October 10, 2024

To the Plan Administrator
Gandrud Auto Group 401(k) Plan
Green Bay, Wisconsin

We have audited the financial statements of Gandrud Auto Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023 and we issued our report thereon dated October 10, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) provided by Ascensus, LLC, the agent certifying on behalf of the trustee, Ascensus Trust Company, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 1, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Gandrud Auto Group 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that

future events affecting them may differ significantly from those expected. There were no significant estimates noted in the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified differences relating to contributions receivable and excess contributions payable for which a reconciliation has been included in the notes to the financial statements to reconcile the Form 5500 to the financial statements.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Contribution Remittances

During our testing, we noted the following issues regarding contribution remittances:

- 1) One instance in which the amounts withheld from participants were not remitted to the Plan in a timely and consistent manner.
- 2) One instance in which employee deferrals were remitted to an incorrect participant's account.
- 3) Ten instances in which employer match contributions were not remitted to participant accounts.
- 4) Three instances in which employer match contributions were remitted to participant accounts in the incorrect amount.

The Plan Sponsor has worked with the third-party administrator and properly corrected the operational error regarding the late remittance. The Plan Sponsor will work with the third-party administrator to determine the proper corrective action for the remaining

operational errors noted. The late remittance will be disclosed in the financial statements.

Eligibility

During our testing, we noted two instances in which a participant was improperly excluded from participation in the Plan. The Plan Sponsor will work with the third-party administrator to determine the proper corrective action for the operational errors. The operational errors do not result in a material impact at the financial statement level.

Eligible Compensation

During our testing, we noted one instance in which eligible compensation was not properly applied in accordance with the Plan document. It was noted that certain compensation (demo compensation) was improperly excluded from eligible compensation for calculating employee deferrals. Upon further review, we determined the operational error applied to all employees who received demo compensation. The Plan Sponsor is working with the third-party administrator to determine the proper corrective action for the operational error. The operational error does not result in a material impact at the financial statement level.

Deferral Elections

During our testing, we noted five instances in which a participant elected to change their deferral election rate during the year. The changes were properly reflected in the payroll system; however, the elections were not formerly made by the participants through their online access and no documentation of the changes was maintained by the Plan Sponsor. The Plan Sponsor will work with the third-party administrator to determine the proper corrective action for the operational errors. The operational errors do not result in a material impact at the financial statement level.

SOC 1 Review

During our procedures, it was noted the Plan Sponsor does not perform a formal review of the SOC 1 reports attributable to the relevant third-party service organizations utilized by the Plan Sponsor. The SOC 1 reports identify controls for which the Plan Sponsor are responsible. These controls are typically referred to as, "Complimentary User Entity Controls", and implementation of these controls at the Plan Sponsor are necessary to achieve the control objectives of the service organization. We recommend the Plan Sponsor implements a formal review process of the relevant reports, as well as maintaining formal documentation of the review. This does not result in an impact at the financial statement level.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 10, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustee, Plan Administrators, and management of Gandrud Auto Group 401(k) Plan and is not intended to be and should not be, used by anyone other than these specified parties.

Very truly yours,

**BRADY, MARTZ & ASSOCIATES, P.C.
GRAND FORKS, NORTH DAKOTA**
