Independent Auditors' Report

To the Administrative Committee of
The Schwarz Paving Co., Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Schwarz Paving Co., Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected the audit of Schwarz Paving Co., Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution of insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted the United States of America
- The information in the financial statements referred to above related to assets held by or certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Schwarz Paving Co., Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwarz Paving Co., Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as describe in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is no a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Page 4 of 4

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose on expressing an opinion on the effectiveness of Schwarz Paving Co., Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwarz Paving Co., Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements under the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and directly relates to the underlying accounting and other records used to prepare the financial statements. The information included in supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
SCHWARZ PAVING CO., INC. 401(k) SAVINGS PLAN
December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Schwarz Paving Co., Inc. 401(k) Savings Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan Administrator is Employer's Resource Group, Inc.

General: The Plan is a defined contribution plan covering all full-time employees of Schwarz Paving Co., Inc. and related companies including: Schwarz Paving Company, Schwarz Asphalt LLC, Schwarz Ready Mix, Schwarz Sand, Western Aggregate LLC, and Blue Rock General Contractors LLC, who have completed three months service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Employees can elect to contribute from 1% to 15% of their salary to the Plan on a Pre-Tax Basis and additional Roth Contributions not to exceed federal limits. Participants direct the investment of their contributions into various investment options offered by the Plan. If an employee does not select an investment option, their contributions are invested into a default fund. Employees' contributions for 2023 were \$904,358 Pre-tax and \$250,847 Roth. The Company's funding policy is to make voluntary annual contributions to the Plan and during 2023 they contributed \$777,291. The Company matches 100% of the first 4% contributed by the employee. After 10 years of service, The Company matches the first 5% contributed by the employee. The Company's funding policy also allows for Rollover Contributions and Transfers from other qualified plans. During 2023, Rollover Contributions of \$6,431 were made.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the company's contribution and (b) Plan earnings, and charged with an allocation of net administrative expenses. Allocations are based on participant earnings or account balances as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce administrative expenses or to reduce contributions from the employer. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution of their accounts, plus actual earnings thereon, is based on years of continuous service measured from the inception date of the Plan (January 1, 1991) or first date of hire, whichever is later. The participant becomes fully vested after 5 years.

Participant Loans: Loans can be made of up to 50% of the vested participant account. Interest rates are based on the prevailing interest rates at the time of the loan. Loans must be repaid in 60 months or less. No loan can be made if a prior loan has been treated as a deemed distribution and not repaid.

Payment of benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum or payments. If the vested balance is less than \$5,000, a lump sum will be paid.

Forfeited accounts: Forfeited amounts may be used to pay expenses of the Plan or to reduce future contributions by the sponsor. During 2023, no employer contributions were reduced by forfeited nonvested accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Purchase and sales of securities are recorded on trade-date basis at quoted prices.

Payment of Benefits: Benefits are recorded when paid.

Expenses of the Plan: The employer may pay the expenses. If the employer does not pay the expenses, the expenses shall be paid from Forfeitures available and any unpaid expenses will be allocated to the individual accounts. Fees which are charged for a specific transaction and the quarterly participant administration fee are charged directly to each participant.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

With few exceptions, the Company is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years prior to 2020.
