Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Northern Contours, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a—schedule of delinquent participant contributions and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Northern Contours, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of Northern Contours, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete information.

General: The Plan is a defined contribution plan covering employees located in the United States of America of Northern Contours, Inc. (the employer and Plan Administrator) who meet certain eligibility requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Northern Contours, Inc.'s Board of Directors is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

Eligibility: An employee is eligible to make payroll deferrals to the Plan upon attaining the age requirement of 21. Entry into the Plan is on a monthly basis.

Employees are eligible for employer discretionary matching contributions upon attaining the age requirement of 21 and commencement of payroll deferrals.

Contributions: Eligible participants are permitted to elect to have a percentage of their annual compensation, limited by Plan provisions and applicable law, contributed as pretax or Roth contributions to the Plan. This deferral percentage can be changed by the participant at the beginning of each payroll period. The Plan allows participants age 50 and older to make catch-up contributions. The Plan includes an automatic enrollment provision whereby all newly eligible employees who do not make an elective deferral contribution election will be automatically enrolled in the Plan deferring 3% of the employee's compensation. The default enrollment rate under the automatic enrollment provision will increase 1% annually up to a maximum of 10%, unless the participant affirmatively elects otherwise.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and certain individual retirement accounts (rollover).

Each year, at its discretion, the employer may make a matching contribution to the Plan, which is allocated to those participants who elect salary reduction contributions. The matching contribution for 2023 was equal to 20% of the participants' contributions to the Plan. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and employer matching contributions, if any, as well as an allocation of Plan investment results and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participant contributions, plus actual earnings thereon, are immediately 100% vested. Employer matching contributions, plus actual earnings thereon, vest at the rate of 20% per year after one year of eligible service. A participant is 100% vested after five years of credited service.

Notwithstanding the above, participants shall become 100% vested in their account upon Plan termination, attaining age 62, death or becoming totally and permanently disabled during the term of employment.

Northern Contours, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Investment options: Under the Plan, participants are allowed to make their own investment decisions, selecting from investment choices authorized by the Plan Administrator. Participants may elect at any time to have all or part of their account balances and future contributions transferred from one fund to another or transferred between funds in any combination. All investment choices vary in type of investment, rate of return and investment risk.

Notes receivable from participants: Participants may borrow up to one-half of their vested balance, with a maximum not to exceed \$50,000 and a minimum note amount of \$1,000. Notes are secured by the balance in the participant's account and bear interest at a rate fixed by the Plan Administrator at the time of the note, which is currently based on the prime rate plus two percentage points. Notes have a repayment period not to exceed five years, with the exception of notes used for acquiring a home, which can be repaid over a period not to exceed 15 years. At December 31, 2023, interest rates ranged from 4.50% to 10.50% with maturities through November 2028. Principal and interest are paid ratably through payroll deductions.

Benefit payments: Upon termination of service, death, disability, normal retirement (age 65), early retirement (age 62), the participant may receive the value of the vested interest in his or her account in the form of lump-sum or installment payments. If a participant terminates employment, and the participant's account balance is less than \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. The Plan allows for in-service distributions and hardship distributions, subject to Plan limitations.

Forfeitures: Forfeited nonvested accounts are used to pay administrative expenses or to fund employer contributions. There were approximately \$2,000 and \$7,000 of forfeited nonvested accounts as of December 31, 2023 and 2022, respectively. For the year ended December 31, 2023, accumulated forfeitures of approximately \$24,000 were used to fund employer contributions. Accumulated forfeitures will be applied to pay expenses or fund employer contributions in 2024.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Northern Contours, Inc. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Benefits paid to participants: Benefits are recorded when paid.

Administrative fees: Certain expenses of maintaining the Plan are paid directly by the employer and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Plan tax status: The Plan has adopted a non-standardized pre-approved plan sponsored by Ascensus LLC. Ascensus LLC has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the 2023 statement of net assets available for benefits.

Plan termination: Although it has not expressed any intent to do so, the employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become fully vested in their accounts.

Subsequent events: The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA required supplemental schedule, that was prepared or derived from information provided by Empower Trust Company, LLC, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA required supplemental schedule related to the following assets:

	December 31	
	2023	2022
Investments, at fair value:		
Registered investment companies	\$ 2,217,887	\$ 1,989,010
Common collective trust funds	9,287,084	8,298,455
Notes receivable from participants	330,476	313,966

Empower Trust Company, LLC, the trustee of the Plan, also certified as to the completeness and accuracy of \$1,515,620 of net appreciation in fair value of investments, \$47,007 of interest and dividends related to the aforementioned investments, and \$21,499 of interest income on notes receivable from participants for the year ended December 31, 2023.

Note 4. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Northern Contours, Inc. 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Registered investment companies are valued at the net asset value (NAV) based on active market prices of shares held by the Plan at year-end.

Common collective trust funds: Common collective trust funds are valued at the NAV of the underlying assets. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Investments as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Registered investment companies	\$ 2,217,887	\$ -	\$ -	\$ 2,217,887
	<u>\$ 2,217,887</u>	<u>\$ -</u>	<u>\$ -</u>	<u>2,217,887</u>

Investments at NAV:				
Common collective trust funds (a)				9,287,084
				<u>\$ 11,504,971</u>

Investments as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Registered investment companies	\$ 1,989,010	\$ -	\$ -	\$ 1,989,010
	<u>\$ 1,989,010</u>	<u>\$ -</u>	<u>\$ -</u>	<u>1,989,010</u>

Investments at NAV:				
Common collective trust funds (a)				8,298,455
				<u>\$ 10,287,465</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV or its equivalent as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Empower Trust Company, LLC, the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. However, such transactions are exempt under section 408(6)(8) of the IRC.

Note 6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as presented in the financial statements to Form 5500 as of December 31, 2023 and 2022:

The following is a reconciliation of net increase in net assets available for benefits as presented in the financial statement to Form 5500 for the year ended December 31, 2023:

Net increase in net assets as presented in the financial statements	\$ 1,234,016
Adjustments for:	
Deemed distributions of participant notes receivable, net	2,926
Net increase in net assets per the Form 5500	<u>\$ 1,236,942</u>

Note 7. Nonexempt Prohibited Transactions

During 2023, the Plan Sponsor inadvertently failed to deposit \$75 of participant contributions within the required time frame as stated by the United States Department of Labor (DOL) regulations. The Plan Sponsor deposited lost earnings in the amount totaling approximately \$2 to correct this failure in 2024. The Plan Sponsor intends to file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be made from the Plan Sponsor's assets and not from assets of the Plan.
