## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Associated Grocers 401(k) Savings Plan Trust Account

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Associated Grocers 401(k) Savings Plan Trust Account (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### *2023 Supplemental Schedules Required by ERISA*

The supplemental schedules of assets (held at end of year) and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. ## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **1. Description of Plan**

The following description of Associated Grocers 401(k) Savings Plan Trust Account (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a multiple-employer defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is made available to employees of Associated Grocers of New England, Inc. (AGNE), its subsidiaries, and cooperative members of AGNE who have adopted the Plan. Employees may participate in the Plan upon achievement of certain eligibility requirements as elected by each adopting employer. Each adopting employer may modify the provisions of the Plan for its own employees.

The Plan has four major components: an employee salary deferral component under Section 401(k) of the Internal Revenue Code (IRC), a safe harbor contribution, a discretionary employer matching contribution, and a discretionary employer profit sharing contribution. The employers may also elect to have an automatic enrollment feature which provides for automatic employee salary deferrals with a default deferral rate as outlined in employer adoption agreements, unless opted out by the employee. Automatic enrollment contributions are invested in a designated fund based on estimated retirement age, until changed by the participant.

The investment committee oversees governance of the Plan, including review of investment performance.

#### **Contributions**

Contributions to the Plan are made by the participating employees through salary reductions. Each year, participants may contribute up to the maximum allowed by the IRC by a combination of pre-tax contributions and after-tax Roth contributions. Participants may make rollover contributions from other qualified benefit or contribution plans. Participants who are at least 50 years of age may make an additional catch-up contribution subject to IRC limitations.

Each adopting employer, at its discretion, may make a matching contribution based on their own matching formula, a safe harbor match, and/or an additional profit sharing contribution.

#### **Participant Accounts**

Individual accounts are maintained for each participant and are credited with the participant's and employer's contributions and an allocation of investment income. A participant's account shall be reduced by any distributions, investment losses, and certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

# **ASSOCIATED GROCERS 401(K) SAVINGS PLAN TRUST ACCOUNT**

## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **Vesting**

Participants are immediately vested in their contributions, rollover contributions, and safe harbor matching contributions, if any, plus actual earnings thereon. Vesting in the adopting employer's contribution portion of their accounts, plus actual earnings thereon is based on years of service, as elected by each adopting employer. Participants will be 100% vested in the employer contributions upon retirement, death, or disability.

Each adopting employer's contributions are subject to the following vesting options as elected by the adopting employer. Vesting options may be on a three-year, five-year, or six-year graded schedule, or 100%.

### **Investment Options**

The Plan's investment options are administered by Empower Retirement LLC (Empower). The Plan currently offers mutual funds, variable annuities and a fully benefit-responsive investment contract.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms generally range from one to five years with a term of up to ten years for the purchase of a principal residence. The loans are secured by the balance in the participant's account.

### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments for required minimum distributions. In-service distributions may be made to a participant who has not separated from service, provided that the participant has attained the age of 59½. Distributions can only be taken from vested amounts.

In addition, participants may withdraw their vested account balances upon demonstration to the plan administrator that they are suffering a hardship, as defined by the IRC.

### **Forfeitures**

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$18,340 and \$76,600, respectively. These accounts may be used to pay administrative expenses, reduce the employer contributions, or may be allocated to active participant accounts. During the year ended December 31, 2023, approximately \$36,265 was used from forfeited nonvested accounts to reduce Plan expenses and \$43,003 was used to reduce employer contributions.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

#### Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities, at the date of the financial statements. Actual results could differ from those estimates.

#### Investments

The investments of the Plan, with the exception of the fully benefit-responsive guaranteed investment contract, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of the fair value measurement.

The Plan's fully benefit-responsive guaranteed investment contract is valued at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value equals the accumulated cash contributions and interest credited, less withdrawals and expenses, to the Plan's contract. See Note 4 for discussion of the guaranteed investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the notes receivable from participant to be in default, the notes receivable from participant balance is reduced and a benefit payment is recorded.

#### Payment of Benefits

Benefit payments to participants are recorded when paid.

## Notes to Financial Statements

December 31, 2023 and 2022

### **Expenses**

AGNE and the employers absorb certain administrative costs of the Plan. However, there are some charges, such as costs associated with early withdrawal and loans, which are deducted from each participant's account and are recorded as administrative expenses by the Plan. Investment management fees are included in net appreciation in fair value of investments.

Included in administrative expenses is an asset charge applicable to all Plan assets that is charged by the recordkeeper based on the Administrative Services Agreement.

### **Subsequent Events**

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

### **3. Fair Value Measurement**

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# ASSOCIATED GROCERS 401(K) SAVINGS PLAN TRUST ACCOUNT

## Notes to Financial Statements

December 31, 2023 and 2022

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

*Variable Annuities:* The fair value of participation units held in variable annuities is based on the net asset values reported by the fund managers for the underlying mutual funds as of the financial statement dates and recent transaction prices (Level 2 inputs). Each of the accounts invests in a mutual fund which is generally identified in the name of the account, utilizing the strategies consistent with the mutual funds identified. These investment accounts provide for daily redemptions with no advance notice requirements and have redemption prices that are determined by the investment's net asset value per unit.

*Mutual Funds:* Valued using market quotations.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

|                    | <u>Level 1</u>      | <u>Level 2</u>      | <u>Level 3</u> | <u>Total</u>        |

## Notes to Financial Statements

December 31, 2023 and 2022

### 4. Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract with Empower, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$13,552,311 and \$13,277,217, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable. The interest rates are set each December and take effect the following January 1st. The guaranteed rate for contributions deposited during 2023 and 2022 was 3.00%.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### 5. Information Prepared and Certified by the Trustee

All Plan asset information disclosed in the accompanying financial statements and supplementary schedule, including investments and notes receivable from participants at December 31, 2023 and 2022, and the net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee of the Plan. This information is included in the following:

- Statements of Net Assets Available for Benefits
- Statement of Changes in Net Assets Available for Benefits
- Schedule H, line 4i – Schedule of Assets (Held at End of Year)

# ASSOCIATED GROCERS 401(K) SAVINGS PLAN TRUST ACCOUNT

## Notes to Financial Statements

December 31, 2023 and 2022

### 6. Parties-in-Interest

Certain plan investments are managed by the Plan's trustee. Certain distributions made by the trustee are in the form of loans to the Plan's participants. The Plan incurred certain administrative, recordkeeping, distribution and processing fees which were paid to the trustee and amounted to \$273,811 for the year ended December 31, 2023. These transactions are considered to be party-in-interest transactions.

The Plan has a retirement consulting service agreement with Gallagher Benefit Services, Inc. (GBS) which engages the firm to act as a 3(38) Fiduciary Advisor. This allows GBS to determine when it is necessary to replace funds used by the Plan, select the new funds, and notify Plan sponsors and participants of such changes. The Plan's payment of fees, totaling \$70,633 for the plan year ended December 31, 2023, to GBS qualify as party-in-interest transactions.

### 7. Plan Termination

Although it has not expressed any intent to do so, AGNE and the employers have the right to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will become fully vested in their employer contributions.

### 8. Tax Status

The Plan adopted a defined contribution volume submitter pre-approved profit sharing plan which received a favorable opinion letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. As a qualified plan, the Plan is exempt from federal and state income taxes.

### 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
