REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
CAFARO COMPANY RETIREMENT SAVINGS TRUST AND PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cafaro Company Retirement Savings Trust and Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cafaro Company Retirement Savings Trust and Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cafaro Company Retirement Savings Trust and Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cafaro Company Retirement Savings Trust and Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cafaro Company Retirement Savings Trust and Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cafaro Company Retirement Savings Trust and Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cafaro Company Retirement Savings Trust and Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following description of Cafaro Company Retirement Savings Trust and Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

On January 1, 1991, the Cafaro Company (the 'Company') established The Cafaro Company Retirement Savings Trust and Plan. The Plan is a defined contribution plan covering substantially all employees of the Company who have completed at least 90 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On January 1, 2022, the Plan was amended to a safe harbor plan design. The employer matching contributions were changed as described in the Contributions note below. The eligibility requirement was changed from at least 21 years of age and having one year of service consisting of 1,000 hours or more to 90 days of employment.

Contributions

Participants may elect to contribute, on a salary-deferral basis, amounts of their annual compensation not to exceed the maximum amount allowed by law. Effective January 1, 2022, the Plan adopted new provisions for safe harbor matching contributions. The Company matches contributions in an amount equal to 100% of each eligible participant's deferral contributions made during the Plan year up to 3% of employee compensation, plus an amount equal to 50% of each eligible participant's deferral contributions made during the Plan in excess of 3% of compensation up to 5% of compensation. The Company made safe harbor matching contributions, net of forfeitures, in the amounts of \$435,038 and \$415,555 for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions; the Company's matching contribution and the Plan earnings and losses and administrative expenses. Allocations of the Plan's earnings and losses are based on the proportion that each participant's account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions and employer safe harbor contributions plus actual earnings thereon. Prior to the amendment to a safe harbor plan, participants became vested in employer matching and any discretionary contributions as follows:

Years of Service	Vested Percentage of Employer Contributions
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Forfeitures

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are used to reduce employer matching contributions and administrative expenses of the Plan. At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$1,090 and \$547, respectively. Employer contributions and plan expenses were reduced by \$3,136 and \$2,415, from forfeited non-vested accounts for the years ended December 31, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

NOTE C – INFORMATION CERTIFIED BY PLAN'S CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net change in investment income and expenses for the years then ended was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's custodian, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which include common collective trusts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include common collective trusts and pooled separate accounts. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

Common collective trust: Units held in collective investment trusts are valued using the NAV of the fund, as a practical expedient. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective investment fund is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

Pooled separate accounts: As a practical expedient, net asset value (NAV) of each of the separate accounts is calculated in a manner consistent with U.S. GAAP for investment companies and is determinative of their fair value and represents the price at which the Plan would be able to initiate a transaction. Several of the separate accounts invest in publicly quoted mutual funds or actively managed stocks. The fair value of the underlying mutual funds or stocks is used to determine the NAV of the separate account, which is not publicly quoted. Some of the separate accounts also invest in fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets and used to determine the NAV of the separate account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE E – TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE F – PARTY IN INTEREST TRANSACTIONS

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. The Plan also invested in certain pooled separate accounts which are owned and managed by the Custodian. These services are parties-in-interest transactions. Services rendered to the Plan by the auditor are paid by the Company.

NOTE G – RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – CONTRIBUTIONS REFUNDABLE

Effective January 1, 2022, the Plan was amended to a safe harbor plan. Due to this amendment, the Plan is no longer subject to discrimination testing and no payable was recorded at December 31, 2023 or 2022.

NOTE I – BENEFIT OBLIGATIONS

Included in net assets available for benefits are amounts allocated to individuals who have elected to withdraw from the Plan, but who have not been paid. Plan assets allocated to these participants were \$55,945 and \$353,496 at December 31, 2023 and 2022, respectively.

NOTE J – SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 11, 2024, which is the date the financial statements were available to be issued.
