Independent Auditor's Report

Plan Administrative Committee
HASCO 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HASCO 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Transfers of Assets

As discussed in Note 8 to the financial statements, during the year ended December 31, 2023, the Plan Committee and Earthway Products, LLC, a participating employer, decided to spin out the assets of Earthway Products, LLC employees into the KFG Financial Freedom Fund. All plan assets were transferred to the KFG Financial Freedom Fund on October 16, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at year-end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HASCO 401(k) Plan & Trust

Notes to Financial Statements

Note 1. Plan Description

The following description of HASCO 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution multiple employer plan which has been adopted by Smoker Craft, Inc., Smock, Inc. and Earthway Products, Inc. (collectively, the Employers or the Company). The Plan covers substantially all employees of the Employers who are age 18 or older, have completed at least three months of service as defined by the Plan, and are not covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute a percentage of pre-tax annual compensation as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct these contributions into various investment options offered by the Plan. The Employers may, at their discretion, make matching contributions to the Plan, as well as an additional discretionary contribution. For the year ended December 31, 2023, the Employers contributed a discretionary match of participant contributions equal to 1/3% of participant gross earnings, as defined in the Plan for each percent of employee deferrals up to 6%. The employers did not make any additional discretionary contributions to the Plan. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of: (a) the Employers' contributions, if any, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employers' matching and discretionary contribution portion of their accounts plus actual earnings thereon, if any, is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The notes are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the trustee. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Agreement.

Payment of benefits: On termination of service due to death, disability, retirement or for other reasons, participants may elect to receive either a single lump-sum payment in an amount equal to the value of the participant's vested account or in the form of installment payments as defined by the Plan Agreement. Benefit payments are recorded when paid.

Administration of plan assets: Certain administrative functions are performed by officers or employees of the Employers. No such officer or employee receives compensation from the Plan.

HASCO 401(k) Plan & Trust

Notes to Financial Statements

Note 1. Plan Description (Continued)

Forfeitures: Forfeitures of nonvested Company contributions are used either to reduce plan expenses or to reduce future Company contributions. During the year ended December 31, 2023, approximately \$196,000 forfeited participant accounts were used for plan expenses and Company contributions. At December 31, 2023 and 2022, approximately \$56,000 and \$93,000, respectively, of forfeitures were available for future use.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment contracts: Investment contracts held by a defined-contribution plan are required to be reported at fair value. The plan invests in investment contracts indirectly through a common collective trust fund.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Fair value measurements: Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

HASCO 401(k) Plan & Trust

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022. Following is a description of the valuation methodologies used for assets measured at fair value.

Shares of registered investment companies and common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Common/collective trust fund: The Plan's interest in the Fidelity Managed Income Portfolio Fund is valued at net asset value (NAV) (as a practical expedient) based on information reported by the investment advisor using the audited financial statements of the Fidelity Managed Income Portfolio Fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

Subsequent events: The Company has evaluated subsequent events for potential recognition and/or disclosure through October 14, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified By Fidelity Management Trust Company (Fidelity)

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Fidelity, a qualified institution.

The following table presents the values of the Plan's investments are certified by Fidelity at December 31, 2023 and 2022:

	2023	2022
Common collective trust fund, at NAV	\$ 3,270,294	\$ 3,409,915

Note 3. Information Certified By Fidelity Management Trust Company (Fidelity) (Continued)

Fidelity certified to the completeness and accuracy of \$5,364,855 of net appreciation in the value of investments, \$767,040 of interest and dividend income related to the aforementioned plan assets, and \$13,072 of interest related to notes receivable from participants for the year ended December 31, 2023.

Fidelity also certified to the completeness and accuracy of \$227,356 and \$168,495 in notes receivable from participants as of December 31, 2023 and 2022, respectively.

Note 4. Fair Value Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Description	2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 29,738,422	\$ -	\$ -	\$ 29,738,422
Common stock	188,644	-	-	188,644
Investments in fair value hierarchy	<u>\$ 29,927,066</u>	<u>\$ -</u>	<u>\$ -</u>	<u>29,927,066</u>
Investments at NAV				3,270,294
Total investments, at fair value				<u>\$ 33,197,360</u>

Description	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 25,053,013	\$ -	\$ -	\$ 25,053,013
Common stock	180,137	-	-	180,137
Investments in fair value hierarchy	<u>\$ 25,233,150</u>	<u>\$ -</u>	<u>\$ -</u>	<u>25,233,150</u>
Investments at NAV				3,409,915
Total investments, at fair value				<u>\$ 28,643,065</u>

For investments in certain entities that calculate the NAV per share as the investment's fair value measurement, the following table provides an overview, by major classification, of the nature and risks associated with such investments as well as whether it's probable those investments being sold at amounts different from their reported NAV per share based on redemption restrictions, if any.

Investment	Fair Value December 31		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Common collective trust fund	<u>\$ 3,270,294</u>	<u>\$ 3,409,915</u>	None	Daily	12 months

We evaluated the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no transfers in or out of Level 3.

HASCO 401(k) Plan & Trust

Notes to Financial Statements

Note 5. Plan Termination

Although they have not expressed any intent to do so, the Employers have the right to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 6. Income Tax Status and Uncertain Tax Position

Effective October 1, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity Management Trust Company. The prototype has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for periods prior to 2020.

Note 7. Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by Fidelity. During the year ended December 31, 2023, approximately \$39,000 of fees were paid to Fidelity by the Plan. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 8. Transfers of Assets to KFG Financial Freedom Fund

On August 22, 2023, the controlling ownership of Earthway Products, Inc. sold 53.8% of the issued and outstanding stock to a holding corporation. At this time, Earthway Products, Inc. underwent an Internal Revenue Code Section 368(a)(1)(F) reorganization and Earthway Products, LLC was formed. As a result of this transaction, Earthway Products, LLC and Plan management amended the Plan to no longer allow the participation of Earthway Products, LLC employees.

Effective October 16, 2023 the Plan spun-off the assets of the employees of Earthway Products, LLC into a separate plan, KFG Financial Freedom Fund, a multiple-employer plan, that Earthway Products, LLC joined as a participating employer. As a result of the spin-out, legal title and responsibility of net assets of \$1,424,010 were transferred to the KFG Financial Freedom Fund on October 16, 2023. Accordingly, the statement of changes in net assets available for benefits for the year ended December 31, 2023, reflects a transfer to the KFG Financial Freedom Fund.

Note 9. Delinquent Contributions

During the years ended December 31, 2023 and 2022, the Employers, inadvertently failed to deposit \$39,493 and \$216,267, respectively, of participant contributions within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Employers intend to reimburse the Plan for lost earnings. Additionally, the Employers intend to complete the Form 5330 and pay the applicable excise tax, which will be paid from Plan sponsor assets and not assets of the Plan.
