COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

October 11, 2024

To the Administrative Committee of
FLSmidth 401(k) Plan
Allentown, PA

We have audited the financial statements of FL Smidth 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and we will issue our report thereon dated October 11, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, a trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 3, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by FLSmidth 401(K) are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We noted no particularly sensitive or significant estimates used in the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We did not file any reportable findings.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedules to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We also noted the following Plan operational matters for your consideration:

Forfeiture Balances

During our audit, it was noted the Plan’s forfeiture balance at December 31, 2023 totaled \$60,806. As noted in the Basic Plan Document, plan forfeitures may be used to pay administrative expenses under the Plan at any time. Any forfeitures not used to pay administrative expenses under the Plan shall be applied to reduce the contributions of the employer for the immediately following Plan year.

Delinquent Deposit of Participant Contributions

During our audit we identified pay period August 1, 2023 for the NVV division in which participant contributions of \$31,611 were not timely received by the Plan. Per Department of Labor rules, participant contributions must be deposited into the plan as soon as they can be reasonably segregated from the employer’s assets, and no later than the 15th business day of the month after the pay date. Plan management should take corrective action to determine the amount of lost earnings for these delinquent contributions and remit the contributions plus the lost earnings to the Plan.

This information is intended solely for the use of Plan Administrative Committee, the Board of Directors and, if appropriate, management of FLSmidth 401(K) and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Campbell, Rappold & Yusaite LLP

COMMUNICATION OF SIGNIFICANT DEFICIENCY

To the Administrative Committee of
FLSmidth 401(k) Plan
Allentown, PA

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of FLSmidth 401(k) Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered FLSmidth 401(k) Plan's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We are engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statement or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not include a consideration of internal controls relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in F L Smidth 401(k) Plan's internal control to be significant deficiencies.

Preparation of Annual Financial Statements and Footnote Disclosures

Currently, the Plan relies on the outside auditor to prepare the year-end financial statements and footnote disclosures required under *Generally Accepted Accounting Principles (GAAP)* and the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERISA)*. Current standards on internal controls over reporting include the Plan's controls over the preparation of the year-end financial statements and related notes in accordance with GAAP and ERISA. Those standards dictate that the audit firm cannot be part of management's internal control design and operation. In practice, the Plan provides a trial balance and the audit firm prepares the financial statements, note disclosures and certain year-end adjustments. This condition may indicate that the Plan does not have sufficient controls or expertise over the auditor's preparation of the financial statements or footnote disclosures. Audit standards require us to communicate this control deficiency to management. We do not consider this to be a material weakness.

This communication is intended solely for the information and use of the Plan management Administrative Committee, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
