Report of Independent Auditor

To,
The Participants and the Plan Administrator,
NIIT (USA), Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(c) audit

We have performed audits of the accompanying financial statements of NIIT (USA), Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023, and December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023, and December 31, 2022, and for the years ended December 31, 2023, and December 31, 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters- Supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023, (referred to as the “supplemental information”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The NIIT (USA), Inc. 401(k) Plan (the Plan) was established to make retirement benefits available to the employees of NIIT (USA), Inc. (the Company). The Plan was established in January 1995 and was last restated on January 1, 2014.

In the year 2018, the Company acquired Eagle Productivity Solutions (Eagle), which maintained its own 401(k) Plan through June 2021. In July 2021, all employees of Eagle became employees of NIIT (USA), Inc. and began participating in the Plan. All assets of the Eagle Plan were then transferred into the Plan during the year 2021.

In the year 2022, the Company acquired St. Charles Consulting Group, LLC, which maintained its own 401(k) Plan. St. Charles Consulting Group, LLC 401(k) Plan & Trust through July 2023. In August 2023, St. Charles Consulting Group, LLC. became participating employer in the Plan. All assets of the St. Charles Consulting Group, LLC 401(k) Plan & Trust amounting to \$2,915,590 pertaining to 17 participants were then transferred into the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who are age twenty-one or older, except flex employees. To qualify for employer contributions (including matching), employees must have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100 percent of pretax annual compensation, subject to a 1 percent minimum and statutory maximum. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover), including in-plan Roth rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

At its discretion, the Company may make matching contributions of salary deferrals. At its discretion, the Company may also make nonelective contributions.

The Plan has an auto-enrolment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants will have their pre-tax deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, an allocation of the Company's nonelective contributions based on compensation, and an allocation of investment earnings less plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may designate into which

NIIT (USA), Inc. 401(k) Plan

Financial Statements

December 31, 2023, and December 31, 2022

of several funds their accounts should be invested, and the earnings or losses on investments are credited or charged to the participants' accounts.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20 percent vested after one year of credited service, with an additional 20 percent for each additional year of service until 100 percent vesting is achieved after five years of credited service.

Notes receivable from participants

Participants may borrow from their accounts a maximum equal to the lesser of \$50,000 or 50 percent of their non-forfeitable account balance. Loan terms may not exceed 5 years except when borrowed for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid rateably through monthly payroll deductions.

Forfeitures

Forfeitures of nonvested accounts of participants terminating before becoming entitled to full benefits, as well as forfeitures of nonvested corrective adjustments, are used to reduce future employer contributions. In the year 2023, \$22,699 was forfeited from participants' accounts, out of which \$NIL was used to reduce employer contributions and \$8,423 was used to pay Plan expenses. In the year 2022, \$18,845 was forfeited from participants' accounts, out of which \$1,394 was used to reduce employer contributions and \$11,377 was used to pay Plan expenses. As at December 31, 2023, and December 31, 2022, the amounts of such forfeitures remaining unallocated were \$64,568 and \$48,738, respectively.

Payment of benefits

Benefits are generally payable upon retirement, death, disability, or termination of employment. Withdrawals may be made at other times, subject to restrictions. Final payment of benefits may be made as partial payments, a one-sum cash payment, or instalments.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on accrual basis of accounting.

Investment valuation and income recognition

Investments in mutual funds, self-directed brokerage accounts and common/collective trusts are valued at fair value, as provided by Fidelity Management Trust Company, the trustee. See note 5 for discussion on fair value measurements.

Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and are reinvested in the respective fund.

NIIT (USA), Inc. 401(k) Plan

Financial Statements

December 31, 2023, and December 31, 2022

Fair value measurement:

The Plan follows fair value guidance provided in Accounting Statement Codification (ASC) 820 – Fair Value Measurements, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The fair value measurements standard defines fair value as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date (referred to as an “exit price”). A fair value hierarchy is established that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted market prices for similar assets or liabilities or other inputs that are observable or can be corroborated by market data. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability’s level within the fair value hierarchy is based on the lowest level of any significant input used to measure its fair value. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, and December 31, 2022.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of fair value of investments. Administrative expenses are paid as below:

	Year ended	
	December 31, 2023	December 31, 2022
Recordkeeping fees	45,366	42,427
Investment advisory fees	41,145	38,929
Audit fees	9,785	11,622
Total expenses	96,296	92,978

NIIT (USA), Inc. 401(k) Plan

Financial Statements

December 31, 2023, and December 31, 2022

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions about future events that affect the amount reported in the financial statements. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY ("TRUSTEE") (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants (excluding the allowance for credit losses) held at December 31, 2023 and 2022, and net appreciation (depreciation) in value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity):

NOTE 5: INVESTMENTS MEASURED AT FAIR VALUE

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and December 31, 2022:

Mutual funds: Fair values for investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units held in common/collective trusts ("CCT") are valued using the net asset value ("NAV") practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Self-directed brokerage accounts: Participant-directed investments could include common stocks, mutual funds, corporate or government bonds, or other investments that are valued on the basis of readily determinable market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used or transfers between levels during the years ended December 31, 2023, and December 31, 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023, and December 31, 2022:

NOTE 6: TAX STATUS OF THE PLAN

The Plan, as amended and restated, is adopted from a prototype plan. The prototype plan provider has obtained an advisory letter from the Internal Revenue Service (IRS) dated June 30, 2020, that the form of the prototype is acceptable. Although, no advisory letter has been obtained for the Plan in the particular form adopted, the Plan's trustee believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Financial Statements

December 31, 2023, and December 31, 2022

NOTE 8: RECONCILIATION TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the form 5500:

	2023	2022
Net assets available for benefits per the financial statements	41,221,138	30,582,741
Participant loans deemed distributed.	(1,374)	(1,297)
Net assets available for benefits per form 5500	41,219,764	30,581,444

The following is a reconciliation of loan interest per the financial statements to the form 5500:

	2023	2022
Loan interest per the financial statements	30,567	21,096
Differences in loan interest on participant loans deemed distributed	(76)	(72)
Loan interest per form 5500	30,491	21,024

Contributions receivables are not reported on the form 5500 until received. The excess contributions payable are not reported on the form 5500 until paid, at which time they are reported as corrective distributions.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee, as defined by the Plan, and, therefore, the investment transactions qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and, therefore, qualify as party-in-interest transactions. The Plan has a number of service providers.

All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: RISK AND UNCERTAINTIES.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 11: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, due to unintentional delays, the Company deposited payroll withholdings (including loan repayments) amounting to \$108,196 after the time frame deemed to be within Department of Labor ("DOL") regulations for timely remittances. The Company has corrected delinquent contributions by calculating and remitting the lost earnings during the Plan year 2024, using the DOL guidelines for late deposits.

NOTE 12: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required; however, this has no impact on net assets available for benefits.

NOTE 13: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2023, through the date the financial statements were available to be issued. Based on the evaluation, the Plan states that the delinquent participant contributions identified during Plan year 2022 were corrected in Plan year 2024 as per note 11.
