Payment of Benefits

Upon termination of employment due to retirement, death, disability or separation from service, the balances in the participants' accounts will be distributed to the participants or to their beneficiaries in either a lump sum, equal installments in the form of nontransferable annuity, or some combination of the foregoing, at the election of the beneficiary.

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1: **Description of Plan (Continued)**

Notes Receivable from Participants

Participants are allowed to borrow a minimum of \$1,000 up to one-half of their vested balance, up to a maximum of \$50,000. Participants may only have one loan outstanding at any time. Loans bear a reasonable fixed-rate of interest, which is determined by the Plan custodian. Generally, loans must be repaid over a maximum of five years. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

Administrative Expenses

The Company, as Plan sponsor, pays certain administrative expenses on behalf of the Plan. Participant's accounts are adjusted for fees pertaining to loan or termination processing, and are charged for expenses incurred by the custodian in the performance of their duties.

Note 2: **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value and contract value as certified by the Plan's custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

In preparing the financial statements in accordance with accounting principles generally accepted in the United States of America, management makes estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be default, the participant loan balance is reduced and a benefit payment is recorded.

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 2: **Summary of Significant Accounting Policies (Continued)**

Subsequent Events

In preparing the accompanying financial statements, management has considered events that have occurred after December 31, 2023, through October 7, 2024, the date these financial statements were available for issuance. As of such date, management was not aware of any subsequent events requiring additional disclosure.

Note 3: **Information Certified by the Custodians**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the custodians of the Plan).

Note 4: **Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1) Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2) Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 4: Fair Value Measurements (Continued)

Level 3) Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,021,189	-	-	9,021,189
Total assets in the fair value hierarchy	\$ 9,021,189	-	-	9,021,189
Investments at fair value				\$ 9,021,189
2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,024,582	-	-	8,024,582
Total assets in the fair value hierarchy	\$ 8,024,582	-	-	8,024,582
Investments at fair value				\$ 8,024,582

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 5: **Guaranteed Interest Contract with Insurance Company**

The Plan entered into a benefit-responsive guaranteed interest contract with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the guaranteed interest contract is fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value as reported to the Plan by Empower, represents contributions made under the contract, plus interest earned, less participant withdrawals and administrative expenses.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed interest contract issuer may not terminate the guaranteed interest contract at any amount less than the contract value. The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero. Such interest rates are reviewed on a quarterly basis for resetting.

Note 6: **Plan Termination**

Although it has not expressed any intent to do so, the Plan sponsor reserves the right to terminate the Plan at any time. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay any expenses properly charged to the Plan. The remainder would then be distributed to participants in a lump sum.

Mark III Construction, Inc. 401(k) Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Note 7: **Tax Status**

On June 30, 2020, the IRS stated that the non-standardized pre-approved plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: **Party-in-Interest Transactions**

Certain Plan investments are currently managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. As Empower Annuity Insurance Company of America and Empower Trust Company, LLC are the custodians and recordkeepers of the Plan, transactions with these entities qualify as exempt party-in-interest transactions.

Note 9: **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10: **Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to the Plan's Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per financial statements	\$ 9,240,199	8,400,039
Excess contributions payable	<u>39,591</u>	<u>70,938</u>
Net assets available for benefits per Form 5500	<u>\$ 9,279,790</u>	<u>8,470,977</u>

Mark III Construction, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 10: **Reconciliation of Financial Statements to Form 5500 (Continued)**

The following is a reconciliation for participant contributions per the financial statements for the year ended December 31, 2023, to Form 5500:

Participant contributions per financial statements	\$ 782,037
2023 excess contributions payable	<u>39,591</u>
Participant contributions per Form 5500	<u><u>\$ 821,628</u></u>

The following is a reconciliation for benefits paid to participants per the financial statements for the year ended December 31, 2023, to Form 5500:

Benefits paid to participants per financial statements	\$ 1,758,308
2022 excess contributions payable	<u>70,938</u>
Benefits paid to participants per Form 5500	<u><u>\$ 1,829,246</u></u>

Amounts allocated to participant contributions are recorded on the financial statements for excess contributions that have been processed and approved for payment, but not yet paid as of that date.
