INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Louisiana Health Service & Indemnity Company Tax-Favored Savings Program

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Louisiana Health Service & Indemnity Company Tax-Favored Savings Program (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the financial statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Plan. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

McConnell
Jones

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOUISIANA HEALTH SERVICE & INDEMNITY COMPANY TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of the Plan

The following description of the Louisiana Health Service & Indemnity Company Tax-Favored Savings Program (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides for a National Employee Benefits Committee appointed by the Blue Cross and Blue Shield Association, which has the responsibility for the administration of the Plan.

The Plan is a defined contribution plan covering substantially all employees of Louisiana Health Service & Indemnity Company (Company or Plan Sponsor) and participating employers, including Vantage Health Plan, Inc., Affinity Health Group LLC, and Monroe Surgical Hospital, LLC, who have at least 30 days of service and are scheduled to work at least 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Subject to certain limitations, participants can contribute from 1% up to 75% of pretax annual compensation. Participants can also contribute from 1% up to 75% of after-tax basis, using the Plan's "Roth 401(k)" feature, or a combination of both pretax and after-tax Roth 401(k) contributions. For participants who are highly compensated, a maximum deferral percentage will be specified by the Company (i) on either an annual basis at or before the beginning of each Plan year or (ii) as necessary to satisfy nondiscrimination requirements. New employees are automatically enrolled in the Plan at a deduction rate of 6% of pretax annual compensation unless they elect a different deduction rate, or they elect not to participate. Additionally, for participants with a deferral rate of less than 10% (or less than 6% for highly compensated employees) there will be an automatic 1% increase each March until the participant reaches a 10% deferral (or a 6% deferral for highly compensated employees), unless the participant elects not to participate. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes a matching contribution of 50% of the first 6% of total compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's Board of Directors. No such amounts were contributed in 2023.

Retirement Plus

The Plan provides for additional contributions, which are referred to as the Retirement Plus Contributions. The Retirement Plus Contribution is payable each year on July 1. The Retirement Plus Contribution made at July 1, 2023, was approximately \$15.1 million. Employees are eligible for participation in the Company's Retirement Plus Contribution if they are employed on July 1 and were actively employed for the entire preceding 12-calendar-month period. In addition, an employee must be either a full-time employee or a part-time employee scheduled to work at least 20 hours per week to receive an allocation or must have completed at least 1,000 hours of service with the Company during the 12-calendar-month period ending on June 30.

Notes to Financial Statements

December 31, 2023 and 2022

The Retirement Plus Contribution is based on points, where the number of points equals the combined complete full years of attained age and complete full Plan service years as of July 1. The amount of Retirement Plus Contribution is as follows, subject to a minimum allocation of \$1,000:

<u>Points Total at July 1</u>	<u>Allocation as Percentage of Compensation, as Defined by the Plan</u>
Less than 40 points	3%
At least 40 points but less than 50 points	5%
50 or more points	7%

All contributions are subject to certain limitations of the Internal Revenue Code (Code).

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and the Company's discretionary contributions plus actual earnings thereon. Vesting in the Company's matching contribution and Retirement Plus Contribution portion of their accounts plus actual thereon is based on years of service. A participant is 100% vested after three years of credited service. Participants who terminated employment prior to January 1, 2002, are 100% vested after five years of credited service. Further, a participant becomes 100% vested in company matching contributions and Retirement Plus Contributions, plus actual earnings thereon, when he or she reaches normal retirement age or becomes permanently and totally disabled, or upon death.

Investment Options

Upon enrollment in the Plan, a participant may direct company and employee contributions in 1% increments to any of three investment risk level approaches, which have been selected by the Plan administrator. The Plan's investment options offer an array of investment choices. Participants may select from the investment options that are made available by the investment fiduciary with the advice of a professional investment consultant.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 from their vested account balance, reduced by the highest outstanding loan balance in the last 12 months, or 50% of their vested account balance, reduced by the current outstanding loan balance. Matching contributions and Retirement Plus Contributions are not available for loan and are not counted for purposes of determining 50% of the vested account balance. Maximum loan terms are 5 years for general purpose loans and 30 years for the purchase of a principal residence. The loans are secured by the balance in

the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined monthly, based on the prime rate published by Reuters on the last business day of the month plus 1% and applied to new loans beginning in the following month. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, retirement, death, or disability, a participant may receive a lump-sum amount equal to the vested value of his or her account. The Plan also allows for installment payments following termination of employment. A participant may make withdrawals of the vested value of his or her account, excluding Retirement Plus contributions, while still employed if the withdrawal qualifies as a hardship withdrawal, as defined by the Internal Revenue Service (IRS), and certain requirements specified by the Plan are met. The Plan also allows for in-service distributions at age 59½, and distributions of rollover contributions at any time. Also, a distribution may be made for disability, except that prior to 2016, no in-service disability distribution may be made from the Retirement Plus account.

Forfeitures

Participants forfeit their nonvested balances upon termination of employment when they take a total distribution from the Plan. Otherwise, the nonvested balance is forfeited when the participant incurs a five-year break in service. There was an unallocated forfeiture balance of \$102,100 and \$61,919 at December 31, 2023 and 2022. Forfeitures of \$556,338 in 2023 were used to reduce company contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Administrative Expenses

Certain Plan expenses are paid by the Company on behalf of the Plan. Expenses relating to the purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (US GAAP).

TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought, sold, and held during the year, and expenses related to the Plan's investment portfolio.

Payment of Benefits

Benefits are recorded when paid.

Note 3: Investments (Certified by Trustee) and Fair Value Measurements

Fidelity Management Trust Company (Fidelity) serves as the Plan's trustee (Trustee) and holds all investments of the Plan. Information related to the Plan's investments and related investment income as of December 31, 2023 and 2022, and for the year ended December 31, 2023, has been certified by the Trustee, as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

FASB ASC 820, *Fair Value Measurement*, (FASB ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

LOUISIANA HEALTH SERVICE & INDEMNITY COMPANY

TAX-FAVORED SAVINGS PROGRAM

Notes to Financial Statements

December 31, 2023 and 2022

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds: The money market securities represent interest-bearing cash and are therefore categorized in Level 1 of the fair value hierarchy.

Common/Collective Trust Funds: Valued at the net asset value per share, as determined by the issuer, based on the fair market value of the underlying assets.

Brokeragelink Investments: Participants can open a self-directed brokerage account within the Plan that allows participants to buy and sell stocks, corporate bonds, treasury securities, and other securities on the active market.

Notes to Financial Statements

December 31, 2023 and 2022

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	2023	2022
Level 1:		
Mutual funds	\$ 9,859,489	\$ 26,698,335
Money market funds	4,158,157	6,041,685
Self-directed brokerage fund	30,424,532	21,829,136
	<u>44,442,178</u>	<u>54,569,156</u>
Investments measured at net asset value	<u>539,341,499</u>	<u>426,053,781</u>
Total investments at fair value	<u><u>\$ 583,783,677</u></u>	<u><u>\$ 480,622,937</u></u>

Note 4: Net Asset Value Per Share

The following tables summarize the Plan's investments for which the fair value was estimated using the investment's NAV as of December 31, 2023 and 2022:

Note 5: Party-In-Interest Transactions

The Plan invests in shares of mutual funds managed by an affiliate of Fidelity, the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

Note 7: Plan Tax Status

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 19, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code of 1986, as amended (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: Delinquent Participants Contributions

During the years 2021, 2022 and 2023, the Company determined that, in a few instances, employee deferrals aggregating \$55,578, \$359,976 and \$1,108,885, respectively, had not been remitted to the Plan in a timely manner, in accordance with DOL regulations. Although these remittances were made, they fell outside the normal processing time the Company allows. The Company is in the process of correction that involves calculating the lost earnings and depositing these funds into the Plan. The funds will be allocated to impacted participant accounts. Late remittances related to plan year 2021 and 2022 previously reported on Schedule H Line 4a were corrected in 2023.

Schedule H, Line 4(l) – Has the plan failed to provide any benefit when due under the plan?

No. For administrative purposes, we do not consider delays in payment of a participant's benefit (including administrative mistakes and delayed payments, which happen infrequently) as a failure to pay a benefit when due. Further, in reliance on an IRS clarification of the intent of this question, we do not consider benefits payable to missing participants to be a failure to pay a benefit when due because of the diligence of our efforts to locate missing participants.
