## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Bellevue Healthcare 401(k) Plan  
Redmond, Washington

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bellevue Healthcare 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bellevue Healthcare 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bellevue Healthcare 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bellevue Healthcare 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bellevue Healthcare 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## BELLEVUE HEALTHCARE 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

### 1. Plan Description

The following description of Bellevue Healthcare 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective July 1, 2021.

#### General

The Plan is a defined contribution plan for all employees of Bellevue Healthcare II Inc. and its controlled entity, Bath Plus Inc. (collectively, the Employer). The Plan was established January 1, 2016 under the provisions of the Internal Revenue Code (IRC) Section 401(k). After a Plan amendment effective January 1, 2022, the Plan covers all employees who are at least 18 years old and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute a portion of their compensation up to the limits provided by the IRC. Participants may elect their deferrals to be treated as pre-tax or after-tax (Roth). Individuals who attain age 50 by the end of the Plan year are eligible to make additional "catch-up" contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. All participant contributions shall be fully vested at all times.

The Employer makes a discretionary matching contribution of 100 percent of participant deferrals, up to the first 4 percent of eligible base compensation. Beginning in January 1, 2022, participants were no longer required to be employed on the last day of the year to receive employer matching contributions. The Employer may also make a discretionary profit-sharing contribution in addition to the Employer match each year. There were no discretionary profit-sharing contributions for the years ended December 31, 2023 and 2022.

Participants direct the investment of their contributions into various investment options offered by the Plan.

#### Participant Accounts

The account of each participant is credited with the participant's contribution and allocation of (a) the Employer's matching contribution and (b) Plan earnings. Each participant's account is charged with any fees or expenses related to individual investment options and fees associated with loan processing. Allocations of Plan earnings (losses) are based on individual participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**1. Plan Description, continued**

**Vesting**

Participants are always fully vested in their deferred salary contributions plus actual earnings thereon. Employer contributions and earnings thereon are subject to a six-year vesting schedule as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

**Payments of Benefits**

Upon retirement, disability, death, or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. A participant who reaches normal retirement age, as defined in the Plan document, may take in-service distributions of all or part of their account balance at any time. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum payment.

**Hardships**

If a participant has an immediate and heavy financial need, hardship withdrawals are allowed under the Plan in an amount not to exceed the lesser of the participant's balance of vested balance, excluding earnings, or the participant's immediate and severe financial need.

**Forfeited Nonvested Accounts**

The Employer may elect to use all or a portion of forfeitures to pay Plan expenses or reduce Employer contributions. Amounts forfeited for the years ended December 31, 2023 and 2022 were \$24,150 and \$14,991, respectively. For the years ended December 31, 2023 and 2022, \$7,992 and \$14,991, respectively, were used to reduce Plan expenses. Available forfeited accounts totaled \$35,883 and \$17,804 at December 31, 2023 and 2022.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The Plan allows for three outstanding loans for each participant at any one time. The loans are secured by the balance in the participant's account and bear a reasonable interest at a rate, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Loan terms range up to five years, unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a reasonable period of time determined by the Plan Administrator. Principal and interest on participant loans are paid ratably through bi-weekly payroll deductions.

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**1. Plan Description**, continued

**Administration of the Plan**

The Employer is the Plan Administrator and Plan Sponsor. Mid Atlantic Trust Company served as the Plan's custodian as of and for the years ended December 31, 2023 and 2022.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses and Fees**

Certain administrative expenses of the Plan are paid from Plan assets or from the balance of available forfeitures. Certain other administrative expenses may also be paid by the Employer; such expenses are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments. Fees for the administration of notes receivable and distributions from participants are included in administrative expenses and charged directly to the participant's account.

**Payment of Benefits**

Benefits are recorded in the financial statements when paid.

**Contributions**

Contributions from Plan participants and the matching and profit sharing contributions made by the Employer are recorded in the year in which the employee contributions are withheld from compensation.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**2. Summary of Significant Accounting Policies**, continued

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Recent Accounting Standard Adopted**

On January 1, 2023, the Plan adopted Accounting Standards Update (ASU) 2016-13 Financial Instruments – Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments, and all related amendments* (ASC 326), which replaced the incurred loss methodology for recognizing credit losses with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. CECL requires an estimate of lifetime expected credit losses to be recognized for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts, and for the financial assets to be presented at the net amount expected to be collected on the statements of net assets available for benefits. At December 31, 2023, there were contributions receivable of \$17,765 for participants and \$12,905 for the employer.

The Plan adopted ASC 326 effective January 1, 2023. There was no impact to the financial statements as a result of adopting this standard.

**3. Tax Status**

The Plan has adopted a prototype non-standardized profit sharing plan with CODA. CCH Incorporated dba FTWilliam.com, the sponsor of the prototype plan, has received an opinion letter dated June 30, 2020, stating that the Plan was designed in accordance with applicable requirements of the Internal Revenue Code (IRC).

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**4. Party-in-Interest Transactions**

The Plan has investments which are shares of registered investment companies managed by Mid Atlantic Trust Company, the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**5. Plan Termination**

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their accounts.

**6. Information Certified by the Plan Custodian**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Mid Atlantic Trust Company, the custodian of the Plan, has certified the following data included in the accompany financial statements and supplemental schedule is complete and accurate as of and for the year ended December 31:

	2023	2022
Investments, at fair value:		
Registered investment companies	\$ 4,936,708	\$ 3,815,813
Interest-bearing cash	103,120	89,297
Investment income:		
Net change in fair value of investments	728,057	(852,902)
Dividends and interest	96,199	72,798

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**8. Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**8. Fair Value Measurements**, continued

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

*Interest-bearing cash:* Cash equivalent funds held by the Plan are valued at the contract value of the cash instrument. Because these inputs are not observable, these assets are considered to be valued at Level 2 in the hierarchy.

BELLEVUE HEALTHCARE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**8. Fair Value Measurements**, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Registered investment companies	\$ 4,936,708	\$ 103,120	\$ -	\$ 5,039,828
	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Registered investment companies	\$ 3,815,813	\$ 89,297	\$ -	\$ 3,905,110

**9. Nonexempt Transactions**

During the years ended December 31, 2023 and 2022, participant contributions totaling \$107,281 and \$16,902 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is taking the appropriate steps to correct the situation in 2024 by reimbursing employees for lost earnings and interest.

**10. Subsequent Events**

Management evaluates events and transactions that occur after the statements of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

Effective January 1, 2024, the Plan has changed custodians from Mid-Atlantic Trust Company to the Standard Insurance Company.
