INDEPENDENT AUDITORS' REPORT

To the Dunn Lumber Co., Inc. Board of Directors,
Storehouse Multiple Employer Plan Board of Directors and Plan Administrator

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STOREHOUSE MULTIPLE EMPLOYER PLAN
ADOPTED BY DUNN LUMBER CO., INC.
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

The following description of the Storehouse Multiple Employer Plan adopted by Dunn Lumber Co., Inc. (the Company) (the Plan) provides only general information. The Plan has been amended and restated to comply with current legislation. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and covers substantially all employees of the Company. Employees may participate in the 401(k) deferral and employer matching portion of the Plan after three consecutive months of service and attainment of age 18 with entry on the first day of the following quarter. Employees are eligible for discretionary employer profit sharing contributions if they completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Storehouse Multiple Employer Plan Board of Directors (the Board) is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

The Plan provides for automatic enrollment of employees. Newly eligible employees are enrolled in the Plan at a salary reduction rate of 4%. The Plan provides for the automatic acceleration of the salary reduction rate by 1% annually, up to 7%, for participants with automatic enrollment contributions. Participants may elect to change or stop the payroll deductions at any time. Participants may elect to contribute up to 100% of their pre-tax or after-tax compensation, as defined in the Plan document and within statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing pre-tax distributions from other qualified plans. Participant contributions are paid to the Plan after each pay period.

At its discretion the Company may authorize matching and profit-sharing contributions. In 2023, the Company authorized a matching contribution equal to 30% of each eligible participant's elective deferral up to the first 15% of compensation. The Company funded the matching contribution in 2024. No profit-sharing contributions were made in 2023.

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Individual participant accounts are maintained by the record keeper. Each account is credited or charged with the participant's contribution, the Company's contributions, if any, and allocations of investment income and losses on the individual account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Loan and distribution fees are deducted from the respective participants' accounts. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct employee and employer contributions among various mutual funds and a guaranteed investment contract.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in employer matching and profit-sharing contributions is based on years of credited service, as defined in the Plan document, with 20% vesting each year and 100% vesting after five years. Upon normal retirement (65), death or disability, participants become fully vested in all benefits.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator at the time of issuance. Interest rates ranged from 4.25% to 9.5% on notes receivables outstanding as of December 31, 2023. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the value of the participant's vested account are paid in a lump-sum or installments. Under certain hardship circumstances or attainment of age 59 ½, participants may request a lump-sum distribution of their vested pre-tax or after-tax deferral account balances prior to retirement.

Forfeited Accounts

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may be used to pay administrative expenses or reduce employer contributions. Forfeited non-vested accounts totaled \$15,776 and \$4,153 at December 31, 2023 and 2022, respectively. During 2023, \$1,735 of forfeitures were used to pay plan expenses.

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN (continued)

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date on which the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest, if any. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for individual transactions such as distributions and loans are deducted from the respective participant's account. Investment related expenses, and revenue sharing fees or credits, are included in net appreciation or depreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The Plan's investments at fair value consist solely of mutual funds, which are valued as of December 31, 2023 and 2022 using level one measurement.

NOTE 4 - FULLY BENEFIT-RESPONSIVE GUARANTEED INVESTMENT CONTRACT

The Plan holds a traditional fully benefit-responsive investment contract (guaranteed investment contract) with Standard Insurance Company (Standard). The investment contract is reported at contract value. Contract value is the relevant measure for insurance contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the insurance company traditional general account investment contract is \$2,523,971 and \$3,007,550 at December 31, 2023 and 2022, respectively.

NOTE 4 - FULLY BENEFIT-RESPONSIVE GUARANTEED INVESTMENT CONTRACT (continued)

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is established by the contract issuer and may not be less than 1%. The crediting rate is reviewed on an annual basis for resetting. The contract permits the insurance company to terminate the agreement with 30 days advance written notice prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- 1) Amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan)
- 2) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions
- 3) Bankruptcy of the Plan Sponsor or other Plan Sponsor events (i.e., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan
- 4) The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with participants.

The guaranteed investment contract may be terminated by Plan management at any time with a written, thirty-day notice. Standard may terminate the contract after sending a written, thirty-day notice, with reasonable cause which may include any of the following circumstances:

- 1) Standard believes Plan management is not abiding by state and federal law
- 2) The Plan has not rendered performance necessary to comply with the terms of the contract
- 3) The balance of all investment funds has fallen below \$25,000
- 4) The Internal Revenue Service disqualifies the Plan
- 5) If the Plan has not been adopted within a reasonable period of time

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments that is disclosed in the accompanying financial statements, including investments held at December 31, 2022, and net appreciation in fair value of investments, dividends, and interest on guaranteed investment contract for the period January 1, 2023 through October 13, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (Reliance), the custodian of the Plan.

NOTE 5 - CERTIFIED INVESTMENTS (continued)

Certain information related to investments and notes receivable from participants that is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2023, and net appreciation in fair value of investments, dividends, interest on guaranteed investment contract, and interest on notes receivable from participants for the period October 14, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (Empower), the custodians of the Plan.

NOTE 6 – CHANGE IN SERVICE PROVIDERS

Effective October 13, 2023, the Plan Administrator elected to change the Plan’s recordkeeper from Pentegra Service Inc. to Empower Retirement, LLC and change the Plan’s custodian from Reliance to Empower. As a result of these changes, the Plan’s assets (approximately \$24.1 million) were liquidated and transferred from Reliance to Empower and placed in participant-directed investments.

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Pentegra Services, Inc. is the Plan Administrator and named fiduciary. Pentegra Trust Company provides directed trustee services under a discretionary agreement with the Board. Therefore, transactions with these entities qualify as party-in-interest transactions. Fees are paid by the Plan to these parties for administrative services.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 9 - TAX STATUS

The Plan operates under provisions of a Pre-Approved Plan, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the Pre-Approved Plan, as then designed, was acceptable under the applicable sections of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
