R.W. Troxell & Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of R.W. Troxell & Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the R.W. Troxell & Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of R.W. Troxell & Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R.W. Troxell & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of R.W. Troxell & Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R.W. Troxell & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

R.W. Troxell & Company 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A | DESCRIPTION OF PLAN

The following description of R.W. Troxell & Company 401(k) Profit Sharing Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

R.W. Troxell & Company 401(k) Profit Sharing Plan is a defined contribution 401(k) plan covering all full-time employees of R.W. Troxell and Company, the Plan Sponsor (the Company), who are age 21 or older and have one month of service. Prior to January 1, 2023, the service requirement was three months of service. The Plan was adopted and began operations on January 1, 1977. The Plan was amended and restated effective January 1, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Four types of contributions can be made to the Plan.

Salary Deferral Contributions - Each year, participants may contribute up to the maximum dollar amount as determined by the Federal government of pre-tax annual compensation, as defined in the Plan document. The maximum deferral for 2023 and 2022 was \$ 22,500 and \$ 20,500, respectively. Participants who will be at least 50 by the end of the year may make an additional "catch-up" contribution of up to \$ 7,500 in 2023 and \$ 6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants can elect to make pre-tax or Roth deferrals. The Plan includes an automatic deferral feature whereby the Company automatically withholds 6% of compensation for eligible participants and contributes that amount as a pre-tax deferral until the participant makes a contrary election.

Employer Safe Harbor Matching Contributions - The Plan is a qualified automatic contribution arrangement 401(k) plan also known as "QACA". In order to maintain QACA safe harbor status, the Company makes a safe harbor matching contribution. Employees who are active participants at any time during the pay period are eligible for the employer safe harbor matching contribution. The Company will contribute to the Plan a matching contribution equal to 100% of the participant's salary deferral up to 2% of the participant's compensation and 50% of the participant's salary deferral ranging from 2.01% - 6% of the participant's compensation. Contributions are subject to certain Internal Revenue Code limitations.

NOTE A | DESCRIPTION OF PLAN

2. Contributions

Discretionary Additional Matching Contributions - The Company has a right to make a discretionary additional matching contribution to the Plan. The discretionary additional matching contribution will not apply to elective deferrals exceeding 6% of the participant's compensation and may be subject to a limit of 4% of the employee's compensation. The Company made no discretionary additional matching contributions during 2023 and 2022.

Employer Nonelective Contributions - The Plan allows the Company to annually make a discretionary nonelective contribution to the Plan. Employees who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year are eligible for the discretionary contribution. The Company made no discretionary nonelective contributions during 2023 and 2022.

3. Eligible Participants

Effective January 1, 2023, employees are eligible to participate in the Plan on the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirements. Prior to January 1, 2023, entry dates for eligible employees were the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date the employee satisfies the eligibility requirements. Participants are eligible for safe harbor matching contributions upon the attainment of age 21 and one year of service.

4. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and the Plan's earnings and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A | DESCRIPTION OF PLAN

5. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's qualified safe harbor contribution, nonelective contribution, and additional matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Qualified Enhanced Matching Safe Harbor Contributions:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
0-1	0%
2	100%

Nonelective and Additional Matching Contributions:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants will always be 100% vested in the Company's qualified safe harbor contribution, nonelective contribution, and additional matching contribution portion of their accounts plus actual earnings thereon if they are employed on or after their normal retirement age, if they terminate employment on account of their death, or if they terminate employment as a result of becoming disabled.

NOTE A | DESCRIPTION OF PLAN

6. Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested interest in their account in a lump sum or they may elect to receive in installments only if participant is subject to lifetime RMDs. In the event a participant's account does not exceed \$ 5,000, the Plan will distribute the account without consent, and if the balance exceeds \$ 1,000, the distribution will be directly rolled over to an IRA. Upon death, a participant's account is paid in a lump sum to the designated beneficiary. Under certain circumstances, participants may receive a hardship distribution.

7. Forfeitures

Forfeited balances of terminated participant's non-vested accounts can be used to reduce future Company contributions. There was no forfeiture balance at December 31, 2023. At December 31, 2022, the balance of the forfeiture account was \$ 7. No forfeited non-vested accounts were used to reduce employer contribution during 2023 or 2022.

8. Notes Receivable from Participants

Participants may borrow from their participant account a maximum amount equal to the lesser of 50% of the participant's vested account balances or \$ 50,000. Participant loans made from the Plan generally have a term no longer than five years from the date of the loan. Loans may be repaid over more than five years only if funds were used in purchasing a principal residence. Participant loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefit payments are recorded when paid.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

6. Expenses

Certain expenses of maintaining the Plan are paid for by the Company and are excluded from these financial statements. Distribution fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 10, 2024, which is the date the financial statements were available to be issued. Through October 10, 2024, no subsequent events required recognition or disclosure in the financial statements.

8. Recent Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board issued Accounting Standards Update 2016-13, Financial Instruments – Credit Losses (Topic 326), as amended by Accounting Standards Update 2019-10, to improve financial reporting by requiring timelier recording of credit losses on receivables, trade receivables and other financial instruments by replacing the current guidance for recording credit losses. This has been applied for the year ended December 31, 2023 with no significant impact on the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

NOTES TO FINANCIAL STATEMENTS

NOTE C | FAIR VALUE MEASUREMENTS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Interest-bearing cash	\$ 511,195	\$ -	\$ -	\$ 511,195

NOTE D | CERTIFIED FINANCIAL INFORMATION

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplementary schedule that was prepared by or derived from information prepared by Charles Schwab Trust Bank, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>

NOTE E | PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of partial or total Plan termination, participants will be entitled to the full amount in their accounts as of the date of termination.

NOTE F | TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing/money purchase/CODA Plan from BlueStar Retirement Services that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan files a Form 5500 return in the federal jurisdiction.

NOTE G | RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Troxell Financial. The Plan has a fiduciary agreement with Fiduciary Consulting Group, Inc. as third-party administrator for the Plan. Ameritas Life Insurance Corporation is the Plan's recordkeeper. Charles Schwab Trust Bank is the custodian for the Plan and manages some of the assets held by the Plan. Transactions with these entities qualify as party-in-interest transactions.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

December 31, 2023 and 2022

NOTE I | CONCENTRATIONS OF CREDIT RISK

The Plan maintains its cash balances at Charles Schwab Trust Bank. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC). Balances in these accounts routinely exceed the federally insured limit. The Plan has not experienced any losses on such accounts as of December 31, 2023, and through the date of this report.

R.W. Troxell & Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of R.W. Troxell & Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the R.W. Troxell & Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of R.W. Troxell & Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R.W. Troxell & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of R.W. Troxell & Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R.W. Troxell & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

R.W. Troxell & Company 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A | DESCRIPTION OF PLAN

The following description of R.W. Troxell & Company 401(k) Profit Sharing Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

R.W. Troxell & Company 401(k) Profit Sharing Plan is a defined contribution 401(k) plan covering all full-time employees of R.W. Troxell and Company, the Plan Sponsor (the Company), who are age 21 or older and have one month of service. Prior to January 1, 2023, the service requirement was three months of service. The Plan was adopted and began operations on January 1, 1977. The Plan was amended and restated effective January 1, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Four types of contributions can be made to the Plan.

Salary Deferral Contributions - Each year, participants may contribute up to the maximum dollar amount as determined by the Federal government of pre-tax annual compensation, as defined in the Plan document. The maximum deferral for 2023 and 2022 was \$ 22,500 and \$ 20,500, respectively. Participants who will be at least 50 by the end of the year may make an additional "catch-up" contribution of up to \$ 7,500 in 2023 and \$ 6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants can elect to make pre-tax or Roth deferrals. The Plan includes an automatic deferral feature whereby the Company automatically withholds 6% of compensation for eligible participants and contributes that amount as a pre-tax deferral until the participant makes a contrary election.

Employer Safe Harbor Matching Contributions - The Plan is a qualified automatic contribution arrangement 401(k) plan also known as "QACA". In order to maintain QACA safe harbor status, the Company makes a safe harbor matching contribution. Employees who are active participants at any time during the pay period are eligible for the employer safe harbor matching contribution. The Company will contribute to the Plan a matching contribution equal to 100% of the participant's salary deferral up to 2% of the participant's compensation and 50% of the participant's salary deferral ranging from 2.01% - 6% of the participant's compensation. Contributions are subject to certain Internal Revenue Code limitations.

NOTE A | DESCRIPTION OF PLAN

2. Contributions

Discretionary Additional Matching Contributions - The Company has a right to make a discretionary additional matching contribution to the Plan. The discretionary additional matching contribution will not apply to elective deferrals exceeding 6% of the participant's compensation and may be subject to a limit of 4% of the employee's compensation. The Company made no discretionary additional matching contributions during 2023 and 2022.

Employer Nonelective Contributions - The Plan allows the Company to annually make a discretionary nonelective contribution to the Plan. Employees who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year are eligible for the discretionary contribution. The Company made no discretionary nonelective contributions during 2023 and 2022.

3. Eligible Participants

Effective January 1, 2023, employees are eligible to participate in the Plan on the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirements. Prior to January 1, 2023, entry dates for eligible employees were the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date the employee satisfies the eligibility requirements. Participants are eligible for safe harbor matching contributions upon the attainment of age 21 and one year of service.

4. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and the Plan's earnings and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A | DESCRIPTION OF PLAN

5. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's qualified safe harbor contribution, nonelective contribution, and additional matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Qualified Enhanced Matching Safe Harbor Contributions:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
0-1	0%
2	100%

Nonelective and Additional Matching Contributions:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants will always be 100% vested in the Company's qualified safe harbor contribution, nonelective contribution, and additional matching contribution portion of their accounts plus actual earnings thereon if they are employed on or after their normal retirement age, if they terminate employment on account of their death, or if they terminate employment as a result of becoming disabled.

NOTE A | DESCRIPTION OF PLAN

6. Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested interest in their account in a lump sum or they may elect to receive in installments only if participant is subject to lifetime RMDs. In the event a participant's account does not exceed \$ 5,000, the Plan will distribute the account without consent, and if the balance exceeds \$ 1,000, the distribution will be directly rolled over to an IRA. Upon death, a participant's account is paid in a lump sum to the designated beneficiary. Under certain circumstances, participants may receive a hardship distribution.

7. Forfeitures

Forfeited balances of terminated participant's non-vested accounts can be used to reduce future Company contributions. There was no forfeiture balance at December 31, 2023. At December 31, 2022, the balance of the forfeiture account was \$ 7. No forfeited non-vested accounts were used to reduce employer contribution during 2023 or 2022.

8. Notes Receivable from Participants

Participants may borrow from their participant account a maximum amount equal to the lesser of 50% of the participant's vested account balances or \$ 50,000. Participant loans made from the Plan generally have a term no longer than five years from the date of the loan. Loans may be repaid over more than five years only if funds were used in purchasing a principal residence. Participant loans are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1%.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefit payments are recorded when paid.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

6. Expenses

Certain expenses of maintaining the Plan are paid for by the Company and are excluded from these financial statements. Distribution fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE B | SUMMARY OF ACCOUNTING POLICIES

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 10, 2024, which is the date the financial statements were available to be issued. Through October 10, 2024, no subsequent events required recognition or disclosure in the financial statements.

8. Recent Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board issued Accounting Standards Update 2016-13, Financial Instruments – Credit Losses (Topic 326), as amended by Accounting Standards Update 2019-10, to improve financial reporting by requiring timelier recording of credit losses on receivables, trade receivables and other financial instruments by replacing the current guidance for recording credit losses. This has been applied for the year ended December 31, 2023 with no significant impact on the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

R.W. Troxell & Company 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE C | FAIR VALUE MEASUREMENTS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Interest-bearing cash	\$ 511,195	\$ -	\$ -	\$ 511,195

NOTE D | CERTIFIED FINANCIAL INFORMATION

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplementary schedule that was prepared by or derived from information prepared by Charles Schwab Trust Bank, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE E | PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of partial or total Plan termination, participants will be entitled to the full amount in their accounts as of the date of termination.

NOTE F | TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing/money purchase/CODA Plan from BlueStar Retirement Services that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan files a Form 5500 return in the federal jurisdiction.

NOTE G | RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Troxell Financial. The Plan has a fiduciary agreement with Fiduciary Consulting Group, Inc. as third-party administrator for the Plan. Ameritas Life Insurance Corporation is the Plan's recordkeeper. Charles Schwab Trust Bank is the custodian for the Plan and manages some of the assets held by the Plan. Transactions with these entities qualify as party-in-interest transactions.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE I | CONCENTRATIONS OF CREDIT RISK

The Plan maintains its cash balances at Charles Schwab Trust Bank. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC). Balances in these accounts routinely exceed the federally insured limit. The Plan has not experienced any losses on such accounts as of December 31, 2023, and through the date of this report.
