INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators of the
Service Electric Cable T.V., Inc.
401(K) Profit Sharing Plan
Allentown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note (e) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SERVICE ELECTRIC CABLE

T.V., INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

DECEMBER 31, 2023 and 2022

- Notes: (a) Description of Plan. The following description of the SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.
1. General. The Plan is a defined contribution profit sharing plan (401(k) Plan) covering all full-time employees of the Company who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The plan administrators are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's plan administrators.
 2. Contributions. Each year participants may contribute up to 100% of pretax annual compensation, subject to the limits, as defined in the Plan. Participants may designate all or a portion of their elective deferral as Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies and a guaranteed investment contract as investment options for participants. The Company has a discretionary match and currently matches 100% of the first \$3,750 that a participant contributes to the Plan. The company contributed \$554,856 for the year ended December 31, 2023.
 3. Participant Accounts. Each participant's account is credited with the participant's contributions and Company matching contribution, as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements, Continued

DECEMBER 31, 2023 and 2022

Notes: (a) Description of Plan, Continued:

4. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of continuous service as shown below:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 but less than 3 years of service	20%
3 but less than 4 years of service	40%
4 but less than 5 years of service	60%
5 but less than 6 years of service	80%
More than 6	100%

5. Notes Receivable from Participants. Participants may borrow up to 50% of their fund account balance. The minimum loan balance is \$1,000. The maximum loan balance is \$50,000. The loans are secured by the balance in the participant's account and bear interest at a reasonable fixed rate determined by the loan administrator. Interest rates range from 4.25% to 9.50% on current outstanding loans. Principal and interest are paid ratably through bi-weekly payroll deductions.
6. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
7. Forfeited Accounts. If a participant leaves the Company before becoming fully vested, the participant forfeits the portion of their account which is not vested. Forfeitures are used to reduce matching contributions. As of December 31, 2023 and 2022 forfeited non-vested accounts totaled \$0 and \$2,107, respectively.

Notes to Financial Statements, Continued

DECEMBER 31, 2023 and 2022

Notes: (b) Summary of Significant Accounting Policies:

1. Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.
2. Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.
3. Investment Valuation and Income Recognition. Investments are reported at fair value, except for the guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Notes: (b) Summary of Significant Accounting Policies, Continued:

5. Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024. The Plan had excess contributions of \$33,214 in 2023. The Plan had no excess contributions in 2022.
6. Payment of Benefits. Benefits are recorded when paid.
7. Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses for the year end December 31, 2023 and 2022 were \$92,175 and \$66,243, respectively.
8. Subsequent Events. The Plan has evaluated subsequent events through October 4, 2024, which is the date the financial statements were available to be issued.

(c) Fair Value Measurements:

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the frame work for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements, Continued

DECEMBER 31, 2023 and 2022

Notes: (c) Fair Value Measurements, Continued:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements, Continued

DECEMBER 31, 2023 and 2022

Notes: (c) Fair Value Measurements, Continued:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$22,887,852	\$ 0	\$ 0	\$22,887,852
Investments at fair value	\$22,887,852	\$ 0	\$ 0	\$22,887,852
	<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$18,020,068	\$ 0	\$ 0	\$18,020,068
Investments at fair value	\$18,020,068	\$ 0	\$ 0	\$18,020,068

(d) Guaranteed Investment Contract with Principal:

The Plan offers a benefit responsive guaranteed investment contract with Principal Life Insurance Company. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the insurance contract at December 31, 2023 and 2022 is \$4,727,389 and \$4,786,295, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3)

Notes to Financial Statements, Continued

Notes: (d) Guaranteed Investment Contract with Principal, Continued:

bankruptcy of the plan sponsor or other plan sponsor events that causes a significant withdrawal from the Plan, or (4) the failure of prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(e) Certified Investments:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation or depreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Life Insurance Company (the custodian of the Plan).

(f) Related Party Transactions and Party-In-Interest Transactions:

The Plan holds a guaranteed investment contract managed by Principal. Principal is also the investment custodian, as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions.

As described in Note (b), the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

SERVICE ELECTRIC CABLE T.V., INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements, Continued

DECEMBER 31, 2023 and 2022

Notes: (g) Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

(h) Tax Status:

The Internal Revenue Service has determined and informed the Plan by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrators and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(i) Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes: (j) Excess Contributions Payable:

As of December 31, 2023 and 2022, payables of \$33,214 and \$0, respectively, are recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

(k) SECURE Act 2.0:

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact on the 2023 financial statements.

(l) Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of Net appreciation per the financial statements to the Form 5500, Schedule H, Part II, Income and Expense Statement, Line 2b(1)(F), Interest: Other; Line 2b(7), Net investment gain (loss) from pooled separate accounts; and Line 2b(10), Net investment gain (loss) from registered investment companies.
