BOARD OF TRUSTEES
TRI-GAS & OIL CO., INC.
401(K) PROFIT SHARING PLAN AND TRUST
Federalsburg, Maryland

We have audited the financial statements of Tri-Gas & Oil Co., Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023, and have issued our report thereon dated October 9, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 7, 2024. Professional standards also require that we communicate to you the following information related to our audit.

ENGAGEMENT ADMINISTRATION

Keith Kahn is the engagement partner and was responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

INTERNAL CONTROLS

Except as discussed in the first paragraph, in planning and performing our audit of the financial statements of the Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the first and third paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Plan's internal control to be significant deficiencies.

The Plan sponsor does not possess sufficient resources to prepare the Plan's financial statements and notes. Instead, the Plan relies on the independent auditor to assist in this process. Although we are required to disclose the deficiency noted, it is common for this deficiency to exist in Plans that are similar in size. Many Plan sponsors believe that hiring or allocating personnel with the expertise to perform this role would not be cost effective.

It was identified during our prior year audit that several participants had Plan contributions withheld from their pay, however, the withholdings and related employer matching contributions were not remitted to the Plan's trust. These delinquent contributions have not been remitted to the Plan as of December 31, 2023. Plan management should work with the Plan's third-party administrator and outside counsel, if necessary, to fully correct their error.

It was identified during our audit that several participants had Plan contributions withheld from their pay, however, the withholdings and related employer matching contributions were not remitted to the Plan's trust. Plan management should work with the Plan's third-party administrator and outside counsel, if necessary, to fully correct their error.

It was identified during our audit that two payroll contributions were not remitted to the Plan timely and were delinquent. Plan management should work with the Plan's third-party administrator and outside counsel, if necessary, to fully correct their error.

SIGNIFICANT AUDIT MATTERS

Qualitative Aspects Of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

We noted no significant accounting estimates in the Plan's financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements.

We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered In Performing The Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected And Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

We are pleased to report that no misstatements were identified during the audit.

Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 9, 2024.

Management Consultations With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

To our knowledge, there were no such consultations with other accountants.

Other Audit Findings Or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A few noteworthy items came to our attention:

- *As of December 31, 2023, the balance in the forfeiture account was approximately \$69,323. We recommend that the Plan Sponsor utilize these funds as allowed to offset future contributions or for Plan expenses.*
- *We recommend that a formal pension committee be established. Best practice is for this committee to meet at least annually to review Plan investments, Plan operations and Plan documents. Minutes of all meetings should be prepared and retained.*

- *During our audit we noted participants were making elective deferral changes through multiple avenues of communication to the H.R. and payroll department (email, paper election forms and online through the TPA site). We suggest implementing a policy to simplify the elective deferral process. We recommend utilizing the TPA's site as the primary source for participant deferral election changes.*

This communication is intended solely for the information and use of management, trustees, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
