Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **PAGLIUCO OPALACZ & ASSOCIATES PC**

(2) EIN: **75-3079509**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	10525
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

INDEPENDENT AUDITOR'S REPORT

TO THE ADMINISTRATION COMMITTEE OF TOPY AMERICA, INC. 401(k) RETIREMENT PLAN:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Topy America 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN:

The following description of Topy America, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Topy America, Inc. The Plan is a defined contribution plan covering all full-time employees of Topy America, Inc. and Topy Precision Manufacturing, Inc. (collectively known as "the Company") who have met certain service and age requirements. The purpose of the Plan is to allow eligible employees to save for retirement on a tax-advantaged basis, thereby promoting future retirement security. The assets of the Plan are not commingled with Company assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute to the Plan a specific percentage or dollar amount of pretax annual compensation as a salary deferral, as defined by the Plan, up to the annual maximum limit established by the Internal Revenue Service. For 2023, the dollar amount is \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company will match 50% of each participant's elective deferrals up to 6% of that participant's annual compensation. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions and an allocation of the Plan's earnings or losses. Plan earnings and losses are allocated to each participant's account based on the participant's account balance in the proportion to the total balances of all participants in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company discretionary contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN (Continued):

Vesting

Participants are immediately vested in their voluntary and rollover contributions, plus their actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on vesting years of service in accordance with the following schedule:

<u>Year of Service</u>	<u>Percent Vested</u>
Less than 3	0%
3 or more	100%

In the event of death, disability, or termination of the Plan, participants become fully vested in their account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participants' Loans Receivable Fund. Loans must be repaid within five years, unless the loan is used to acquire a principal residence, in which case the loan may be repaid over 15 years. The loans are secured by the balance in the participant's principal account and bear a reasonable rate of interest. The Plan requires that repayments on loan obligation be made by payroll deductions. Loans in default are treated like distributions and may be subject to income and penalty taxes.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. For participants who were not fully vested in Company contributions, the non-vested portion of their employer accounts are segregated in a separate account until the participants have a period of break in service of five years or they receive a distribution of the vested portion of their accounts, if earlier. If the former participants are not re-employed by Company or an affiliated company before they have a period of break in service of five years or receive such a distribution, the non-vested portion of their employer accounts, so segregated, shall be forfeited. Any amounts forfeited shall be applied to reduce employer contributions. In-service distributions from a participant's vested account are available to participants over the age of 59½. For termination of services for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN (Continued):

Forfeitures

Forfeitures are the nonvested amounts left in the Plan by terminating participants. Forfeitures may be used to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. Forfeitures remaining after offset are held in a fund and used to offset future contributions. The plan administrator directs whether plan expenses are paid before either contributions are offset or forfeitures are re-allocated. During the year ended December 31, 2023, forfeitures amounted to \$19,690. At December 31, 2023 and 2022, unallocated plan assets resulting from nonvested accounts totaled \$281,000 and \$261,310, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. Upon termination of the Plan, participants become 100 percent vested in their account balances and assets will be distributed as described in the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Significant accounting practices and policies followed in the preparation of the accompanying financial statements are as follows:

Method of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan has invested a portion of its assets in the Galliard Stable Return Fund J. The value of this investment is based on the underlying unit value reported by Galliard Stable Return Fund J. The Galliard Stable Return Fund J does not invest directly in fully benefit-responsive contracts, and therefore is not required to include in its financial statements the disclosure requirements for stable investment funds. See Note 4 for more information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Net Appreciation (Depreciation) in the Fair Value of Investments

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from the participants are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

3. CERTIFICATION OF FINANCIAL INFORMATION:

The following financial data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2023 and 2022 has been certified as complete and accurate by Fidelity Management Trust Company, the trustee of plan assets, and has not been audited by the independent auditors for the Plan: investments at fair value, net appreciation in fair value of investments, investment income, notes receivable from participants, interest on notes receivable from participants, and the schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurements and Disclosure*, ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

4. FAIR VALUE MEASUREMENTS (continued):

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Investments in Common/Collective Trusts: The estimated fair value of the common/collective trust funds is net asset value, exclusive of the adjustment to contract value. The use of net asset value as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Investments in Registered Investment Companies: Valued at the daily closing price as reported by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Fair Value Measurements as of December 31, 2023</u>				
<u>Investments</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

5. TAX STATUS:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 3, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. CONCENTRATIONS:

Three investments each have an account balance over 10% of the total net assets available for benefits.

7. PARTY-IN-INTEREST TRANSACTIONS:

Parties in interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

All plan investments at December 31, 2023, as well as cash and cash equivalents, are maintained by the trustee, Fidelity Management Trust Company. Accordingly, these investments qualify as party-in-interest investments. Additionally, the plan's third party administrator and plan auditor would also qualify as party-in-interests.

Participants in the Plan are permitted to borrow funds from their vested balance as described in Note 1. These investments qualify as party-in-interest investments. Notes receivable from participants were \$445,305 and \$518,984 at December 31, 2023 and 2022, respectively.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

8. Risks and Uncertainties

The Plan provides for investment options in various debt and equity funds. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per financial statements	\$24,660,145	\$22,435,099

Net assets available for benefits per Schedule H of Form 5500	<u>\$24,639,339</u>	<u>\$22,404,739</u>

The following is a reconciliation of changes in net assets per the financial statements at December 31, 2023 to Schedule H of Form 5500:

Participant contributions per the financial statements	\$783,447
Add: Amounts receivable at December 31, 2022	23,204
Less: Amounts receivable at December 31, 2023	(<u>20,806</u>)
Participant contributions per Schedule H of Form 5500	<u>\$785,845</u>
Employer contributions per the financial statements	\$234,315
Add: Amounts receivable at December 31, 2022	7,156
Less: Amounts receivable at December 31, 2023	<u>-</u>
Employer contributions per Schedule H of Form 5500	<u>\$241,471</u>

10. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued. Based on the evaluation, no additional material events have occurred requiring disclosure.

INDEPENDENT AUDITOR'S REPORT

TO THE ADMINISTRATION COMMITTEE OF TOPY AMERICA, INC. 401(k) RETIREMENT PLAN:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Topy America 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN:

The following description of Topy America, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Topy America, Inc. The Plan is a defined contribution plan covering all full-time employees of Topy America, Inc. and Topy Precision Manufacturing, Inc. (collectively known as "the Company") who have met certain service and age requirements. The purpose of the Plan is to allow eligible employees to save for retirement on a tax-advantaged basis, thereby promoting future retirement security. The assets of the Plan are not commingled with Company assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute to the Plan a specific percentage or dollar amount of pretax annual compensation as a salary deferral, as defined by the Plan, up to the annual maximum limit established by the Internal Revenue Service. For 2023, the dollar amount is \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company will match 50% of each participant's elective deferrals up to 6% of that participant's annual compensation. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions and an allocation of the Plan's earnings or losses. Plan earnings and losses are allocated to each participant's account based on the participant's account balance in the proportion to the total balances of all participants in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company discretionary contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN (Continued):

Vesting

Participants are immediately vested in their voluntary and rollover contributions, plus their actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on vesting years of service in accordance with the following schedule:

<u>Year of Service</u>	<u>Percent Vested</u>
Less than 3	0%
3 or more	100%

In the event of death, disability, or termination of the Plan, participants become fully vested in their account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participants' Loans Receivable Fund. Loans must be repaid within five years, unless the loan is used to acquire a principal residence, in which case the loan may be repaid over 15 years. The loans are secured by the balance in the participant's principal account and bear a reasonable rate of interest. The Plan requires that repayments on loan obligation be made by payroll deductions. Loans in default are treated like distributions and may be subject to income and penalty taxes.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. For participants who were not fully vested in Company contributions, the non-vested portion of their employer accounts are segregated in a separate account until the participants have a period of break in service of five years or they receive a distribution of the vested portion of their accounts, if earlier. If the former participants are not re-employed by Company or an affiliated company before they have a period of break in service of five years or receive such a distribution, the non-vested portion of their employer accounts, so segregated, shall be forfeited. Any amounts forfeited shall be applied to reduce employer contributions. In-service distributions from a participant's vested account are available to participants over the age of 59½. For termination of services for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

1. DESCRIPTION OF THE PLAN (Continued):

Forfeitures

Forfeitures are the nonvested amounts left in the Plan by terminating participants. Forfeitures may be used to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. Forfeitures remaining after offset are held in a fund and used to offset future contributions. The plan administrator directs whether plan expenses are paid before either contributions are offset or forfeitures are re-allocated. During the year ended December 31, 2023, forfeitures amounted to \$19,690. At December 31, 2023 and 2022, unallocated plan assets resulting from nonvested accounts totaled \$281,000 and \$261,310, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. Upon termination of the Plan, participants become 100 percent vested in their account balances and assets will be distributed as described in the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Significant accounting practices and policies followed in the preparation of the accompanying financial statements are as follows:

Method of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan has invested a portion of its assets in the Galliard Stable Return Fund J. The value of this investment is based on the underlying unit value reported by Galliard Stable Return Fund J. The Galliard Stable Return Fund J does not invest directly in fully benefit-responsive contracts, and therefore is not required to include in its financial statements the disclosure requirements for stable investment funds. See Note 4 for more information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Net Appreciation (Depreciation) in the Fair Value of Investments

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from the participants are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

3. CERTIFICATION OF FINANCIAL INFORMATION:

The following financial data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2023 and 2022 has been certified as complete and accurate by Fidelity Management Trust Company, the trustee of plan assets, and has not been audited by the independent auditors for the Plan: investments at fair value, net appreciation in fair value of investments, investment income, notes receivable from participants, interest on notes receivable from participants, and the schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurements and Disclosure*, ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

TOPY AMERICA, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

4. FAIR VALUE MEASUREMENTS (continued):

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Investments in Common/Collective Trusts: The estimated fair value of the common/collective trust funds is net asset value, exclusive of the adjustment to contract value. The use of net asset value as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Investments in Registered Investment Companies: Valued at the daily closing price as reported by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Fair Value Measurements as of December 31, 2023</u>				
<u>Investments</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note:

5. TAX STATUS:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 3, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. CONCENTRATIONS:

Three investments each have an account balance over 10% of the total net assets available for benefits.

7. PARTY-IN-INTEREST TRANSACTIONS:

Parties in interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

All plan investments at December 31, 2023, as well as cash and cash equivalents, are maintained by the trustee, Fidelity Management Trust Company. Accordingly, these investments qualify as party-in-interest investments. Additionally, the plan's third party administrator and plan auditor would also qualify as party-in-interests.

Participants in the Plan are permitted to borrow funds from their vested balance as described in Note 1. These investments qualify as party-in-interest investments. Notes receivable from participants were \$445,305 and \$518,984 at December 31, 2023 and 2022, respectively.

Note:

8. Risks and Uncertainties

The Plan provides for investment options in various debt and equity funds. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.
