INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
LGT Transport, LLC Safe Harbor 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the LGT Transport, LLC Safe Harbor 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from John Hancock Life Insurance Company (U.S.A.) (John Hancock) as of and for the years ending December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the

INDEPENDENT AUDITORS' REPORT (Continued)

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i - Schedule of Assets Held (At End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

INDEPENDENT AUDITORS' REPORT (Continued)

accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ending December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the LGT Transport, LLC (hereinafter referred to as the Company, Plan Sponsor or Plan Administrator) Safe Harbor 401(k) Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2022 and covers substantially all employees of the Company and participating employers who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% percent of annual compensation as defined in the Plan and subject to certain Internal Revenue Code (IRC) limitations. Participant elective deferral contributions will be pre-tax elective deferral contributions unless all or a portion is designated as Roth elective deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor makes a safe harbor match equal to 100% of each eligible participant's contribution up to 4% of eligible compensation.

The Plan Sponsor may also make discretionary non-elective (profit-sharing) contributions.

Participants' Accounts

Each participant's account is credited with the participant's contributions, with the participant's share of earnings and (depreciation) appreciation in the value of investments, and with the allocations of the Company's contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ending December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and the Company safe harbor match plus actual earnings thereon. Vesting in the Company's non-elective contributions plus actual earnings thereon is based on credited years of service, as defined. Participants vest 25% after one year of service and vesting increases 25% each year thereafter. Participants are fully vested after 4 years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's vested account and bear interest at 1% over the prime rate (5.75% to 9.50% during the years ended December 31, 2023 and 2022). Principal and interest are paid ratably through payroll deductions over the term of the loans.

Payment of Benefits

Upon termination of service, due to death, disability, retirement or for other reasons, a participant can elect to receive the value of his or her vested account balance, as defined by the Plan. The Plan also permits in-service distributions when the participant reaches age 59 ½ or due to hardship.

Forfeited Accounts

Upon a participant's termination of employment before normal retirement, disability, or death, the portion of their Company contributions not then vested shall be forfeited. The forfeited portion of any participant's account may be, at the Company's discretion, used to reduce the Company's contributions. There were no forfeitures during the years ended December 31, 2023 and 2022.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported additions to and reductions from net assets. Actual results could vary from estimates used.

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ending December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Income Taxes

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through September 17, 2024, which is the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY JOHN HANCOCK

The following is a summary of the investment information as of and for the year ended December 31, 2023 and for the period of January 7, 2022 (the first transaction date) to December 31, 2022 included throughout the Plan's financial statements and supplemental schedules that were prepared by or derived from information provided by John Hancock and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from John Hancock that the information provided to the Plan Administrator by John Hancock related to the following assets is complete and accurate.

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ending December 31, 2023 and 2022

NOTE C – INFORMATION CERTIFIED BY JOHN HANCOCK (Continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets as of December 31,:

	December 31,	
	2023	2022
Investments	\$ 2,947,784	\$ 1,549,236
Notes Receivable	83,398	12,001
Total	<u>\$ 3,031,182</u>	<u>\$ 1,561,237</u>

John Hancock also certified to the completeness and accuracy of \$364,740 and (\$147,256) of net appreciation and depreciation in the fair value of investments and \$5,073 and \$160 of interest on notes receivable for the year and period ended December 31, 2023 and 2022, respectively.

NOTE D – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ending December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts: Valued at net asset value (NAV) of its underlying investments held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 2,947,784	\$ -	\$ -	\$ 2,947,784
Investments	\$ 2,947,784	\$ -	\$ -	\$ 2,947,784

Years Ending December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 1,549,236	\$ -	\$ -	\$ 1,549,236
Investments	\$ 1,549,236	\$ -	\$ -	\$ 1,549,236

NOTE E – TAX STATUS

The Company has adopted a pre-approved plan document sponsored by Pension Administrators, LLC. The pre-approved plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RELATED PARTY TRANSACTIONS

Plan investments are shares of mutual funds, CIT funds and ETF funds held in subaccounts managed by John Hancock and therefore, these transactions qualify as party-in-interest transactions under ERISA. In addition, the Plan pays expenses to various service providers which also qualify as party-in-interest transactions.

LGT TRANSPORT, LLC SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ending December 31, 2023 and 2022

NOTE I – PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Plan Sponsor inadvertently failed to deposit approximately \$31 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor deposited the funds in 2023 but has not deposited associated earnings as of December 31, 2023. The correction will be made from the Plan Sponsor's assets and not from assets of the Plan.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the Form 5500 at December 31, 2023 and 2022 to the financial statements:
