INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Goldman & Associated Companies Employees Profit Sharing Plan & Trust
West Monroe, Louisiana

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Goldman & Associated Companies Employees Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Goldman & Associated Companies Employees Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a salary deferral defined contribution plan covering all Goldman Equipment and Associated Companies' (the Company) employees who have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to the maximum percentage or dollar amount permissible under Section 402(g) of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Each year, the Plan Sponsor may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participants' elective deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed at the option of the Company's Board of Members.

Participant Accounts - Each Plan participant's account is credited with the participant's salary reduction and an allocation of the Company's contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses, if any. Investment earnings are allocated based upon the ratio each participant's account balance bears to the total account balances of all participants. Each participant has the right to designate the type of investments in which his or her accounts are to be invested. There are several investment options available. The benefit to which a participant is entitled is the benefit that can be provided from options available. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Company may allocate employer forfeitures as defined in the Plan.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. Full vesting occurs at retirement (normal retirement age is 65 years), early retirement, disability, or death. If a participant terminates employment for any reason other than the aforementioned, his or her employer contributions vests in accordance with provisions of the Plan as follows:

<u>Years of Vesting Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Payment of Benefits - Under termination of a participant's employment prior to attaining the normal retirement age of 65, or early retirement date, the participant receives a lump sum equal to the vested value of his or her account. A participant may, while still employed by the Company, make a withdrawal of all or any part of the then-vested interest in his or her account, subject to various restrictions as defined in the Plan agreement.

Forfeited Accounts - At December 31, 2023 and 2022, unallocated forfeited nonvested accounts totaled \$10,821 and \$10,149, respectively. These funds may be used to pay expenses of the Plan or reduce amounts otherwise required to contribute to the Plan. In addition, forfeitures can be allocated to participant accounts as an additional employer match. For the year ended December 31, 2023, unallocated nonvested forfeitures of \$10,149 were used to pay Plan administrative expenses. For the year ended December 31, 2022, unallocated nonvested forfeitures of \$10,000 were used to pay Plan administrative expenses.

Administrative Expenses - All administrative expenses may be paid out of the Plan, unless paid by the employer. For 2023 and 2022, the amount of administrative expenses paid out of the Plan totaled \$87,251 and \$90,091, respectively. Investment-related expenses are included in the net depreciation of fair value of investments as a deduction against investment returns.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on an accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of significant assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The significant estimate used in these financial statements is the fair value of investments. Actual results could differ from this estimate.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Operating Expenses - Significant operating expenses of maintaining the Plan are paid by the Plan.

Payment of Benefits - Benefits are recorded when paid.

Date of Management's Review - Subsequent events were evaluated through October 8, 2024, which is the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 4 – TAX STATUS

The Plan uses a prototype plan document sponsored by Heard, McElroy & Vestal, LLP. Heard, McElroy & Vestal, LLP received an opinion letter from the Internal Revenue Service (IRS) dated February 13, 2015, that states that the prototype document satisfies the applicable provisions of the Internal Revenue Code of 1986, as amended (IRC). The Plan itself has not received a determination letter from the IRS, and the Plan document has been amended since the date of the IRS opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC and, therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodian.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 15,830,080	\$ 15,568,971
Non-interest-bearing cash	10,805	10,133
Investment income	2,094,436	(2,570,101)

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Heard, McElroy & Vestal, L.L.C. is a party-in-interest, as defined by ERISA, as a result of being the third party administrator of the Plan. Administrative fees paid by the Plan for these services amounted to \$14,560 and \$11,825 in 2023 and 2022, respectively.

The Plan has contracted with John Hancock Life Insurance Company to serve as insurance contract record-keeper and custodian. Consequently, John Hancock Life Insurance Company is a party-in-interest. Fees paid directly to John Hancock Life Insurance Company by the Plan for record-keeping services amounted to \$41,113 and \$46,348 in 2023 and 2022, respectively. Certain Plan investments are pooled separate accounts managed by the John Hancock Life Insurance Company. Certain fees and expenses charged to the Plan in relation to these investments are deducted from income earned and are not separately reflected. Consequently, these fees and expenses are reflected as a reduction of the investment return for such investments.

EMPLOYEES PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 6 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS (continued)

The Plan has contracted with various third parties to serve as investment advisors to the Plan. Consequently, these third parties are parties-in-interest. Investment advisory fees paid by the Plan amounted to \$31,560 and \$31,917 in 2023 and 2022, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for Plan benefits:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2023</u>				
Investment at fair value:				
Pooled separate accounts	\$ 15,830,080	\$ 15,830,080	\$ -	\$ -
Total investments at fair value	<u>\$ 15,830,080</u>	<u>\$ 15,830,080</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2022</u>				
Investment at fair value:				
Pooled separate accounts	\$ 15,568,971	\$ 15,568,971	\$ -	\$ -
Total investments at fair value	<u>\$ 15,568,971</u>	<u>\$ 15,568,971</u>	<u>\$ -</u>	<u>\$ -</u>

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value and establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts in the above table are intended to permit the reconciliation of the fair value hierarchy table to the fair value of investments presented in the statement of net assets available for benefits.

NOTE 7 - FAIR VALUE MEASUREMENTS (continued)

Pooled Separate Accounts

The pooled separate accounts are only available to the clients of John Hancock Life Insurance Company and are valued at net asset value. The net asset value of a pooled separate account is based on the market value of its underlying investments. As the net asset value is available to current investors and is the basis for current transactions, the pooled separate accounts have readily determinable fair value.

Stable Value Fund

Included in pooled separate accounts is a stable value fund which represents participation units of a collective investment trust, the John Hancock Stable Value Fund. The John Hancock Stable Value Fund is composed primarily of benefit-responsive investment contracts issued by state-regulated insurance companies and banks, including but not limited to John Hancock Life Insurance Company. The fund's primary investment objectives are to preserve principal, maintain a competitive interest rate, and provide daily liquidity at contract value for plan-permitted, participant-directed withdrawals. The Plan has concluded that the net asset value of the fund as adjusted and reported by the insurance company denotes readily determinable fair value. The stable value fund is classified in Level 1 of the fair value hierarchy.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
