**Colorado Springs Orthopaedic Group Profit-Sharing Plan**

Colorado Springs, Colorado

### Opinion

We have audited the accompanying financial statements of Colorado Springs Orthopaedic Group Profit-Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter

As discussed in Note 6, during the year ended December 31, 2019 (and prior years), certain participant contributions were not remitted to the Plan in a timely manner. Additionally, the Plan has received notifications from the Department of Labor stating that certain required filings were noncompliant. The plan administrator believes the noncompliant filings for the year ended December 31, 2020 and prior years have been remedied, and the plan sponsor has paid the related penalties. The penalties were not paid with plan assets.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Report on Supplementary Information Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

### **DECEMBER 31, 2023 AND 2022**

---

#### **1. PLAN DESCRIPTION**

The following description of the Colorado Springs Orthopaedic Group Profit-Sharing Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

##### General

The Plan, which became effective on September 1, 1994, is a defined contribution plan covering all eligible employees of Colorado Springs Orthopaedic Group ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

##### Eligibility

Participants include eligible employees who have attained the age of 18.

##### Contributions

Deferral contributions cannot exceed 100% of compensation or certain limits as set forth by the Internal Revenue Code ("IRC") (\$22,500 and \$20,500 in 2023 and 2022, respectively; \$30,000 and \$27,000 for employees age 50 or older in 2023 and 2022, respectively). The Internal Revenue Service ("IRS") adjusts this limitation each year for cost-of-living increases. Participants may change their contributions throughout the year and may cease making contributions at any time. Rollover contributions are accepted, as permitted by the Plan.

The Company makes a safe harbor contribution totaling 3% of participant compensation for all eligible participants. The Company may elect to make matching contributions up to a discretionary percentage determined by the Company. The Company may also make discretionary profit-sharing contributions to eligible participants as defined in the plan document. Contributions from Plan participants, safe harbor contributions, and discretionary profit-sharing contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

##### Participant accounts

Each participant's account is increased by the participant's contributions and their share of the Company's contributions and plan earnings, and is decreased by the participant's distributions and their share of plan losses and expenses, as defined in the plan document.

## **NOTES TO FINANCIAL STATEMENTS**

### **DECEMBER 31, 2023 AND 2022**

---

#### Vesting

Participants are vested immediately in their contributions and all Company contributions plus related earnings.

#### Notes receivable from participants

Participants may borrow from their accounts in amounts ranging from \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. The term of each loan is a maximum of five years unless the loan is for the purchase of a primary residence. The Plan allows for a maximum of two loans per participant. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the provisions of the plan document.

#### Payment of benefits

On termination of service due to death, disability or retirement, participants may request that the vested portion of their account be paid in a lump-sum, partial withdrawal or installment payments. If the value of the vested portion of a participant's individual account is less than \$5,000 upon termination, the amount will be rolled to another qualified plan or an involuntary cash out distribution will be made.

#### Forfeitures

The Plan requires that forfeitures be used to reduce employer contributions or offset administrative expenses. Forfeitures applied to reduce employer contributions totaled \$12,130 for the year ended December 31, 2023. There were no forfeitures applied for the year ended December 31, 2022. Forfeiture balances totaled \$1,356 and \$4,065 as of December 31, 2023 and 2022, respectively.

#### Plan termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will remain 100% vested in the Company's contributions.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

See independent auditor's report.

# **COLORADO SPRINGS ORTHOPAEDIC GROUP PROFIT-SHARING PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **DECEMBER 31, 2023 AND 2022**

---

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Investment valuation

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

#### Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Benefits

Benefits are recorded when paid.

#### Plan administrative fees

Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from the accompanying financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

#### Tax status

The Plan, which is a volume submitter plan, obtained its latest opinion letter on June 30, 2020, stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the plan administrator and tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan and has concluded that, as of December 31, 2023, there

are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

#### Subsequent events

Management evaluated subsequent events through the date of the attached independent auditor's report, the date on which these financial statements were available to be issued.

### **3. FAIR VALUE MEASUREMENTS**

With the exception of self-directed accounts invested in partnerships and joint ventures, the Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used between December 31, 2023 and 2022.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The categorization is based on the lowest level of input that is significant to the fair value measurement. This hierarchy consists of three levels:

Level 1 - Quoted prices in active markets for identical assets or liabilities

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies used for assets measured at fair value are as follows:

Money market funds - Valued at the closing price reported on the active market on which the individual securities are traded

See independent auditor's report.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are actively traded

Self-directed brokerage accounts - Valued at the closing price recorded on the active market on which the individually-owned securities are traded

Other assets not reported at fair value are measured as follows:

Self-directed accounts - partnerships and joint ventures - Valued at the membership interest K-1 balance (the underlying capital account balance for income tax reporting). Significant investment strategies vary and are established by each partnership or joint venture.

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31, 2023:

#### **4. PARTY-IN-INTEREST BALANCES AND TRANSACTIONS**

The Company and several participants, as a result of being trustees or administrators of the Plan, are deemed to be parties in interest. The custodian, third-party administrator, and plan auditors are also parties in interest. See Note 6 regarding prohibited transactions.

#### **5. RISKS AND UNCERTAINTIES**

Investments in general are exposed to risks including interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

The notes receivable from participants are secured by the participants' account balances and the plan administrator considers risk to be minimal since the loans are fully collateralized.

On January 27, 2022, the Department of Labor opened an investigation of the Plan for the period from January 1, 2018 through the date of their letter regarding whether it complied with the requirements of ERISA. The plan administrator provided requested documents to the Department of Labor. On September 6, 2023, the Plan was notified by the Department of Labor that, after making the corrective action discussed in Note 6, they had closed their investigation and were taking no further action.

**6. PROHIBITED TRANSACTIONS**

During the year ended December 31, 2019 and prior years, certain participant contributions were not remitted to the Plan in a timely manner and, accordingly, these may be considered prohibited transactions under ERISA. Most of these late remittances related to participants holding self-directed accounts in which the participants themselves had significant control over the timeliness of the remittances. Subsequent to December 31, 2019, such participants signed waivers for related lost earnings as long as they remain an eligible participant or maintain an account with the Plan. Accordingly, no provision for other employer contributions to compensate for lost earnings on late remittances and no schedule of delinquent participant contributions have been included in the accompanying financial statements for these participants.

During the year ended December 31, 2023, lost earnings were contributed on late remittances as shown in the supplementary schedule of delinquent participant contributions and the Company paid \$1,924 in excise taxes.
