Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RAE Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly,

in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year as of December 31, 2023, and Delinquent Participant Contributions as of December 31, 2023 and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of the RAE Corporation 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the RAE Corporation and certain affiliates (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is administered by the Company, whereby employees of the Company serve as the Administrative Committee of the Plan. The Trust Company of Oklahoma (Trust Company or TCO) serves as the Trustee and record keeper of the Plan.

Effective January 1, 2022, the adoption agreement was amended to state that employees who choose to participate in the Plan may have two loans outstanding at any time. Participants may not renegotiate the terms of a loan. The amendment also named Digi Security Systems, LLC, and Honeycutt Acquisitions, LLC, as related employers in the Plan.

Eligibility

Employees may begin participation on the first day of employment. To be eligible to participate, the employee must have attained age 18. There is no minimum service requirement to participate under the Plan. Interns and Manufacturing interns are excluded from Plan participation.

Contributions

The Plan provides for (a) employee contributions from 1% up to 100% of eligible compensation as defined in the Plan document, not to exceed the maximum allowable under the Internal Revenue Code; (b) Company matching contributions, currently 100% of the first 3% of eligible compensation, plus 50% of participant contributions between 3% and 5% of plan compensation; and (c) discretionary Company contributions, which the employer will designate as qualified non-elective contributions.

The combined total of pre-tax deferrals and Company matching contributions cannot exceed the lesser of \$66,000 during 2023 and \$61,000 during 2022, or 100% of the participant's annual compensation. Participants ages 50 and over as of year-end are eligible to make catch-up contributions to the extent permissible under law and regulations.

Vesting

Participants are immediately vested in their own contributions, as well as the employer's contributions.

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2023 AND 2022

Forfeited Accounts

Forfeitures of employer contributions can be used to pay Plan administrative fees or reduce employer contributions. The Plan had unused forfeitures available of \$490 and \$19 at December 31, 2023 and 2022, respectively. In 2023 and 2022, \$39 and \$0, respectively, were used to pay Plan administrative expenses.

Participant Accounts

Participants have the right to designate the investment of their account balances, including their contributions and deferrals and the Company's matching contributions. Participants may direct the investment of their account balances to more than one option. However, the minimum investment that can be directed to any one option is 1% and whole increments of 1% must be used. Investment options are changed from time to time by the Plan Administrator.

Participants may direct the sale or other disposition of securities in their account and may change their investment instructions prior to the processing of any pay cycle. Neither the Company nor the Trust Company guarantees the value of investments nor do they indemnify any employee against any loss that may result from such investments.

All interest, dividends, and other income received by the Trust Company and all gains and losses from the sale of securities are credited or charged to the respective participant's account. The cost charged to a participant's account for securities purchased is the average cost for all such securities purchased during the day. Brokerage commissions, transfer taxes, and other charges and expenses in connection with the purchase or sale of securities by the Plan are either added to the cost of the securities purchased or deducted from the proceeds of the sale.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$750 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the Prime rate plus 1%. Prior to January 1, 2022, only one loan could be obtained per twelve month period. Effective January 1, 2022, the adoption agreement was amended to state that employees who choose to participate in the Plan may have two loans outstanding at any time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon normal retirement, early retirement, termination, disability, or death, distributions are automatically made in a lump sum unless the participant requests payment in the form of installment payments. Additionally, participants may take an in-service distribution upon reaching the age of 59 ½.

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Hardship Withdrawals

The Plan provides for participant withdrawals in the event of financial hardship. Financial hardships include the participant's purchase or construction of a primary residence and certain educational or medical expenses. Hardship withdrawals must be approved by the Plan Administrator. Hardship withdrawals may only be made once per plan year.

Administrative Expenses

Administrative expenses incurred in connection with the Plan are paid by the Company. The Company will not seek reimbursement from the Plan for the payment of these expenses.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES AND USE OF ESTIMATES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds traded on a securities exchange are valued at the last reported sales price on the last business day of the year. Investments in common/collective trusts are valued at their net asset value per unit. The net asset value is used as a practical expedient to estimate fair value. Cash is stated at cost, which approximates fair value. Interest and dividends are recorded on a cash basis.

Gains and losses resulting from the sale of investments are differences between the average cost of specific investments sold and proceeds received. Transactions are recorded on the settlement date basis.

Payments of Benefits

Benefits are recorded when paid.

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE C - TRUSTEE CERTIFICATIONS

The Plan Administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by The Trust Company of Oklahoma (the Trustee) as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

The information certified by the Trustee was the annual report and accounting as of December 31, 2023 and 2022, and for the year ended December 31, 2023, which includes beginning and ending balances of investments and notes receivable from participants, and a detailed listing of the transactions in the various funds, including investment earnings and interest earned on notes receivable from participants.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10-50-2 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10-50-2 are described below:

Basis of Fair Value Measurements

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2023 AND 2022

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023 and 2022. As required by FASB ASC 820-10-50-2, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Description	12/31/2023	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Cash, non-interest bearing	\$ 39,554	\$ 39,554	\$ -	\$ -
Cash, interest bearing	920,448	920,448	-	-
Stable Value	136,130	-	136,130	-
Mutual funds	19,295,316	19,295,316	-	-
Total Investments	<u>\$ 20,391,448</u>	<u>\$ 20,255,318</u>	<u>\$ 136,130</u>	<u>\$ -</u>

Description	12/31/2022	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market funds	\$ 867,015	\$ 867,015	\$ -	\$ -
Mutual funds	8,864,643	8,864,643	-	-
Total	9,731,658	<u>\$ 9,731,658</u>	<u>\$ -</u>	<u>\$ -</u>
Investments valued at NAV ^(a)	<u>6,713,618</u>			
Total Investments	<u>\$ 16,445,276</u>			

(a) In accordance with Subtopic 820-10, certain assets that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the total investments presented in the statements of net assets available for benefits.

The investments for which fair value is determined by NAV per share as of December 31, 2022, did not have any participant redemption restrictions or unfunded commitments. In addition, redemptions can be made on a daily basis without advance notice.

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2023 AND 2022

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value: The fair market value of shares in the Putnam Stable Value Fund is determined by the fund's underlying investments, which primarily include high-quality, short- to intermediate-term fixed-income securities and investment contracts issued by insurance companies and banks. The value of these investments is regularly assessed based on both market conditions and contractual terms to ensure stability and capital preservation.

NOTE E - TAX STATUS

The Plan has adopted a volume submitter prototype plan. The Internal Revenue Service has issued an opinion letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been subsequently amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate participation in the Plan at any time subject to the provisions of ERISA. In the event of full or partial termination of the Plan, the participants will become fully vested in the Company's contributions to their account.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

RAE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

NOTE H - RELATED-PARTY TRANSACTIONS

Certain plan investments are held in funds managed by Trust Company. Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The transactions are covered by an exemption from the “prohibited transaction” provisions of ERISA and the IRC.

NOTE I - SUBSEQUENT EVENTS

The Company has evaluated subsequent events and their related disclosures through October 8, 2024 which coincides with the financial statement issuance date and identified no such events except as follows.

Effective June 5, 2024, Digi Security Systems, LLC, a participating employer in the Plan, was acquired by Cobalt Service Partners, LLC, an unrelated party. Employees of Digi Security Systems, LLC with balances in the Plan were given the option to stay in the Plan, roll their balances into Cobalt Service Partners, LLC’s qualified retirement plan, or roll their balances into an individual retirement account (IRA). Employees of Digi Security Systems, LLC with balances in the Plan that were less than \$5,000 who opted to leave their balances in the Plan were subject to the mandatory force out rules required by ERISA.
