INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Giant Eagle, Inc. Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Giant Eagle, Inc. Employee Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from the Principal Trust Company as of and for the years ended December 31, 2023 and 2022, stating that a certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section —

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

(continued)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GIANT EAGLE, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Giant Eagle, Inc. Employee Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a contributory defined contribution plan covering all non-union employees of Giant Eagle, Inc. (“Company”) and its subsidiaries who are age 21 or older. It is designed to invest voluntary employee contributions and matching employer contributions for the benefit of the participating employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective January 1, 2019, the Plan was amended and restated in its entirety to incorporate certain amendments, revise certain administrative procedures and make the amendments necessary to maintain the Plan’s qualified status under the Internal Revenue Code of 1986, as amended, and regulations there under.

Contributions

Effective August 1, 2023, the Plan was amended to allow for after-tax Roth participant elective deferrals. Participants can voluntarily contribute 1% to 100% of their compensation, on a pre-tax or after-tax Roth basis, with certain limitations. Salary reduction contributions for any calendar year are subject to Internal Revenue Code (“IRC”) limitations of \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. The Company matches all participant before-tax and after-tax Roth contributions, up to a maximum of 100% of the first 4.5% of the employee’s base compensation, as defined in the Plan document. This is intended to satisfy the nondiscrimination tests under the code sections 401(k) and 401(m) of the IRC.

The Company may also contribute a discretionary profit sharing contribution up to 2.5% of the employee’s eligible compensation in accordance with the Plan document. There were no discretionary contributions for the years ended December 31, 2023 and 2022.

Consistent with Internal Revenue Service (“IRS”) guidelines, participants who have attained age 50 before the end of the Plan year are eligible to contribute catch-up contributions (limited by the IRC to \$7,500 and \$6,500 in the years ended December 31, 2023 and 2022, respectively). IRS guidelines restrict the total contributions for participants over the age of 50 for the years ended December 31, 2023 and 2022 to \$30,000 and \$27,000, respectively.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participation

Each participant's account is maintained at fair value. The participant's account is increased for contributions, reduced for withdrawals and plan expenses, and increased or decreased on a daily basis for investment income including unrealized appreciation or depreciation in the fair value of investments.

Participants may direct their voluntary contributions, rollover contributions and the Company contributions in one or more of the investment options offered and may change their investment allocation on a daily basis.

Vesting

Participants are immediately vested in their voluntary contributions, Company matching contributions and rollover contributions, plus actual earnings thereon. Participants are 100% vested in the Company's discretionary profit sharing contribution based on the first of the following to occur:

- The date he or she completes 3 years of service;
- The date he or she attains age 65;
- The date he or she dies while an employee of the Company.

Payment of benefits

A participant who has attained age 59½, has incurred a hardship (as defined in the Plan document) or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service. Upon termination of service, if the participant's account balance is \$1,000 or less, the participant will receive, as soon as practicable, a lump-sum payment less applicable withholding taxes. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account shall be distributed in a direct rollover to an Individual Retirement Account ("IRA") designated by the Plan administrator. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 72. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 73 or retires from employment, if later.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Loans

Subject to certain restrictions, participants may borrow a minimum of \$500 up to a maximum equal to the lesser of 50% of their aggregate account balance or \$50,000 reduced by the excess of the highest outstanding balance of any Plan loans during the 12-month period preceding the date of the loan. In no event shall the total of any participant's outstanding note exceed, at the time the note is made, the lesser of (a) \$50,000 reduced by the excess of any outstanding note balance incurred during a one-year period prior to the new note date or any outstanding note balance or (b) one-half of the vested balance of a participant's accrued benefit under this Plan and all other plans of the Company.

The notes bear interest at a fixed rate, which is determined by the Plan administrator to be a reasonable rate of interest, taking into account the rate that would be charged by commercial lenders for money loaned under similar circumstances. For the years ended December 31, 2023 and 2022, the interest rate was equal to one percentage point over the Prime rate in effect on the day the participant's loan is processed. Generally, the notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence, the note is repayable over a specified period not to exceed ten years. The interest rates in effect at December 31, 2023 ranged from 4.25% to 9.50%.

The notes are secured by promissory notes providing for repayment of principal and interest through weekly payroll deductions. Participants can also make payments directly to the trustee. As collateral for the note, the participant gives the Company a security interest in his/her vested accrued benefit in the Plan in an amount equal to the outstanding principal balance of the note plus accrued interest. No other property is given as collateral for the note.

Under the Plan's policy, the balance of notes in default as defined in the Plan document is reported to the participant as taxable income and is subject to personal income taxes and penalties. Such notes remain outstanding and continue to accrue interest even though they have been reported to a participant on Form 1099. Notes will not be charged against the participant's vested account balance until approval is received to offset the note due to the participant's termination of service, retirement, death, disability, attainment age of 59 ½, or reaching the earliest date that distribution is permitted under the Plan.

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs. These costs include professional fees and costs for external recordkeeping services. A monthly fee is deducted from all participant's accounts to cover the administrative expenses.

GIANT EAGLE, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Administrative expenses (continued)

A portion of the total investment expense of the Plan's investments may contain revenue sharing. Any revenue sharing received from the Plan's investments will be credited back in full to the impacted participant as an adjustment to the monthly fees charged to the participant's account and shall be listed as a revenue credit to the participant's accounts. Total administrative fee income relating to revenue sharing for the years ended 2023 and 2022 was \$279,884 and \$250,020, respectively, and is included within other income in the statements of changes in assets available for benefits.

The Investment Committee of the Plan shall have the power to designate an entity to provide investment advice to plan participants including, but not limited to, the utilization of managed accounts. Any fees associated with such investment advice shall be charged against and deducted from each such participant's account.

Forfeited accounts

Forfeitures can be used to reduce future employer contributions or expenses incurred in the operation of the Plan. As of the years ended December 31, 2023 and 2022, the balance of forfeited accounts was \$31 and \$3,841, respectively. During 2023 and 2022, employer contributions were reduced by \$38,756 and \$12,275, respectively. Also, during 2023 and 2022, forfeited non-vested accounts were used to reduce Plan administrative expenses by \$809 and \$9, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

GIANT EAGLE, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuations

The Plan provides various investment options, including a common collective trust that is offered through an affiliate of the Trustee of the Plan. Mutual fund investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Plan invests in investment contracts through a common collective trust. The common collective trust is valued at the NAV of units held by the Plan at year-end. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require a 30-day notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest income is accrued when earned and dividend income is recorded on the ex-dividend date. Capital gain distributions from mutual funds are included in dividend income. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in assets available for benefits.

The interest of each participant in various funds is represented by units allocated to the participant's account. Each fund's unit value is computed by dividing the number of units into the aggregate value of each individual fund.

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer match contributions are recorded at that same time. Additional discretionary employer retirement contributions may be recorded periodically during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 9, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investment and notes receivable from participant assets, investment and notes receivable from participant transactions, and related income, contained in the financial statements and schedule of assets held at end of year has been certified as complete and accurate by the Principal Trust Company, the trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to \$717,189 and \$681,677 for the years ended December 31, 2023 and 2022, respectively.

NOTE 4 - FAIR VALUE MEASUREMENT

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include listed mutual funds.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

Mutual funds	\$ 586,373,852	\$ --	\$ --	\$ --	\$ 586,373,852
Common collective trust	--	--	--	65,314,420	65,314,420
	<u>\$ 586,373,852</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 65,314,420</u>	<u>\$ 651,688,272</u>

The following additional information is provided regarding the Plan's common collective trust included in the above tables:

Investment	2023 fair value	2022 fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Principal Stable Value Fund	\$ 58,866,013	\$ 65,314,420	\$ --	Daily	30 days

The Principal Stable Value Fund is a common collective trust that primarily invests in high-quality guaranteed investment contracts and security-backed investment contracts issued by insurance companies, banks, and other financial institutions, with the objective of delivering intermediate-bond-like returns while seeking to maintain a stable net asset value.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - TERMINATION

Although not expressing any intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, assets will be allocated to each participant based on their respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

NOTE 6 - INCOME TAX STATUS

A favorable determination letter was received from the IRS on February 17, 2016, stating that the Plan was qualified under Section 401(a) of the IRC and the related trust was exempt from tax under Section 501(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS

Plan investments include units of the common collective trust fund managed by an affiliate of Principal Trust Company and, therefore, these fund transactions qualify as party-in-interest transactions. Plan expenses paid to Principal, the Trustee, qualify as party-in-interest transactions. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.
