Independent Auditor's Report

To the Participants and Plan Administrator
Fred Alger & Company, LLC 401(k) Profit Sharing Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Fred Alger & Company, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued (or when applicable, one year after the date that the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplementary Information Required by ERISA

The supplementary information listed in the table of contents as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The Plan Administrator
Fred Alger & Company, LLC 401(k) Profit Sharing Plan

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary information, other than the information in the supplementary information that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Buchbinder Tunick & Company LLP, which entered into an asset purchase agreement with Weaver and Tidwell, L.L.P. effective January 1, 2024, performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 12, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Fred Alger & Company, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document (as amended January 1, 2022) for a more complete description of the Plan's provisions, which is available from Plan management.

General

The Plan is a defined contribution plan which became effective April 1, 1993 and covers all eligible employees, as defined, of Fred Alger & Company, LLC, Fred Alger Management, LLC, Alger Management, Ltd., and Weatherbie Capital, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, (ERISA).

Contributions

Each year, a participant may elect to contribute up to a maximum of 50% of his or her eligible compensation, on a pre-tax basis subject to the statutory maximum allowed by the Internal Revenue Code (IRC). Participants aged 50 and over, are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes 100% of each participant's pre-tax and after-tax Roth contributions during the year, subject to a maximum of \$10,000 for each participant. The matching Company contribution is invested as directed by the participant.

The Plan accepts Roth elective deferrals made on behalf of participants on an after-tax basis and also permits direct rollovers into the Plan from another qualified plan.

Participant Accounts

Each participant's account is maintained by the Trustee in which transactions and activity are recorded. Credits to participant accounts typically include elective deferral and rollover contributions made by the participant, matching contributions made by the Plan Sponsor and Plan earnings. Amounts charged against participant accounts typically include allocations of certain administrative expenses, payments made to participants, forfeitures and Plan losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in the employer non-discretionary matching contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100

Participants are required to work at least 1,000 hours during a given plan year in order to be credited for a year of service. Participants are required to work at least 501 hours during a plan year to avoid a break in service.

Notes Receivable from Participants

Participants may borrow from their participant account a maximum equal to the lesser of (i) \$50,000 reduced by the highest outstanding Plan loan balance in the preceding 12 months or (ii) 50% of their vested account balance. Loan terms range from one to five years and may be longer when used for the purchase of a primary residence. Loans are secured by the participant's account balance in the Plan and bear interest at a rate commensurate with local prevailing rates (currently the prime rate plus 1%) as determined by the Plan administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon separation of service due to death, disability or retirement, a participant or their appointed beneficiary or beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the participant's assumed life expectancy. For separation of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may transfer it to another qualified plan or individual retirement account.

Accounts of separated participants with a vested balance of \$5,000 or less are automatically liquidated. The unvested portion of the account balance (if any) is forfeited, and the vested account balance (if any) is paid to the participant as a lump-sum distribution.

A participant may elect to withdraw all or a portion of his or her vested account balance at any time upon or after attainment of age 59½.

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

Forfeited Accounts

Forfeited balances of separated participants' non-vested accounts are used to reduce future employer contributions. Any remaining forfeitures may be used to offset Plan administrative expenses. Forfeitures of \$162,828 and \$284,745 were used during 2023 and 2022, respectively, to reduce employer contributions. Unused forfeitures at years ended December 31, 2023 and 2022 were \$119,397 and \$9, respectively.

Hardship Withdrawals

Under certain conditions, participants, while still employed by the Company, are permitted to withdraw a portion of their vested account balance, subject to certain limitations which are specified in the Plan document. These conditions include: uninsured medical expenses incurred by the participant, his or her spouse or any of his or her dependents; costs directly related to the purchase of a principal residence of the participant; the payment of tuition, related educational fees, and room and board expenses for up to the next 12 months of post-secondary education for the participant, his or her spouse, children or dependents; payments necessary to prevent the eviction of the participant from, or foreclosure on the mortgage on, his or her principal residence; payments for burial or funeral expenses for the participant's deceased parent, spouse, children or dependents; and expenses for the repair of damage to the participant's principal residence and expenses for disasters arising from federally declared disasters, such as expenses and losses (including loss of income) attributable to that disaster, provided that the principal residence or place of employment was in an area FEMA designates as qualifying for individual assistance. A participant's right to make elective deferrals to the Plan will be suspended for six months after the receipt of a hardship withdrawal.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (US GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation [depreciation] includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses of the Plan are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation [depreciation] of fair value of investments.

Reclassifications

The following reclassifications have been made to the 2022 financial statements to conform to the 2023 financial statement presentation: the Plan's investment in the Invesco Stable Value I in the amount of \$5,565,143, previously reported as a guaranteed investment contract valued at contract value, has been reclassified as a collective trust fund valued at fair value; forfeitures of \$284,745 previously reported as a deduction from net assets has been reclassified as a reduction of employer contributions.

Plan Management's Review of Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation [depreciation] in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A. the trustee of the Plan.

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Money market funds: Valued using the NAV of the fund shares.

Fred Alger & Company, LLC 401(K) Profit Sharing Plan

Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Level 1:		
Mutual funds	\$ 76,123,476	\$ 66,420,312
Level 2:		
Money market funds	<u>6,386,399</u>	<u>7,406,468</u>
Total assets in the fair value hierarchy	82,509,875	73,826,780
Investments measured at net asset value:		
Collective trust fund	<u>2,177,348</u>	<u>5,565,143</u>
Investments at fair value	<u><u>\$ 84,687,223</u></u>	<u><u>\$ 79,391,923</u></u>

Note 5. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by the Company. The Company is the Plan sponsor of the Plan and, therefore, these transactions qualify as party in interest transactions. All investment fund earnings or losses posted to each Plan participant's account are net of investment management fees charged by each investment fund under the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

Note 7. Tax Status

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the related prototype plan document was in compliance with applicable requirements of the Internal Revenue Code. The plan administrator timely adopted the restated prototype plan. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Note 8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that some changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
