ICE Services, Inc. 401(k) Plan

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: ICE Services, Inc. 401(k) Plan is a defined contribution plan covering the employees of ICE Services, Inc. (Sponsor) who have completed six months of service and are at least 18 years old. An eligible employee may begin participating in the plan upon reaching their entry date, generally defined as the first day of the month coincident with or next following the day the employee meets the eligibility requirements. The Plan consists of a 401(k) feature, employer safe harbor contributions and an employer profit-sharing contribution option. The 401(k) feature consists of a salary deferral. The Sponsor has made a commitment to making certain safe harbor matching contributions. The employer profit sharing contribution option allows the Sponsor to make profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions: Each year participants may contribute up to 92% of pretax annual compensation, as defined by the plan, up to the annual limits set by the Internal Revenue Service (IRS). In addition, participants may elect to designate all or part of elective contributions as Roth 401(k) contributions. Participants aged 50 years or older are eligible to make catch-up contributions. Participants direct the investment of their contributions into various mutual fund and other investment options offered by the Plan. Participants may also contribute amounts representing distributions from certain individual retirement accounts (IRAs) and other qualified retirement plans (rollover contributions). The amount of any rollover contributions will be invested along with the other assets of the Plan but will be held for the participant in a special rollover account and will be at all times 100% vested. The Plan has an automatic contribution arrangement (auto enrollment) election design using a 5% deferral rate.

In order to maintain "safe harbor" status, the Sponsor contributes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of the participant's compensation plus 50% of the participant's salary deferrals that are between 3% and 5% of the participant's compensation. For purposes of calculating the safe harbor matching contribution, the participant's compensation and deferrals will be determined on a payroll period basis. In addition, the Sponsor may elect to make a profit sharing contribution to the Plan, which will be allocated among eligible participants based upon each participant's share of the total compensation paid during the Plan year to all eligible participants. The Sponsor's profit-sharing contributions will be made only if the participant has completed at least 1,000 hours of service during the Plan year and is employed by the Sponsor on the last day of the Plan year. The employer profit-sharing contributions are discretionary. No discretionary profit sharing contributions were made for the years ended December 31, 2023 and 2022.

1. DESCRIPTION OF THE PLAN, Continued

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are made daily and based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment in the Plan, a participant may direct Sponsor and participant contributions into any of the Plan's investment options. Participants may change their investment options on a daily basis.

Vesting: Participants are vested immediately in their deferral contributions and the employer safe harbor matching contributions plus actual earnings thereon. A participant's interest in the Sponsor discretionary profit-sharing contribution account fully vests when the participant (a) attains normal retirement age, as defined in the Plan document, (b) completes three years of service, (c) dies or (d) becomes disabled. Upon termination of a participant's employment for any other reason, the participant's interest in the Sponsor discretionary contribution account is vested in accordance with the following schedule:

<u>Completed Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	33%
2	66%
3 or more	100%

The nonvested portion of a participant account balance is subject to forfeiture. Forfeitures of terminated participants' nonvested accounts may, at the Sponsor's discretion, be applied first to the payment of the Plan's administrative expenses or applied to the restoration of participants' individual accounts. Any remaining forfeitures will be used to reduce future Sponsor contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0.

Notes receivable from participants: Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances from the Plan, reduced by the participant's highest outstanding loan balance in the previous 12 months. Participants' account balances secure such loans and participants are not allowed to have more than one open loan at any given time. Generally, loan terms may not exceed five years. Interest is accrued at a rate commensurate with the interest rate charged by entities in the business of lending money for loans made under similar circumstances and is set by those in governance. Principal and interest are repaid through periodic payroll deductions. Upon termination of employment for any reason, the outstanding principal balance of participant loans will be considered due. Notes receivable from participants are stated at their unpaid principal balance. Interest income is recorded on the accrual basis. Notes receivable from plan participants and the related interest income are considered to be party-in-interest transactions. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

ICE Services, Inc. 401(k) Plan

Notes to Financial Statements, Continued

1. DESCRIPTION OF THE PLAN, Continued

Payment of benefits: Benefits are recorded when paid. On termination of services, participants or their beneficiaries whose vested account balances exceed \$5,000 may elect to receive either a lump-sum payment equal to the value of the participant's vested account balance or may defer payment until age 70 1/2, at which time certain minimum distribution rules apply. On termination of services, participants whose vested account balance is less than \$5,000 but greater than \$1,000 may elect, within a reasonable time period, to receive a lump-sum payment equal to the value of the participant's vested account balance. If this election is not made timely, the plan will transfer the participant's vested benefits to an IRA established for the participant's benefit. On termination of services, participants whose vested account balance is \$1,000 or less will receive a lump-sum payment equal to the value of the participant's vested account balance.

Administrative expenses: For the years ended December 31, 2023 and 2022, the Sponsor paid some of the expenses related to administrative services for the Plan, the fees of the trustee, the fees of the third party administrator for preparing Form 5500 and other services, and audit and accounting fees. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP).

Use of estimates: The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ICE Services, Inc. 401(k) Plan

Notes to Financial Statements, Continued

2. SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment valuation and income recognition, continued: The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets, including outside appraisals. Financial assets are considered Level 3 when their values are determined using pricing models, discounted cash flow methodologies or similar techniques and at least one significant model assumption or input is unobservable. Level 3 financial instruments also include those for which the determination of fair value requires significant judgment or estimation.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2023 and 2022. Following is a description of the valuation methodologies used for assets measured at fair value.

Equities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed accounts: Valued based on the fair value of the underlying investments. The underlying investments are carried at fair value based on quoted marked prices.

Changes in valuation techniques may result in transfers in or out of an investment's assigned level within the hierarchy. The inputs or methodology used for valuing investments are not necessarily an indication of the risk associated with investing in those investments.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ICE Services, Inc. 401(k) Plan

Notes to Financial Statements, Continued

2. SIGNIFICANT ACCOUNTING POLICIES, Continued

New Accounting Guidance Adopted: In June 2016, the FASB issued guidance (FASB ASC 326, Financial Instruments - Credit Losses) which could significantly change how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in enhanced disclosures only.

Subsequent events: The Plan evaluated subsequent events through October 10, 2024, the date these financial statements were available to be issued. No material events were identified that required adjustment to these financial statements.

3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by Plan management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company (Ascensus Trust), the trustee of the Plan.

4. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Ascensus Trust is the trustee of the Plan. Merrill Lynch (ML) provides investment advisory services to the plan. Ascensus Inc. (Ascensus) is the third-party administrator (TPA) for the Plan. Transactions with these entities are considered party-in-interest transactions.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all Plan benefits previously earned by the participants and any unvested discretionary employer contributions would be 100% vested.

ICE Services, Inc. 401(k) Plan

Notes to Financial Statements, Continued

6. TAX STATUS

The Plan uses a pre-approved plan document sponsored by Ascensus, LLC which received an opinion letter from the IRS, dated June 30, 2020, stating that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

7. FAIR VALUE HIERARCHY OF INVESTMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,048,956	-	-	23,048,956

ICE Services, Inc. 401(k) Plan

Notes to Financial Statements, Continued

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. NONEXEMPT TRANSACTIONS

During the Plan year ended December 31, 2023, the Sponsor had unintentional delays in remitting participant contributions and corresponding safe harbor contributions of \$126,066 and \$69,307, respectively. The delayed contributions were remitted during 2023. Participants were reimbursed for lost investment income related to the 2023 plan year in the amount of \$150 as of October 10, 2024.

During the Plan year ended December 31, 2022, the Sponsor had unintentional delays in remitting participant contributions and corresponding safe harbor contributions of \$7,866 and \$4,370, respectively. The delayed contributions were remitted during 2022. Participants were reimbursed for lost investment income related to the 2022 plan year in the amount of \$325 on October 4, 2022.

10. SUBSEQUENT EVENTS

The Plan was amended during 2024 to include certain provisions of the Setting Every Community up for Retirement Act ("SECURE Act"). Plan management believes these amendments were not material to the financial statements.

As of October 4, 2024, Raymond James became the custodian for the Plan, and Ascensus and Ascensus Trust continues responsibility as the recordkeeper and trustee for the Plan, respectively. Prior to that date, Merrill Lynch was the Plan's custodian. Certain funds were liquidated and the proceeds of the liquidation as well as participants' investment elections were transferred to the new funds offered. Assets transferred from Merrill Lynch to Raymond James on October 4, 2024, totaled approximately \$26,992,000.

Independent Auditor's Report

Plan Trustee and ERISA Plan Administrator
ICE Services, Inc. 401(k) Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of ICE Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ICE Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ICE Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ICE Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ICE Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ICE Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) and schedules H, line 4a - schedule of delinquent participant contributions as of December 31, 2023 and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
