INDEPENDENT AUDITORS' REPORT

To the Trustee and 401(k) Savings Plan Committee of
NCCI Holdings, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NCCI Holdings, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NCCI Holdings, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NCCI Holdings, Inc. 401(k) Savings Plan’s ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NCCI Holdings, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NCCI Holdings, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental

schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the NCCI Holdings, Inc. 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. Copies of this document are available from the plan administrator.

GENERAL

The Plan is a defined contribution plan, established on January 1, 1978, pursuant to the provisions of section 401(k) of the Internal Revenue Code (the “Code”). Eligible employees of NCCI Holdings, Inc. (the “Employer” or “Plan Sponsor”) are allowed to join the Plan as of the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Custody of the Plan’s investments are entrusted to Charles Schwab Trust and Bank (the “Trustee”). The Trustee holds the Plan’s assets and also performs certain administrative services including the maintenance of certain participant records.

The Plan’s 401(k) Savings Plan Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Effectively on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. During 2023, the Plan adopted certain provisions of SECURE 2.0 and is in the process of formally amending the Plan Document.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct their contributions and any Employer contributions in any of the Plan’s investment options. The Plan currently offers registered investment companies, common collective trust funds, and a self-directed brokerage account option. Participants may change their investment options daily.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT CONTRIBUTIONS

New eligible employees are automatically enrolled in the Plan with a 5% contribution rate. New eligible employees have the option to choose not to participate (“Opt Out”) or elect a larger or smaller contribution percentage (including zero) at any time. Participants have the option of contributing up to 50% of eligible compensation up to the applicable Internal Revenue Service (“IRS”) compensation limits on a pretax or post-tax basis, provided that the sum of the pretax and post-tax contributions do not exceed the maximum annual amount allowed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”). A participant’s contribution rate will also automatically increase 1% annually, up to a maximum before-tax contribution of 10%, unless the participant elects otherwise on an annual basis. Participants may Opt Out of this automatic contribution increase feature.

EMPLOYER CONTRIBUTIONS

The Employer provides matching contributions of 100% of the employee contributions up to the first 6% of eligible compensation on either a pretax or post tax basis up to the IRS limits. The Employer also makes a supplemental contribution equal to 6% of an employee’s total eligible compensation. This supplemental contribution is made to all eligible employees.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, Rollovers and an allocation of (a) the Employer’s contributions and (b) Plan investment earnings or losses. Each participant’s account is reduced by any withdrawals or distributions and an allocation of annual administrative fees. Allocations of Plan earnings or losses are based upon account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided by the participant’s vested account balance.

VESTING

Participants are 100% vested in contributions, including Rollovers, they make under the Plan, including actual earnings thereon. Vesting in the Employer’s matching and supplemental contributions, plus actual earnings thereon, occurs after completion of two years of service, at which time they are 100% vested. Upon termination of employment, a participant’s non-vested amounts are forfeited in accordance with the Plan document.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

Upon death, total disability or retirement, participants become 100% vested in their Employer contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$1,000). The maximum amount available for loans is the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the outstanding balance of any other Plan loan. Loan repayment periods are for a maximum of five years and are paid through payroll deductions. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined at the inception of the loan. As of December 31, 2023, the interest rate ranged from 4.25% to 9.50% on such loans. A participant may have two loans outstanding concurrently.

PAYMENT OF BENEFITS

Upon termination of service, a participant (or their named beneficiaries, as applicable) may request to receive a distribution equal to the vested portion of the participant's account balance. Withdrawals under the Plan are allowed for hardship (as defined in the Code) or the attainment of age 59½. The minimum distribution age at which distributions must begin is 73.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan document, may request a withdrawal of all or any portion of such participant's salary deferral contributions plus earnings, if any. For the year ended December 31, 2023 hardship withdrawals amounted to approximately \$196,000, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

REDUCTION IN COMPENSATION ACCOUNT

The Plan has a flat fee structure. If the investment fees paid to Charles Schwab Trust and Bank, the trustee of the Plan, are more than the agreed upon amount, as defined in the respective agreement, which was amended effective July 1, 2019, the difference is remitted back to the participant accounts. As of December 31, 2023 and 2022, the amounts available to reduce future Plan expenses were not significant. During the year ended December 31, 2023, Plan expenses were reduced by approximately \$40,000 from the use of investment fees remitted back to the Plan and was allocated to participant accounts.

SURPLUS ACCOUNT

The Plan opened a new Surplus Account during the year ended December 31, 2023. The purpose of this account is to hold surplus funds transferred in from the terminated NCCI Holdings, Inc. Employees' Retirement Plan (Note 2). These funds are to be applied as a reduction of the Employer discretionary 401(k) supplemental contributions. Total surplus funds applied as a reduction of Employer supplemental contributions for the year ended December 31, 2023 amounted to approximately \$1,256,000. The remaining account balance as of December 31, 2023 was approximately \$5,998,000.

FORFEITURES

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account balance, as defined by the Plan, represents forfeitures. Forfeitures will be used by the Plan to reduce any Employer matching contributions. As of December 31, 2023 and 2022, there were no significant available forfeitures. The total forfeitures applied as a reduction of Employer contributions for the year ended December 31, 2023 amounted to approximately \$56,000.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of investments, notes receivable from participants, and contributions receivable approximate their fair values generally due to their short term nature. However, considerable judgment is involved in making fair value determinations and current estimates of fair value may differ significantly from the amounts presented herein.

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Savings Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefits are recorded as deductions from net assets available for benefits when paid.

PLAN EXPENSES

Fees related to the administration of notes receivable from participants are charged directly to the related participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

TRANSFERS IN

Transfers In represents surplus funds transferred into the Plan from the Plan Sponsor's terminated Employees' Retirement Plan. These funds were excess funds remaining in the Employees' Retirement Plan after the final liquidation of all participant balances and Plan expenses occurred. These funds are to be used to reduce the Employer discretionary 401(k) supplemental contributions going forward. For the year ended December 31, 2023, approximately \$7,155,000 in surplus funds were transfers from the NCCI Holdings, Inc. Employees' Retirement Plan to the 401(k) Savings Plan.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust and Bank (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1

Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Self-Directed Brokerage Accounts

Valued at the closing price reported on the active market on which the individual securities are traded.

Registered Investment Companies (Including Money Market Fund)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan, including those held within individual self-directed brokerage accounts, are deemed to be actively traded.

Common Collective Trust Funds

Valued at the NAV of units of a bank collective trust, as provided by the trustee at year end. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

** In accordance with FASB ASC 820-10, certain investments that were measured at NAV per share (or its equivalent), used as the practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NAV PER SHARE PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Schwab Management Retirement Funds	\$66,086,867	\$ --	Daily	1-2 days

The Schwab Management Retirement Funds are common collective trust funds for which the Trustee is the investment advisor and trustee. The funds seek to provide total return for investors retiring approximately at or near the target date as referenced in the respective fund name.

NOTE 6 - PARTY-IN INTEREST TRANSACTIONS

Charles Schwab Trust and Bank, the trustee of the Plan, manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Charles Schwab Trust and Bank for investment advisory and administrative services for the year ended December 31, 2023 were approximately \$261,000.

NOTE 7 - TAX STATUS

On September 21, 2020, the IRS issued an opinion letter stating that the non-standardized pre-approved plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
