Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☒ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year 0.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Independent Auditor's Report

To the Plan Administrator
Pension Plan of Centra Health, Inc.
Lynchburg, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pension Plan of Centra Health, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (in liquidation) for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Retirement Savings Committee of the Plan approved a plan of liquidation on March 28, 2022, and management of the Plan determined liquidation of the Plan is imminent. As a result, the Plan uses the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

1. Plan Description

The following description of the Pension Plan of Centra Health, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement, as amended and restated, for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined benefit pension plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The parties to the Plan are Centra Health, Inc. and its affiliates, CCRC, Inc.; Centra Health Foundation; and Lynchburg Family Practice Residency Program, Inc. (collectively, the "Plan Sponsor"). This is a single employer plan covering substantially all of the employees of these corporations. The physicians of Lynchburg Family Practice Residency Program, Inc. are excluded from the Plan. Trust fund assets are available to pay Plan benefits for any participant employed by one of these organizations.

On November 3, 2009, the Plan was amended to freeze Plan participation and cease benefit accruals effective midnight December 31, 2009. No new participants were permitted to join the Plan after that date and benefits under the Plan were determined as though the participants' employment terminated at close of business on December 31, 2009. Prior to January 1, 2010, employees were eligible to participate in the Plan as of the first day of January coincident with or following their first day of employment with the Plan Sponsor.

On March 28, 2022, the Retirement Savings Committee of the Plan Sponsor approved the termination of the Plan. Effective July 14, 2022, the Plan was amended to freeze the Plan in preparation for termination. On September 30, 2022, the Plan adopted an amendment to terminate and liquidate the Plan. No participants were allowed to enter the Plan after the date of Plan freeze. All participants were fully vested in their account balances, and the account balances were liquidated and distributed to participants as soon as administratively practicable after that time.

On April 17, 2023, the Plan received IRS approval for termination. Participants may choose amongst several options regarding the type of distribution. Participants may elect a lump sum payment, individual retirement account rollover, or direct transfer into one of the Plan Sponsor's other plans. All participants were paid out as of December 31, 2023, through lump sum distributions, and for participants receiving annuities from the Plan, an annuity contract was purchased, as further described in Note 5. The remaining net assets as of December 31, 2023 are held for future Plan expenses. After all Plan expenses are settled, any residual amounts will revert back to the Plan Sponsor.

Pension Benefits

Participants were fully vested on September 30, 2022. Annual benefits were calculated as follows:

Normal Retirement - The Normal Retirement Date for each participant is the first of the month coincident with or next following the attainment of age 65, but not earlier than the five-year anniversary of Plan participation. The amount of annual retirement benefit payable is equal to 1.50% of the participant's average compensation, times their years of service, less 1.50% of their primary Social Security benefit, times their years of service. The average compensation is the average annual compensation during the five consecutive calendar years out of the last ten before the calendar year of retirement which produces the highest average. The Plan agreement

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

details additional restrictions. Effective December 31, 2009, the plan was frozen to additional accrual of benefit.

Early Retirement - A participant may retire on the first day of any month following attainment of age 55 and the completion of 15 years of service. The amount of monthly early retirement benefit is equal to the Normal Retirement benefit reduced by 1/15th of each of the first five years and 1/30th for each of the next five years by which the benefit commences prior to the Normal Retirement Date.

Benefits are normally paid monthly for life; however, an election may be made by a retiree to receive payments in the form of a sum certain annuity or a joint survivor annuity. If a participant has a vested benefit of \$5,000 or less at termination or retirement, a lump sum payment will be made. During October 2023, for participants receiving annuities, the Plan entered into an annuity contract with an insurance company to transfer approximately \$121 million of the Plan's assets, as further described in Note 5. For all other participants a lump sum distribution was made directly to participants in full settlement of their benefits, as part of liquidating the plan assets following the Plan termination.

Death and Disability Benefits

In the event of an active employee's death at age 55 or older, his or her spouse will be entitled to receive a monthly survivor benefit equal to the participant's accrued benefit at the time of death. The survivor benefit commences on the earliest date that the deceased participant could have elected to receive retirement benefits. Payments may begin at any time prior to Normal Retirement Date with reduced benefits.

A participant who becomes totally and permanently disabled before his normal retirement date may retire and receive a disability retirement benefit calculated as his accrued benefit on the first of the month of the chosen payment date. Payments would be reduced by 1/15th of the first five years and 1/30th for each of the next five years by which the payment date precedes the Normal Retirement Date and actuarially reduced for each additional year.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update ("ASU") 2013-07, *Liquidation Basis of Accounting*. Plan management determined that liquidation was imminent upon adoption of the resolution to terminate the Plan on March 28, 2022. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and the trustees. See Note 7 for further discussion of fair value measurements.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Payment Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan or the Plan Sponsor are recorded as deductions in the accompanying statement of changes in net assets available for benefits. All other administrative expenses of the Plan are paid by the Company and excluded from these financial statements. Investment related expenses are included in net depreciation in the fair value of investments. Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated Plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service employees have rendered through December 31, 2009, the date benefits under the Plan were frozen. Accumulated Plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits payable under all circumstances, such as retirement, death, disability, and termination of employment, are included to the extent they are deemed attributable to employee service rendered prior to the valuation date.

The actuarial present value of accumulated Plan benefits is estimated by the Plan's independent actuary, Aon Hewitt, and is the amount that results from applying actuarial assumptions to adjust

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

the accumulated benefits earned by the participants to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

3. Funding Policy

Contributions to provide benefits under the Plan are made solely by the Plan Sponsor. The Plan Sponsor's funding policy is to make cash contributions to the Plan in amounts computed by the Plan's actuary using the projected unit credit method. The method and actuarial assumptions referred to in Note 4 have been designed to provide sufficient funds to pay benefits as they become payable under the Plan. The Plan Sponsor met the minimum funding requirement of ERISA for the years ended December 31, 2023 and 2022.

4. Actuarial Data

A summary of the actuarial present value of accumulated plan benefits (in liquidation) is as follows:

<i>December 31,</i>	<i>2022</i>
Actuarial present value of accumulated plan benefits	
Vested benefits:	
Participants currently receiving benefits	\$ 105,539,321
Other participants	88,848,825
Total vested benefits	194,388,146
Nonvested benefits	-
Total actuarial present value of accumulated plan benefits	\$ 194,388,146

The change in the actuarial present value of accumulated plan benefits (in liquidation) is as follows:

<i>Year ended December 31,</i>	<i>2022</i>
Actuarial Present Value of Accumulated Plan Benefits,	
beginning of year (Ongoing)	\$ 264,128,318
Increase (decrease) during the year attributable to:	
Increase for interest	7,233,461
Change in actuarial assumptions	(65,312,286)
Benefits paid	(11,661,347)
Net decrease	(69,740,172)
Actuarial Present Value of Accumulated Plan Benefits,	
end of year (In Liquidation)	\$ 194,388,146

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

The December 31, 2022 actuarial present value of accumulated Plan benefits include the effect of the following changes in actuarial assumptions:

- a change in the discount rate from 2.80% as of December 31, 2021 to an effective rate of 5.33% as of December 31, 2022.
- a change in the methodology for determining the liability from using a discount rate based on high quality corporate bond yields for an ongoing plan to using lump sum interest rates and annuity proxy rates to approximate the Plan termination liability for a plan that will be completely paid out in late 2023 due to a standard plan termination.

The significant actuarial assumptions used in the valuations as of January 1, 2023 (In Liquidation) were as follows:

Effective discount rate	5.33%
Retirement rate	Various rates ranging from 5% at age 55 to 100% at age 70 and above
Mortality rates - healthy and disabled	<u>Base table:</u> Amounts-weighted aggregate rates from the Pri-2012 mortality study. <u>Projection:</u> Mortality rates are projected generationally from 2012 using Scale MP-2021.
Mortality rates - Contingent survivor	<u>Base table:</u> Amounts-weighted contingent survivor rates from the Pri-2012 mortality study. <u>Projection:</u> Mortality rates are projected generationally from 2012 using Scale MP-2021.
Assumed Lump Sum Elections	80% of active employees assumed to elect a lump sum; 40% of deferred participants assumed to elect a lump sum. Participants who are in pay status are not eligible for a lump sum.
Value of accrued benefits for plan reporting purposes	Beginning-of-year values are determined in accordance with the recommended procedures of the American Academy of Actuaries as described in Illustrations 1 and 2 of the October 1993 edition of ASOP No. 4, using the standard unit credit cost method.

As described in Note 1, the decision to terminate the Plan was made after the January 1, 2022 valuation date. Different actuarial assumptions and other factors, such as amendments, are applicable in the December 31, 2022 actuarial present value of accumulated Plan benefits.

As a result of the Plan termination and liquidation, there was no liability for accumulated Plan benefits as of December 31, 2023.

5. Purchase of Annuity Contract

In October 2023, the Plan Sponsor entered into an agreement with Fidelity & Guaranty Life Insurance Company ("F&G") that resulted in the transfer of approximately \$120,981,000 of the Plan's pension

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

obligations, which was funded entirely by existing assets of the Plan. The purpose of the agreement is to streamline administration and manage financial risk associated with the Plan. Under the agreement, F&G assumed responsibility for pension benefits and annuity administration for approximately 2,077 participants, including most retirees and beneficiaries whose monthly benefit payments were approximately \$6,193 or less as of January 1, 2022. The agreement does not change the amount or timing of monthly retirement benefit payments to the impacted participants.

6. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, related to investments held at December 31, 2023 and 2022, and net depreciation in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Russell Investments Trust Company ("Russell"), a qualified institution.

7. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 or 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

Common Collective Trust Funds ("CCT"): The Plan holds investments in common collective trust funds. These investments are public investment vehicles valued using the net asset value ("NAV")

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding and is used as a practical expedient to measure fair value. This practical expedient would not be used if it is determined to be probable that a fund will sell an investment for an amount different than the reported NAV. The investments are direct filing entities.

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

<i>Year ended</i>	Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2023	CCT	\$ 705,703	None	Daily	None
December 31, 2022	CCT	\$ 186,379,571	None	Daily	None

8. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Plan, by a letter dated April 28, 2015, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code ("IRC"). The Plan Administrator and the Plan's legal counsel believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax and, therefore, the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Related Party and Party-in-Interest Transactions

The Plan's investments are shares of common collective trust funds managed by the Trustee of the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$492,820 and \$706,795 for the years ended December 31, 2023 and 2022, respectively. Amounts receivable from Russell for investments sold totaled \$0 and \$954,226 as of December 31, 2023 and 2022, respectively.

10. Plan Termination

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. On March 28, 2022, as described in

Pension Plan of Centra Health, Inc. (In Liquidation)

Notes to the Financial Statements

Note 1, the Plan Sponsor resolved to terminate the Plan effective September 30, 2022. Participants became 100% vested in their accounts as of the termination date. The majority of Plan assets were distributed to the participants during the plan year 2023. All participants were paid out as of December 31, 2023, through lump sum distributions, and for participants receiving annuities from the Plan, an annuity contract was purchased, as previously described in Note 5.

11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported and disclosed in the financial statements.

12. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.
