**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Board of Directors of AllOver Media, LLC  
AllOver Media 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2023 financial statements**

We have performed an audit of the financial statements of AllOver Media 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion on the 2023 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2023 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2023 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2023 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### **2023 supplemental schedules required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2023 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2023 supplemental schedules, we evaluated whether the 2023 supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the 2023 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's report on the 2022 financial statements**

The 2022 financial statements of the Plan as of December 31, 2022, and for the year then ended (not presented herein), were audited by other auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 15, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplementary information, other than the information in the 2022 supplementary information that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**AllOver Media 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**NOTE A - PLAN DESCRIPTION**

The following description of AllOver Media 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering substantially all employees of AllOver Media LLC (the Company and Plan Sponsor), Boxi Operations, LLC (formerly Boxi, Inc.), Pointsmith Fulfillment Services, LLC and Pointsmith Point-of-Purchase Management Services, LLC. The following is not a comprehensive description of the Plan and, therefore, does not include all situations and limitations covered by the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

***Eligibility***

Employees who have attained age 21 and completed one month of service, as defined, are eligible for deferral and discretionary employer matching contributions. Additionally, employees who have attained age 21 and completed one year of service, as defined, and are employed on the last day of the Plan year, are eligible for discretionary employer profit-sharing contributions. An eligible employee becomes a participant on the first day of the month coinciding with or following the completion of the eligibility requirements.

***Contributions***

Participants may elect to contribute, on a pretax basis or after-tax basis for Roth contributions, up to 100% of eligible compensation, subject to the maximum permitted by the Internal Revenue Service (IRS). The Plan provides for discretionary matching contributions. Effective August 1, 2023, matching contributions were equal to 50% on up to 6% of participants' elective deferrals. Prior to August 1, 2023, matching contributions were equal to 25% on up to 6% of participants' elective deferrals. The Company may also elect to make discretionary employer profit-sharing contributions. There were no discretionary profit-sharing contributions for the year ended December 31, 2023.

Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan allows participants who are age 50 and older to make catch-up contributions. Contributions are subject to certain IRS limitations.

***Participant Accounts***

Participant accounts are credited with the participant's contributions (elective deferral, catch-up, Roth and rollover) and allocations of the Company's contributions, if any and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after four years of credited service based on a four-year graded vesting schedule. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death or permanent disability.

## **AllOver Media 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the participant's highest outstanding loan balance in the previous 12 months or 50% of their vested account balance minus any existing loan balance. Effective August 22, 2023, participants may have no more than two outstanding loans at a time. Prior to August 22, 2023, participants were allowed to have no more than one outstanding loan at a time. The notes are secured by the balance in the participant's account and bear interest at 2% over the prime interest rate on the date of the loan. The notes are required to be repaid within five years starting from the payment date. However, if the note will be used to acquire the participant's principal primary residence, then the residential loan must be repaid within 30 years of the original date of the loan. Principal and interest are paid ratably through payroll deductions. The rate of interest on existing notes at December 31, 2023, ranges from 6.25% to 10.5%, and the notes are due in varying amounts through November 2047.

#### ***Benefits Paid to Participants***

Upon termination of service, death, permanent disability or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ or for hardship purposes, as defined. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. All benefit payments greater than \$5,000 require participant authorization prior to distribution. Per IRS regulations, participants are required to take a minimum required distribution by April 1 of the year following the year they reach age 73.

#### ***Forfeited Accounts***

Forfeited nonvested accounts are used to pay administrative expenses, restore participant accounts or fund future Company contributions. During the year ended December 31, 2023, approximately \$7,258 of forfeitures were utilized to pay Plan-related expenses. Forfeited nonvested accounts as of December 31, 2023 and 2022, totaled \$16,203 and \$8,945, respectively.

#### ***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts and all assets of the Plan would be distributed to participants in accordance with the Plan.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, as contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

## **AllOver Media 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

#### ***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and other third parties. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note receivable balance is reduced, and a benefit payment is recorded.

#### ***Benefits Paid to Participants***

Benefits paid to participants are recorded by the Plan when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are charged against investment results.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2023 statement of net assets available for benefits.

#### ***Use of Estimates***

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Subsequent Events***

The Plan evaluated its December 31, 2023 financial statements for subsequent events through October 14, 2024, the date the financial statements were available to be issued, for events requiring recording or disclosure in the Plan's financial statements. On June 11, 2024, the Company executed an amendment to the Plan related to participant loan limitations and provisions. Plan management is not aware of any other subsequent events that would require recognition or disclosure in the financial statements.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

**NOTE C – INVESTMENTS AND INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment gain and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2023.

**NOTE D - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There was no change in the valuation methodology used at December 31, 2023 and 2022.

## **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

*Mutual funds:* Mutual funds are valued at quoted market prices for identical assets in active markets for the shares held by the Plan at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methodology is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

### **NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

As of December 31, 2023 and 2022, the Plan holds a group annuity contract with Empower Annuity Insurance Company of America. The group annuity contract, the Guaranteed Interest Fund, is a fixed account that is part of the general account of Empower Annuity Insurance Company of America. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The Plan held \$376,734 and \$147,250 in the guaranteed interest fund as of December 31, 2023 and 2022, respectively.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value represents contributions made under the contract, plus earnings, less any participant withdrawals or benefit payments.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contracts by the Plan, (2) changes to the Plan's prohibition on competing investment options, (3) the Plan's failure to qualify under section 401(a) of the Internal Revenue Code (IRC) or the failure of the trust to be tax-exempt under section 501(a) of the IRC, (4) Plan termination or merger and (5) bankruptcy of the Plan Sponsor or other Plan Sponsor events. No events are probable that might limit the ability of the Plan to transact at contract value with the contract issuer or participants that significantly affect the Plan's normal operations. The insurance company may not terminate the contract at any amount less than the contract value.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation and (4) a material amendment to the agreement without the consent of the issuer.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance

company and will never be below 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

**NOTE F - INCOME TAX STATUS**

The Plan has adopted a non-standardized pre-approved plan sponsored by CBIZ Benefits & Insurance Services. CBIZ Benefits & Insurance Services has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE G - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Recording services and certain Plan investments are managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Certain employees of the Company provide administrative services to the Plan. These services are provided at no cost to the Plan. All audit and legal fees were paid by the Plan Sponsor.
