INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
Las Vegas Paiute Tribe 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Las Vegas Paiute Tribe 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net position available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net position available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months beyond the financial statements date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism through the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant account estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* and *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, as of December 31, 2023, and for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAS VEGAS PAIUTE TRIBE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of the Plan

The following description of the Las Vegas Paiute Tribe 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Plan participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan became effective January 1, 1998. The Las Vegas Paiute Tribe (the "Tribe") sponsors a defined contribution plan with a cash-or-deferred arrangement covering all employees who are at least 21 years of age and have at least one year of service with the Tribe. Participants must have completed at least 1,000 hours of service during the year to be regarded as having a year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan provides for voluntary contributions by its participants and matching contributions by the Tribe. Participants may elect to contribute pre-tax, salary reduction contributions to the Plan in one percent increments up to the maximum amount allowed by the Internal Revenue Service (IRS). This option provides an opportunity to reduce federal income tax on current salary and to continue to defer taxes on investment earnings. At the discretion of the Tribe, the Tribe may contribute a matching fifty percent of each participant's salary reduction contribution up to and including 6% of the participant's gross compensation contributed. The Tribe may elect to make an additional discretionary contribution to the Plan. Participants direct the investment of their contributions and the Tribe's matching contributions into various investment options offered by the Plan.

Investments – Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options anytime throughout the year. If a participant does not elect an investment option at the time of enrollment, their contributions are invested in the applicable target retirement fund based on the participant's age until the participant changes their election. The Tribe's contributions are allocated in the same manner as that of the participant's elective contributions.

Participant Accounts – Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, the Tribe's matching contribution, and allocations of (1) Tribe discretionary contributions and (2) Plan earnings and losses along with administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their own contributions to the Plan, plus any earnings thereon. Participants become vested in benefits provided by the Tribe's contributions, plus earnings thereon, based on years of service in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

LAS VEGAS PAIUTE TRIBE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of the Plan (Continued)

Payment of Benefits – Upon disability, retirement, death, or termination of employment, a Plan participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the account, equal installments over a period of time, or a different form of commercial annuity.

In-service withdrawals are available in certain circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. These withdrawals are included with benefits paid and may not exceed the participant's elective deferral contributions plus allocated earnings and vested benefits. Effective January 1, 2019, the Plan implemented a change to eliminate the suspension period following a hardship withdrawal.

Participant Loans – The Plan does not allow participant loans.

Forfeitures – Upon termination from employment by the Tribe, an employee's non-vested portion of Tribal contributions and earnings is considered forfeited. Plan forfeitures can be used to reduce Plan administration expenses, to reduce employer contributions, or redistributed to remaining plan members. During the years ended December 31, 2023 and 2022, administrative expenses of \$0 and \$82, respectively, were paid from forfeited nonvested accounts. During the years ended December 31, 2023 and 2022, \$5,589 and \$8,487, respectively, of forfeited nonvested accounts were used to reduce the Tribe's matching contribution amounts. The forfeiture account had a \$0 balance as of December 31, 2023, and 2022, due to offsetting contributions.

Note 2: Summary of Significant Accounting Policies

The following significant accounting policies were used to prepare the financial statements in accordance with generally accepted accounting principles.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Generally accepted accounting principles include statements from the Governmental Accounting Standards Board (GASB), as well as other guidance provided by the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Employee Benefit Plans*.

In April 2022, GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this statement are (1) to enhance comparability in accounting and financial reporting and (2) to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements and accounting and financial reporting for financial guarantees. GASB Statement No. 99 becomes effective as follows: (a) the requirements in paragraphs 26-32 of this statement were effective upon issuance, (b) the requirements in paragraph 11-25 of this statement became effective for the Plan for the 2023 reporting period, (c) the requirements in paragraphs 4-10 of this statement becomes effective for the Plan for the 2024 reporting period. Implementation of the requirements in paragraphs 11-25 of this statement did not have a significant impact on the Plan's financial statements.

In June 2022, GASB issued Statement No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*. The objective of this statement is to enhance the accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. GASB Statement No. 100 becomes effective for the Plan for the 2024 reporting period.

LAS VEGAS PAIUTE TRIBE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2: Summary of Significant Accounting Policies (Continued)

In December 2023, GASB issued Statement No. 102, *Certain Risk Disclosures*. The objective of this statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. GASB Statement No. 102 becomes effective for the Plan for the 2025 reporting period.

The effect of the future adoption of GASB Statements No. 99, No. 100, and No. 102 on the Plan's financial statements has not been evaluated as of the date of this report.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therewith, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, as certified by the Plan's custodian, Principal Life Insurance Company (PLIC). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

Net Appreciation (Depreciation) in Fair Value of Investments

The cost of investments is equal to the original purchase price and is adjusted at each year end to the then current fair market value. The realized gains or losses on investments represent the difference between the proceeds at the transaction date and the cost. Unrealized gains or losses on investments represent the net change at year end between current value and the cost of the investments at the date of purchase or the beginning of the year, whichever is later. All realized and unrealized gains or losses on investments for the years ended December 31, 2023 and 2022, are included in net appreciation (depreciation) in fair value of investments on the statements of changes in net position available for benefits.

Excess Contributions Payable

Amounts payable to participants at December 31, 2023 and 2022, totaled \$30,623 and \$45,542, respectively. Excess contributions payable represents amounts payable to participants for contributions in excess of amounts allowed by the IRS and is recorded as a liability with a corresponding reduction in contributions. The Plan distributed the December 31, 2023 and 2022 excess contributions to the applicable participants prior to March 15, 2024 and 2023, respectively.

Payment of Benefits

The Plan recognizes benefit payments in the period the benefits are paid.

LAS VEGAS PAIUTE TRIBE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2: Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Expenses are charged to the Plan and those not covered by forfeitures are paid by the Tribe. Contract administration fees are charged for the annual average deferral percentage and average contribution percentage testing procedures and preparation of the Form 5500. These expenses are charged to the Plan/Tribe in conjunction with the service agreement and paid on a quarterly basis. Expenses paid by the Tribe are not reflected in the accompanying financial statements.

Date of Management's Review

Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The Plan's investments, are reported at fair value in the accompanying statements of net position available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GASB Statement No. 72, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GASB Statement No. 72 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs only when Level 1 inputs are not available to the Plan. There were no level 3 inputs required to be used by the Plan.

The following is a description of the value methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

The fair value of mutual funds is valued at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by the custodian and the daily equivalent of any fee charged by the custodian pursuant to the contract. The value of each accumulation unit is published each business day.

Note 6: Investment Information Prepared and Certified by Custodian

Management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, dividend income, and administrative expenses for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company, (the custodian of the Plan).

The Plan's independent certified public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets.

DECEMBER 31, 2023 AND 2022

Note 7: Related Party/Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by PLIC. PLIC is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment services amounted to \$63,041 and \$55,930 for the years ended December 31, 2023 and 2022, respectively.

Note 8: Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Plan Termination

Although it has not expressed any intention to do so, the Tribe has the right under the Plan to discontinue its contributions upon 60 days' notice in writing to the Plan's trustee and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan or complete discontinuance of contributions thereunder, each employee's account will become fully vested and non-forfeitable, and upon partial termination of the Plan, the accounts of each employee affected by the partial termination will become fully vested and non-forfeitable.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net position available for benefits.

Note 11: ERISA Fidelity Bond

ERISA requires that employee benefit plans obtain a fidelity bond to protect the Plan against theft of Plan assets by fiduciaries and other Plan officials. The amount of the bond is fixed at the beginning of the Plan year, in an amount that is not less than 10% of the Plan assets as of the beginning of the Plan year, up to a maximum bond requirement of \$500,000. Bonds were in place during the years ending December 31, 2023 and 2022.
