Independent Auditors' Report

To the Plan Administrator of
Gardens Alive 401(k) Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gardens Alive 401(k) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gardens Alive 401(k) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BARNES DENNIG

Independent Auditors' Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gardens Alive 401(k) Salary Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gardens Alive 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

BARNES DENNIG

Independent Auditors' Report (Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gardens Alive 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gardens Alive 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BARNES DENNIG

**Independent Auditors' Report
(Continued)**

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that was agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GARDENS ALIVE 401(K) SALARY SAVINGS PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan provides for various investment options in a combination of various funds. These investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of those investments, it is at least reasonably possible that changes in the values of investments in the near term would materially affect participants' account balances and the amounts report in the Statements of Net Assets Available for Benefits and the Statement of Changes in the Net Assets Available for Benefits.

Payments of Benefits

Benefits are recorded upon distribution.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the Plan's financial statements and related notes. Actual results could differ from those estimates.

Subsequent Events

In preparing its financial statements Gardens Alive 401(k) Salary Savings Plan has evaluated events subsequent to the date of the statement of net assets available for benefits through October 10, 2024, which is the date the financial statements were available to be issued.

GARDENS ALIVE 401(K) SALARY SAVINGS PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN

General

The following description of the Gardens Alive 401(k) Salary Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description.

The Plan is a defined contribution plan covering all employees, with the exception of those covered by collective bargaining agreements or non-resident aliens, of Gardens Alive, Inc., Rostam Direct, LLC, Melville Direct LLC, Paragon RI LLC, Steinbeck, LLC, Early Morning LLC, and WOW Grapes LLC (collectively, the Company) who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Committee, which is composed of members of the Company's management, is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$22,500 at December 31, 2023). Section 414(v) of the Internal Revenue Code of 1986 as amended allows a maximum catch-up contribution of \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes a Roth feature whereby participants are able to pay taxes on qualifying contributions when made.

The Company contributes 100% of the first 3% of eligible compensation that a participant contributes to the Plan, plus 50% of elective deferrals between 3% and 5% of eligible compensation, with participant compensation and contributions being measured on an annual basis. Additional discretionary profit sharing contributions may be contributed at the option of the Company's Board of Directors and are allocated to participant's accounts based on the participant's annual earnings. For the years ended December 31, 2023, and 2022, there were no discretionary contributions to the Plan. Participants direct the investment of the Company's contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

GARDENS ALIVE 401(K) SALARY SAVINGS PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting and Forfeitures

Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions is based on years of credited service. Participants vest in the Company's discretionary profit sharing contributions and actual earnings thereon as follows:

Less than one year of service	0%
1 year of service	20%
2 years of service	40%
3 years of service	60%
4 years of service	80%
5 years of service	100%

A participant also becomes 100% vested if the Plan is terminated, the participant reaches age 59 ½ while employed, or the participant dies or becomes disabled.

Administration

The Plan is administered by certain members of the Company's management. Expenses incurred in the administration of the Plan are paid by the Plan to the extent they are not paid by the Company.

Withdrawals and Benefits

Upon death, disability, retirement, or termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants who have attained age 59 ½ are permitted to make in-service withdrawals of the portion of their account attributable to the Company's discretionary profit sharing contributions. Participants may withdraw all or part of their vested account balance if financial hardship exists, subject to the limitations of the Plan and the Internal Revenue Code.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$11,138 and \$21,327, respectively. These amounts will be used to offset administrative expenses or reduce future employer contributions. In 2023, \$10,963 of administrative expenses were reduced from forfeited nonvested accounts.

Termination

The Company anticipates that the Plan will continue without interruption, but it reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE 3 FAIR VALUE MEASUREMENTS

Applicable GAAP (Generally Accepted Accounting Practices) for Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the applicable GAAP for Fair Value Measurements and Disclosures are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. (Mutual funds, common stocks, corporate bonds, US government securities, etc.)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value.

Mutual funds: Valued at the quoted closing net asset values of the funds on the last day of the Plan fiscal year.

Collective investment trust: Valued based on the NAV of units of a collective trust as published by the trustee. The existence of certain conditions can limit the trust's ability of the Plan to transact with participants at fair value of the collective trust. Specifically, any event outside the normal operation of the trust which causes a withdrawal from the investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, layoffs, bankruptcy, plant closings, plan termination, mergers, early retirement incentives, communications designed to induce participants to transfer from the fund, competing fund transfer or violation of equity wash or equivalent rules in the plan, and changes in qualification status of employer or plan. As of December 31, 2023, the occurrence of an event outside the normal operations of the trust which would cause a withdrawal from the investment contract is not considered probable.

GARDENS ALIVE 401(K) SALARY SAVINGS PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

Description	12/31/2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 4 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Empower Trust Company, the trustee of the Plan, for the years ended December 31, 2023, and 2022 was certified by them to be complete and accurate with respect to the following:

- a) The assets held by Empower Trust Company at December 31, 2023 and 2022, as well as the transactions involving these assets for the year ended December 31, 2023.
- b) The amount of investment income (loss) for the year ended December 31, 2023.
- c) The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

NOTE 5 RELATED-PARTY TRANSACTIONS

Plan investments are held in a Trust exclusively managed by Empower Trust Company. Empower Trust Company is the trustee and record keeper as defined by the Plan, and therefore these transactions qualify as party-in-interest.

Certain Plan expenses were paid by the Company. The Company provides certain accounting, recordkeeping, and administrative services to the Plan for which it is not compensated.

NOTE 6 TAX STATUS OF THE PLAN

The Plan Sponsor has adopted the prototype plan which has received an opinion letter from the Internal Revenue Service dated November 14, 2022, which states that the provider's prototype, as designed, is in compliance with the applicable requirement of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. There are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is not currently under audit by any taxing jurisdictions. The Plan's tax returns are subject to review and examination by Federal authorities.
