(1) Name: **MCCONNELL & JONES, LLP**

(2) EIN: **76-0488832**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		15000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
TechnipFMC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the TechnipFMC Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the financial statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the

Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the transactions of the Plan that are presented and disclosed in the financial statements are in conformity with the provisions of the Plan, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Plan. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

McConnell Jones

- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

TECHNIPFMC RETIREMENT SAVINGS PLAN

Notes to Financial Statements
For the years ended December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the TechnipFMC Retirement Savings Plan (the “Plan”) provides general information. Refer to the Plan agreement, as amended, for a complete description of the Plan’s provisions.

(a) General

The Plan is a qualified salary-reduction plan under Section 401(k) of the Internal Revenue Code of 1986, as amended (the “Code”), and is available to all eligible U.S. employees of TechnipFMC plc (“TechnipFMC” or the “Company”) who meet certain eligibility requirements under the Plan. Such employees are eligible to participate in the Plan immediately upon commencement of their employment with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan is administered by the FMC Technologies, Inc. Employee Benefits Committee (“EBC”), acting on behalf of the Company as the Plan administrator.

(b) Contributions

The Plan allows participants to contribute a percentage of their compensation to the Plan. Participants may elect to contribute up to 75% of their total eligible compensation on a pre-tax, Roth or an after-tax basis. Pre-tax and Roth contributions were subject to the limitation of \$22,500 and \$20,500 for 2023 and 2022, respectively, under the Code. In addition, active employees who attain age 50 or older during the year are also eligible to make catch-up contributions to the prescribed limit under the Code. The limitation on the catch-up contribution was \$7,500 for 2023 and \$6,500 for 2022.

The Company makes matching contributions (“Company Safe Harbor Matching Contributions”) for all active participants. The Company matches 100% of each participant’s contribution, up to the first 5% of eligible compensation. The nonelective contribution percentage is determined annually by the Company. The Company made nonelective contributions of 2% for all eligible participants during the years ended December 31, 2023 and 2022.

Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover contributions).

At December 31, 2023 and 2022, a total of 7,196 and 7,413 current and former employees participated in the Plan, respectively.

The Company is currently investigating certain payroll practices and/or systems that may have resulted in inaccurate contributions to 401(k) plan participants’ accounts in the Surface and Subsea business units impacting an estimated 370 participant accounts. Although management lacks comprehensive information to definitively state the cause(s) or the impact of these errors, preliminary assessments identified two potential issues. First, incorrect characterization of various pay elements for a discrete population of employees in the surface business unit may have yielded incorrect amounts being deferred and/or contributed to their 401(k) accounts. Second, the company’s payroll system may have incorrectly characterized certain pay elements for a discrete population of employees in the subsea business unit, which may have yielded incorrect amounts being deferred and/or contributed to their 401(k) accounts. The Company prepared an estimate of the potential impact to the Plan’s financial statements. Per this preliminary assessment, management does not believe there is any significant impact on the Plan’s financial statements.

(c) Trust and Recordkeeping

The Company and Fidelity Management Trust Company (the “Trustee”) established a trust for investment purposes as part of the Plan. The Trustee is also the Plan’s recordkeeper.

(d) *Investment Options*

Participants have the option of investing their contributions and the Company's matching and nonelective contributions among one or all of the available investment options offered by the Plan. Generally, participants may transfer some or all of the balances out of any fund into one or any combination of the other funds at any time. A self-directed brokerage account option is also available to allow participants to select investment options not specifically offered by the Plan.

(e) *Vesting*

Participants are immediately vested in their elective contributions and Company Safe Harbor Matching Contributions, plus actual earnings thereon. Eligible participants become vested in any balance of their Company nonelective contributions upon three years of service (or age 55 if active, if earlier).

(f) *Payment of Benefits and Forfeitures*

Upon termination of service, death, disability or attainment of age 59½, a participant may elect to immediately receive a lump sum distribution equal to the vested interest of his or her account. Participants may, upon termination, elect to defer their lump sum distribution or receive annual installments. If a participant is not fully vested in the Company's nonelective contributions to his or her account on the date of termination of employment, the nonvested portion is forfeited. Forfeitures are used to pay certain administrative expenses of the Plan and to reduce Company contributions to the Plan. During 2023 and 2022, forfeitures of \$5.2 million and \$0.1 million, respectively, were used to pay certain administrative expenses of the Plan and to reduce Company contributions. The forfeited balances held in the Plan as of December 31, 2023 and 2022, were \$32.2 thousand and \$4.7 million, respectively.

(g) *Administrative Expenses*

Certain Plan administrative expenses are paid by the Trustee out of the assets of the Plan and constitute a charge upon the respective investment funds or upon the individual participants' accounts while fees associated with self-directed brokerage accounts are paid by the participants. These investment-related expenses are included in net appreciation in fair value of investments. Certain other Plan expenses may be paid by the Plan from the forfeitures balance. Administrative expenses paid by the Company are not billed to the Plan.

(h) *Withdrawals and Loans*

Subject to income taxation and the Internal Revenue Service ("IRS") penalties, the Plan allows participants to make in-service and hardship cash withdrawal of some or all of their vested account balances (including the balances of self-directed brokerage accounts). Eligible participants may also receive money from the Plan in the form of loans. The minimum that may be borrowed is \$1,000. The maximum that may be borrowed is the lesser of \$50,000, minus the highest outstanding loan balance during the one-year period ending on the day before the loan is made, or 50% of the participant's vested account balance. Loans, which are secured by the participant's vested account balance, in general must be repaid over a time period not to exceed 60 months with exception if the participant uses the loan to purchase a primary residence. Loans bear interest at a reasonable rate as determined by the EBC. A participant may have no more than two loans outstanding at any one time.

(i) *Plan Termination*

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan ("full termination") subject to the provisions of the Plan and ERISA but has not expressed any intent to do so. In the event of full termination or termination with respect to a group or class of participants ("partial termination"), the unvested portion of Company contributions for participants subject to such full termination or partial termination will become fully vested.

(j) *Participant Accounts*

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's contributions and allocations of Plan earnings or losses and certain administrative expenses. Allocations are based on participant earnings or account balances.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(a) *Basis of Accounting*

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

(b) *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

(c) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains and losses on investments bought and sold during the year, and the unrealized gains and losses on investments held during the year. Expenses associated with the Plan's investment portfolio are included in net appreciation (depreciation) in fair value of investments. Dividends are recorded on the record date. Interest income is recorded on the accrual basis.

(d) *Notes Receivable from Participants*

Notes receivable from participants represents the unpaid principal balance plus any accrued but unpaid interest of participant loans. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit distribution is recorded.

(e) *Payment of Benefits*

Benefit distributions to participants are recorded when paid.

(f) *Employer Contributions*

Employer contributions are recorded when received and when contractually obligated by service performance of the employee.

NOTE 3. PARTY-IN-INTEREST TRANSACTIONS

The Trustee provides certain accounting and administrative services to the Plan for which approximately \$0.7 million and \$1.0 million of expenses were charged to the Plan for the years ended December 31, 2023 and 2022, respectively. Certain Plan investments, amounting to \$554.9 million and \$486.8 million at December 31, 2023 and 2022, respectively, are units of funds managed by the Trustee.

Certain employees and officers of the Company, who may also participate in the Plan, perform administrative services at no cost to the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurement", (FASB ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives

the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2: Observable inputs other than quoted prices included in Level 1. For example, quoted prices for similar assets or liabilities in active markets or quoted prices for identical assets or liabilities in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the assumptions market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques applied maximized the use of observable inputs and minimized the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies: Valued at quoted market prices, which represent the net asset value of the securities held in such funds at year-end.

The money market fund category included in registered investment companies comprises one fund: Fidelity Investments Money Market Government Portfolio Institutional Class. This fund is valued at net asset value, which approximates fair value. This portfolio represents a mutual fund with an investment objective to seek a high level of current income with the preservation of principal and liquidity. The fund normally invests at least 80% of assets in U.S. government securities and repurchase agreements for those securities.

Self-directed brokerage accounts: Valued at the closing price reported on the active market on which the individual securities comprising the brokerage accounts are traded.

Target date funds: Valued at the quoted market price of underlying investments held by the funds at year-end. The funds are custom strategy investment options comprising investments in the underlying core investment options of the Plan.

Stable value fund: Valued at the net asset value of the shares held by the Plan at year-end, which is based on the fair value of the underlying investments using information reported by the investment advisor at year-end. This category is comprised of one fund: Managed Income Portfolio II Class 2. The Portfolio seeks to preserve principal while earning interest income and to maintain a stable net asset value of \$1 per share. The Portfolio is a commingled pool managed by Fidelity Management Trust Company. The Portfolio invests in short-term bonds and other fixed income securities such as U.S. treasury bonds, government agency securities, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and derivative instruments, including futures, options, and swaps. There are currently no redemption restrictions on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date. There have been no changes in the methodologies used at December 31, 2023, and 2022.

Assets measured at fair value were as follows:

(1) These investments that are measured at fair value using net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

As permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA, information related to investments as of December 31, 2023 and 2022, and related investment income for the years then ended were certified by the Plan's Trustee to be complete and accurate.

NOTE 5. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6. INCOME TAXES

Effective January 1, 2022 the Plan adopted a nonstandardized prototype defined contribution profit sharing plan with Internal Revenue Code (IRC) Section 401(k) Cash or Deferred Arrangement (CODA) which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. The Plan has been amended since receiving the determination letter. However, Plan management and its legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires the management of the Plan administrator to evaluate uncertain tax positions taken by the Plan and to recognize a tax liability (or asset) when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there were no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress related to the Plan.

NOTE 7. SUBSEQUENT EVENTS

Plan management evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued for potential recognition or disclosure in the financial statements.
