INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Wrist North America, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wrist North America, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Member of PKF International Limited,

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4i - Schedule of Assets Held at End of Year, as of December 31, 2023, and Schedule H, line 4a - Schedule of Delinquent Participant Contributions, for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Note 1 - Description of the Plan

The following description of the Wrist North America, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for more complete information.

General

The Plan is a defined contribution plan pursuant to Sections 401(a) and 401(k) of the Internal Revenue Code ("IRC"). The Plan was adopted effective January 1, 2010, with its latest amendment and restatement effective January 1, 2022, by Wrist North America, Inc. (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

All of the Company's employees who are not union or nonresident aliens are eligible to participate in the Plan. Employees are eligible after attaining 21 years of age. Employees can elect to contribute to the Plan immediately upon meeting the eligibility requirement. Employees must complete one year of eligibility service before they become eligible for the employer match contributions or non-elective contributions.

Plan custodians

Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Custodians") are the custodians of the Plan.

Contributions

Participants can contribute pre-tax and after-tax contributions to the Plan subject to certain limitations established by the IRC.

The Plan is a safe harbor 401(k) plan. In order to maintain safe harbor status, the Company matches 100% of participant contributions up to 3% of the participant's eligible compensation, plus 50% of deferrals up to the next 2% of eligible compensation. The safe harbor employer match contribution is computed based on each payroll period. The Company may also make a non-elective contribution to the Plan. There were no non-elective contributions made during 2023.

Participant accounts

Each participant's account is credited with the participant's contribution, employer contributions, an allocation of Plan earnings or losses, and administrative expenses. These allocations are based on the participant's eligible compensation, as defined, and account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account balance.

Investment options

Upon enrollment in the Plan, participants may direct their contributions into any of the investment options offered by the Plan. Participants can change their investment allocation among the various investment options either through direct transfer from one option to another or by changing the percentage allocation of future contributions.

Note 1 - Description of the Plan (Continued)

Vesting

Participants are immediately vested in their contributions, safe harbor employer match contributions, and the actual earnings thereon. Employer non-elective contributions vest based on a 6 year graded vesting schedule. Participants or their beneficiaries shall be immediately vested in their accounts upon death, retirement, or total and permanent disability.

<u>Year(s) of Service</u>	<u>Percent Vested</u>
0-1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more	100%

Notes receivable from participants

Participants may borrow up to the lesser of \$50,000, reduced by the highest outstanding note receivable balance in the participant's account during the prior 12-month period, or 50% of the vested balance of their accounts, without penalty, subject to IRC regulations. The minimum amount that a participant may borrow is \$1,000, with only one note outstanding at any time. Note terms are not to exceed five years, unless the note is used to acquire a principal residence, in which case, the Plan administrator may permit a longer repayment term. The notes are secured by the balance in the participant's account and bear a rate of interest equal to the prime interest rate plus one percent.

Participant withdrawals

Upon termination of services due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount or installment payments. If the value of the participant's account is less than \$1,000, the payment will be made in cash in a single lump-sum. If the participant's account balance is more than \$1,000 but less than \$5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant.

Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 10% or 20% of the requested distribution.

Forfeitures

The Plan provides that nonvested portions of Employer contributions that are forfeited by terminated participants may be applied, at the Company's discretion, to Plan expenses, reallocated to participants or used to reduce future Employer contributions. No forfeitures were used to reduce employer contributions for the year ended December 31, 2023. Total forfeitures available for use by the Plan were \$2,000 and \$1,037 as of December 31, 2023 and 2022, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract with is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Other income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon the terms of the plan document, upon liquidation of their account balance.

Participant withdrawals

Participant withdrawals are recorded upon distribution.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through September 13, 2024, the date the financial statements were available to be issued. See Note 11 for discussion of subsequent events.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three level of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar asset or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liabilities has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022:

- Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 12,304,921	\$ -	\$ -	\$ 12,304,921

Note 3 - Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,872,796	\$ -	\$ -	\$ 9,872,796
Investments at fair value	\$ 9,872,796	\$ -	\$ -	\$ 9,872,796

Note 4 - Investment with Insurance Company

The fixed income account holds a benefit-responsive investment contract (the "Contract") with Empower Annuity Insurance Company of America ("Empower"), formerly Great-West Life & Annuity Insurance Company. Empower maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent.

Because the Contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Contract value, as reported to the Plan by Empower, represents contributions made under the Contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct withdrawals or transfers of all or a portion of their investment at contract value.

Note 5 - Tax Status

The non-standardized pre-approved profit sharing plan with CODA adopted by the Company received its latest opinion letter, dated June 30, 2020, which the Internal Revenue Service ("IRS") stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, however, the Company believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held as of December 31, 2023 and 2022, and interest and dividends, interest on notes receivable from participants, and net appreciation in fair value of investments for the year ended December 31, 2023, was obtained by the Company and agreed to or derived from information certified as complete and accurate by the Custodians.

Note 7 - Related Party Transactions and Party In Interest Transactions

Certain Plan investments are managed by the Custodians and, therefore, qualify as party in interest transaction. In addition, the Plan provides for notes receivable from participants, which are party in interest transactions that are exempt from the prohibited transaction rules.

Note 8 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 13,763,723	\$ 11,176,002
Deemed distributed loans	<u>(98,212)</u>	<u>(62,955)</u>
Net assets available for benefits per Form 5500	<u>\$ 13,665,511</u>	<u>\$ 11,113,047</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per the financial statements	\$ 2,587,721
Change in deemed distributed loans	<u>(35,257)</u>
Net income per Form 5500	<u>\$ 2,552,464</u>

Note 9 - Plan Termination

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to participants' accounts will become 100% vested. The Company will direct the distribution of participants' accounts in a manner permitted by the Plan as soon as practicable.

Note 10 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11 - Subsequent Events

Effective April 1, 2024, the Plan changed the third party administrator from Economic Group Pension Services to NFP.
