Independent Auditor's Report

Investment Committee
IDEMIA Retirement Savings Plan
Reston, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of IDEMIA Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of IDEMIA Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 Financial Statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IDEMIA Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IDEMIA Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IDEMIA Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of IDEMIA Retirement Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 10, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of IDEMIA Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is available to the employees of IDEMIA Identity and Security USA LLC (the "Company" and "Plan Sponsor") and its participating subsidiaries and affiliates, who are not leased, included in a collective-bargaining agreement, non-resident aliens who do not have United States source income, resides in Puerto Rico, seasonal or temporary employees, or any foreign national without a green card. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Participants' Eligibility

Employees are immediately eligible to participate in the Plan.

Contributions

Participants may elect to defer pretax, after-tax and Roth contributions in an amount not to exceed 60% of their eligible compensation, subject to the limitations of the Internal Revenue Code.

The Company makes safe harbor matching contributions equal to 100% of a participant's pretax and Roth contributions, provided that the maximum Company matching contribution with respect to any participant for any plan year does not exceed the first 6% of the participant's eligible compensation for the plan year.

The Company also makes certain contributions related to Prevailing Wage Law Contributions for certain employees.

The Company may make a discretionary qualified non-elective contribution in an amount determined by the employer.

Participant Accounts

Individual participant accounts are credited with participant contributions, the Company's matching contributions, the Company's profit-sharing contribution, if applicable, and allocations of plan earnings, and charged with withdrawals and allocations of the losses and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting Policy

Participants are 100% vested at all times in their contributions and investment earnings thereon. Employer match contributions made after January 1, 2018 are immediately 100% vested.

Matching contributions and employer safe harbor non-elective contributions made to the Morpho Retirement Account Plan prior to January 1, 2018, will continue to be 100% vested after two years of service. Employer contributions that were transferred from other qualified plans will continue to vest according to those specific vesting schedules as further defined in the plan document.

Full vesting also occurs in the event of a participant attaining normal retirement age (65), disability, death or the full or partial termination of the Plan. Forfeited balances of terminated participants are used to reduce future Company contributions.

IDEMIA Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

Notes Receivable from Participants

Participants are permitted to borrow up to 50% of their vested account balance up to a maximum of \$50,000. The minimum amount of any loan is \$1,000. A participant cannot have more than one loan outstanding at any time. Loans are collateralized by the balance in the participant's account. Loans are repaid through withholdings according to the employee's normal payroll schedule over a period not to exceed five years and shall bear interest at 1% over prime rate in effect at the time of loan issuance. Participant loans are valued at amortized cost. Interest rates on loans ranged from 4.25% to 9.50% at December 31, 2023.

Default on repayment of a loan is treated as a distribution to the participant. There were no defaulted loans treated as distributions for the years ended December 31, 2023 and 2022. For the plan years ended December 31, 2023 and 2022 plan loans that were offset as distributions were \$312,024 and \$196,550, respectively.

For the years ended December 31, 2023 and 2022, interest on plan loans offset by distributions was \$9,413 and \$9,340, respectively.

Benefit Payments

Benefits of the Plan are payable at: (1) retirement at the normal retirement age (65), (2) total and permanent disability, (3) termination of employment, and (4) death. Upon death of a participant, the participant's beneficiary shall be entitled to the unpaid balance of the participant's account less any outstanding loans or encumbrances. There are two forms of benefit payments available to participants: (1) lump sum distributions in cash or by direct rollover, and (2) equal installment distributions. The participant may defer his/her receipt of distribution until a later date unless his/her vested account balance is \$5,000 or less in which case the plan administrator will direct the custodian to distribute it as a lump sum distribution without the participant's consent.

Investment Options

Participants may direct contributions in any of the investment options offered by the Plan. Participants may change their investment options on a daily basis.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce future employer contributions. During the years ended December 31, 2023 and 2022, \$39,550 and \$1,047, respectively, was forfeited from participant accounts. Employer contributions were reduced by \$21,020 and \$773 from forfeited non-vested accounts for the year ended December 31, 2023 and 2022. The forfeiture account incurred dividends and earnings of \$714 and \$40 for the years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, the Plan's forfeiture account had a balance of \$22,151 and \$2,907, respectively, was included in the statements of net assets available for benefits.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

IDEMIA Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Company pays the administrative expenses that are not paid by the Plan.

Note 3. Certification of Plan Custodian

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022
- Investment information and notes receivable on participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Disclosures About Fair Value of Plan Assets

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value:

Common collective trusts: the fair value of the common collective trusts is determined by the custodian of the common collective trust funds based on the underlying assets, which represent the net asset value.

Mutual funds: shares held by the Plan at year-end are valued at unadjusted quoted market prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments at fair value as of December 31, 2023 and 2022 are as follows:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 94,214,623	\$ -	\$ -	\$ 94,214,623
Common collective trusts measured at net asset value (a)	-	-	-	280,910,614
Total investments at fair value	<u>\$ 94,214,623</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 375,125,237</u>

IDEMIA Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 79,975,428	\$ -	\$ -	\$ 79,975,428
Common collective trusts measured at net asset value (a)	-	-	-	234,081,122
Total investments at fair value	<u>\$ 79,975,428</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 314,056,550</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 5. Related-Party and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds managed by T. Rowe Price Trust Company (T. Rowe). T. Rowe is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to T. Rowe for administrative and investment management services amounted to \$170,570 and \$157,700 for the years ended December 31, 2023 and 2022, respectively.

T. Rowe receives revenue from certain investments of the Plan. T. Rowe and the plan sponsor have agreed that if this revenue exceeds an agreed upon revenue rate, T. Rowe shall make an amount equal to such excess available to the Plan to pay other ERISA-qualified plan administrative expenses. For the years ended December 31, 2023 and 2022, there was an excess of \$6,718 and \$7,280, respectively, and \$116,193 and \$7,242 was reallocated to participants for the years ended December 31, 2023 and 2022, respectively. For the years ended December 31, 2023 and 2022, \$0 and \$60,486, respectively, was used to pay plan qualified expenses. All of these expenses for the years ended December 31, 2023 and 2022 were for the investment advisor, other consultants, audit fees, and legal fees. As of December 31, 2023 and 2022, amounts available to pay future ERISA-qualified administrative expenses were \$300 and \$109,050, respectively. Gains on the account for the years ended December 31, 2023 and 2022 were \$677 and \$2,106, respectively.

Note 6. Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by T. Rowe Price Retirement Plan Services. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 7. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 8. Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks, which could have a material effect on the future reporting of the statement of net assets available for benefits and participants' account balances.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefit per the financial statements to the Form 5500 at December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefit per the financial statements	\$ 379,808,793	\$ 318,944,339
Less employer contributions receivable	<u>(611,850)</u>	<u>(774,523)</u>
Net assets available for benefit per the Form 5500	<u><u>\$ 379,196,943</u></u>	<u><u>\$ 318,169,816</u></u>

The following is a reconciliation of net changes in net assets available for benefit per the financial statements to the Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits per financial statements	\$ 60,864,454	\$ (66,105,624)
Add prior year employer contributions receivable	774,523	527,796
Less current year employer contributions receivable	<u>(611,850)</u>	<u>(774,523)</u>
Net increase (decrease) in assets available for benefits per Form 5500	<u><u>\$ 61,027,127</u></u>	<u><u>\$ (66,352,351)</u></u>

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued.
