Independent Auditor's Report

To the Participants and Administrator of
the 403(b) Thrift Plan of Hospice Savannah, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the 403(b) Thrift Plan of Hospice Savannah, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF HOSPICE SAVANNAH, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of Hospice Savannah, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Hospice Savannah, Inc. (the Organization). There is no minimum age or minimum service requirement for employee deferral contributions. Employees with PRN status are not eligible to receive employer matching contributions or employer base contributions. All other employees must complete one year and 1,000 hours of service to receive employer matching contributions and employer base contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is intended to be a 403(b) thrift plan.

Contributions

Contributions to the Plan are made voluntarily by participating employees who elect a salary reduction which is remitted to the Plan by the Organization on behalf of the participants. Participants may contribute up to 100% of gross compensation, not to exceed \$22,500 and \$20,500 during the plan years ended December 31, 2023 and 2022, respectively. Participants over fifty (50) years old can defer additional catch up contributions up to \$7,500 and \$6,500 during the plan years ended December 31, 2023 and 2022, respectively. Participants with more than fifteen (15) years of service may also contribute special catch-up amounts due to the non-profit nature of the plan sponsor. The Plan also provides for rollover contributions by participants from other qualifying plans. The Organization makes a matching contribution of up to 2% of each participant's salary for the plan year.

Vesting

Participants are immediately vested in all participant and employer contributions plus actual earnings thereon.

Participant accounts

Each participant's account is credited with the participant's contributions, an allocation of the Organization's contributions, and investment earnings. Allocation of the Organization's contributions is based on participant compensation while allocation of the investment earnings is based on individual account balances. Upon retirement or termination, a participant is entitled to the vested balance in his/her account.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the value of their non-Roth vested account balance. Participants are permitted to obtain loans from the Plan subject to certain limitations.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions receivable

Contributions receivable are based upon the timing difference between the determined contributions of the employer and employees and the receipts by the investment trustee.

Payment of benefits

Benefits are payable upon (a) termination of service, (b) normal retirement age of 59 ½, or (c) death or permanent disability. Participants can elect to receive distributions through a lump-sum, a partial sum, or a rollover distribution. The Plan also allows for hardship distributions subject to Plan provisions. Benefits are recorded when paid. The portion of net assets processed for payment to persons who requested withdrawals prior to year-end and received payment subsequent to that time is \$0 at December 31, 2023 and 2022.

Investment options

Investments are participant-directed among forty-six (46) funds. A participant may elect to allocate all Plan contributions among the options available upon enrollment and may reallocate at the participant's discretion.

Plan amendments

The Plan was amended effective January 1, 2024 to increase the automatic enrollment deferral and employer match cap to 3%. Additionally, the amendment changed the minimum service requirement for matching contribution eligibility to six months and 500 hours of service.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, contributions are recognized when determined, rather than when received, and expenses are recognized when incurred, rather than when paid.

Use of estimates

The preparation of financial statements in conformity with U.S GAAP may require management to make estimates and assumptions that affect the amounts reported in the financial statements. Consequently, actual results could differ from those estimates.

Valuation of investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Investment-related expenses are included in net depreciation of fair value of investments on the statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the accompanying financial statements.

Management of the Plan evaluated the Plan's tax positions and concluded the Plan had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2020.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 - DESCRIPTION OF INFORMATION CERTIFIED BY THE PLAN TRUSTEE

As permitted by section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to have the investment trustee of the Plan, Mutual of America Life Insurance Company, certify as to the accuracy and completeness of certain information included in the accompanying financial statements and schedule in lieu of the Plan's independent accountants examining such information. Accordingly, the following information was certified by the investment trustee and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule:

- Investments in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Activity in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedules of notes receivable from participants as of December 31, 2023 and 2022.
- Information included in the supplemental schedule, as listed in the accompanying table of contents.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The trustee is authorized under contract provisions and by ERISA regulations providing an administrative or statutory exemption, to invest in funds under its control. Certain Plan investments are shares of mutual funds managed by Mutual of America, the trustee, and these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services were included as a reduction of the return on each fund. The Organization pays certain expenses related to the Plan's operations that are not included in the accompanying financial statements. Expenses of \$13,760 and \$11,860 were assumed by the Organization in the years ended December 31, 2023 and 2022, respectively.

NOTE 7 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring value and provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts are valued at the daily closing price as reported by the fund. Investment funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The pooled separate accounts held by the Plan are deemed to be actively traded.

Insurance company general account is reported at contract value, which is deemed to be fair value. As this investment is contract-based, observable prices for identical or similar investments do not exist

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

and, accordingly, this investment is valued using unobservable inputs (Level 3). The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
