#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Mid-West Presort Mailing Services, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-WEST PRESORT MAILING SERVICES, INC.  
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

**Note 1. Description of the Plan**

The following description of the Mid-West Presort Mailing Services, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who have one year of service and are age twenty-one or older, excluding leased employees. It was established on January 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participation in the Plan is voluntary. Participants may elect to defer up to \$22,500 and \$20,500 of their salary annually during the years 2023 and 2022, respectively, to be contributed to the Plan. In addition to this, participants who are age 50 or older as of December 31 are eligible to make additional "catch up" contributions of up to \$7,500 and \$6,500 in 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified plans. Effective July 1, 2021, the Plan was amended to allow after-tax (Roth) contributions. During 2023 and 2022, the Company made a matching contribution of 25% of each participant's contribution, not to exceed 4% of compensation.

Participant Accounts

Participants direct investment allocations into the various investment options offered by the Plan. These options include a variety of mutual funds including equity funds, bond funds, target maturity funds, specialty funds and cash equivalents. Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings, and is charged with an allocation for administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, in rollover contributions, and in the actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A participant is 100% vested in employer discretionary contributions after six years of credited service. All safe harbor contributions are fully vested at the time the contribution is made.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to 50% of their account balance, not to exceed \$50,000. These notes are secured by the balance in the participant's account and bear interest at a rate of between 4.25% and 9.50%, which is commensurate with local prevailing rates at the time the note was approved. Principal and interest payments are generally made on these loans through payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 1. Description of the Plan (Continued)**

Payment of Benefits

On termination of service due to death, disability or retirement, a participant immediately becomes 100% vested in their account balance. Participants may elect to receive either a lump-sum amount or an annuity contract for payment of benefits. For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or in installments. Account balances under \$5,000 must be paid in a single lump sum.

Operating Expenses

Certain operating expenses associated with maintaining the Plan are paid by the Company.

Forfeited Accounts

If, upon termination of employment, a participant is not 100% vested in his or her account balance, such non-vested portion will become forfeited. These forfeited accounts will be reallocated to participants in the same manner as employer contributions. At December 31, 2023 and 2022, there was \$0- and \$12,116, respectively, of forfeited non-vested accounts. There was \$12,534 of forfeitures reallocated to participants during 2023.

**Note 2. Summary of Significant Accounting Policies**

- A. Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- B. Use of Estimates – The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.
- C. Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan held no fully benefit-responsive investment contracts as of December 31, 2023 or 2022.

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 2. Summary of Significant Accounting Policies (Continued)**

- D. Notes Receivable from Participants – Notes receivable from participants are measured and reported at the unpaid principal balance plus accrued interest and are secured by the participant's vested account balance. Interest income is recorded on the accrual basis. The Plan has determined that no allowance for uncollectible notes receivable is required as of December 31, 2023 and 2022. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment.
- E. Excess Contributions Payable – Amounts payable to participants totaling \$985 as of December 31, 2023 for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS"), are recorded as a liability. The Plan distributed these excess contributions to the applicable participants prior to March 15, 2024.
- F. Payment of Benefits – Benefits are recorded when paid.
- G. Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Loan and other processing fees charged by the trustee are charged directly to the participant's account and included in administrative fees. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.
- H. Subsequent Events – Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

**Note 3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 3. Fair Value Measurements (Continued)**

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Cash equivalents consist of cash and short-term investment funds that maintain daily liquidity and have a constant unit value of \$1, and are classified as Level 1 instruments.
- Mutual funds are valued based on closing market prices in active markets for identical investments are classified as Level 1.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level the Plan's investments at fair value as of December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 4. Certified Information**

Ascensus Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of the investments reflected in the statements of net assets available for benefits at December 31, 2023 and 2022, the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended, the supplemental schedule of assets (held at end of year) for the year ended December 31, 2023, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

**Note 5. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 6. Tax Status**

The IRS has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**Note 8. Related Party and Party in Interest Transactions**

The Company provides the Plan with certain accounting, recordkeeping and administrative services for which it receives no compensation. Notes receivable from participants included a note receivable from a shareholder of the Company, totaling \$6,575 and \$26,227 as of December 31, 2023 and 2022, respectively.

Merrill Lynch provides certain administrative services to the Plan. Merrill Lynch receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed for its administrative services to the Plan. If the revenue received by Merrill Lynch from such mutual fund service providers exceeds the amount owed by the Plan, it remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Company may make a payment for administrative expenses not covered by revenue sharing.

**Note 9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
