INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
GARV 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of GARV 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of
GARV 401(K) Plan
October 5, 2024

- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of GARV 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GARV 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator of
GARV 401(K) Plan
October 5, 2024

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GARV 401(K)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GARV 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of
GARV 401(K) Plan
October 5, 2024

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of GARV 401(K) Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 9, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREAT AMERICAN RV SUPERSTORES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

(1) DESCRIPTION OF PLAN

The following description of GARV 401 (K) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is defined contribution plan covering all full-time employees of Dixie Motors, LLC, Dixie-Defuniak, LLC, Dixie RV Superstores of Acadiana, LLC, Dixie RV Superstores of Calera, LLC, Dixie RV Superstores of Grand Bay, LLC, GARV of Hattiesburg, LLC, GARV of Memphis, LLC, GARV of Columbus, LLC, GARV of Huntsville, LLC, GARV of Tupelo, LLC, GARV of Heflin, LLC, Tchefuncte Steak and Seafood LLC, Coast Technology I LLC, and Coast Maintenance LLC (collectively, “the Company”) who are age eighteen or older and have three months of service. The Plan began on January 1, 2007, and it is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The Company contributes 25% of the first 6% of eligible compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments are directed by the Company. During the year ended December 31, 2023, no additional contributions were made. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, Plan earnings (losses), and charged with allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DECEMBER 31, 2023 AND 2022

(1) DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their 401(k) deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Employers' matching contributions is based on years of continuous service. Participants vest in such contributions according to the following schedule:

<u>Full Years of Service</u>	<u>Percentage Vested</u>
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants are permitted to borrow from their accounts up to 50% of their vested account balance at a minimum of \$1,000 and a maximum of \$50,000. Only one loan may be outstanding at any time for each participant. If a participant's employment terminates for any reason (including death or retirement) prior to full repayment of the loan, the loan balance is cancelled and becomes taxable income to the participant. The Plan Administrator shall determine a reasonable rate of interest based on prevailing interest rates charged for loans made under similar circumstances, and currently range from 4.25% to 6.5%.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period defined by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. After a participant reaches age 59 and a half, he may withdraw all or any portion of the vested value of his total account, even if he is still employed, as a lump-sum distribution.

(1) DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$31,478 and \$59,660 respectively. These accounts can be used to pay plan expenses or reduce future employer contributions. During the year ended 2023, employer contributions were reduced by \$74,450 from forfeited nonvested accounts and \$23,589 of forfeitures was used to pay plan expenses.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Uses of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investments Valuation and Income Recognition

The Plan's investments, except for the group annuity contract, are stated at fair value as determined by OneAmerica based on the net asset values of the pooled separate accounts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on their trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

Payments of Benefits

Benefits are recorded when paid.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Date of Management's Review

Management has evaluated subsequent events through October 5, 2024, the date which the financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are describes as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;

GREAT AMERICAN RV SUPERSTORES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.

(3) FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables are set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Level 2 Fair Value Measurements

The fair value of the mutual funds held in pooled separate accounts for which a quoted market price is not available, are valued using net asset value per share as a practical expedient. The estimated fair value of separate account assets are based on the fair value of the underlying assets owned by the separate account and generally based on observable valuation inputs.

The following tables summarize investments measured at fair value based on net asset value as a practical expedient per share as of December 31, 2023 and 2022:

		2023			
		<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice period</u>

(4) GROUP ANNUITY CONTRACT

The American United Life Insurance Stable Value Account is a group annuity contract the Plan entered into with American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principle and a specified interest rate that is guaranteed to the Plan. The credited rate

GREAT AMERICAN RV SUPERSTORES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023 AND 2022

is based on a formula established by the contract issuer, which equaled 1.0% and 0.75% as of December 31, 2023 and 2022, respectively. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(4) GROUP ANNUITY CONTRACT (CONTINUED)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with Standard Insurance Company and American United Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

(5) RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

Certain Plan investments are managed by OneAmerica. OneAmerica is the trustee and recordkeeper for the Plan and therefore, these transactions qualify as party in interest transactions.

OneAmerica provides certain administrative services to the Plan pursuant to the Master Plan Service Agreement (MSA) between the Company and OneAmerica. OneAmerica receives revenue from mutual fund service providers for services OneAmerica provides to the funds. This revenue is used to offset certain amounts owed to OneAmerica for its administrative services to the Plan.

If the revenue received by OneAmerica from such mutual fund service providers exceeds

the amount owed under MSA, OneAmerica remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 there were no excess amounts. The Plan or Plan Sponsor may make a payment to OneAmerica for administrative expenses not covered by revenue sharing.

(6) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(7) TAX STATUS

The Plan uses a prototype plan document sponsored by OneAmerica. OneAmerica Trust Company obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has analyzed the Plan's tax positions taken on Federal income tax returns for all open tax years (current and prior three years) and has concluded that as of December 31, 2023, no provision for income tax is required in the Plan's financial statements. The Plan's Federal tax return for tax years for which the applicable statutes of limitations have not expired are subject to examination by the Internal Revenue Service.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was enacted, encompassing a suite of retirement provisions colloquially termed "SECURE 2.0." This legislative package builds upon the foundational reforms introduced by the 2019 SECURE Act, with a central aim of expanding participation in the retirement ecosystem and enhancing avenues for asset accumulation. The provisions set forth by SECURE 2.0 will be progressively effective from 2023 onwards.

The Act presents a blend of mandatory and elective provisions. Plan and Company management will evaluate and decide upon the elective components in alignment with the Plan's objectives and the best interests of participants and the Company. As of the report date, the Plan has not been formally amended to incorporate the provisions of SECURE 2.0. However, the Plan is operating in compliance with all mandatory elements as prescribed by the Act.

(8) RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially effect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN
