The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and December 31, 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **CS Disco, Inc. Retirement Trust**

Notes to Financial Statements

December 31, 2023 and 2022

### **Note 1 – Description of the Plan**

The following description of the CS Disco, Inc. Retirement Trust (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

#### **General**

CS Disco, Inc. (the “Plan Sponsor”) adopted the Plan effective July 1, 2015. Effective November 16, 2022, the Plan was amended and restated to comply with certain legislative and regulatory changes. The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor, as defined by the Plan Document, with exception of certain classes of employees identified in the Plan Document. Participation in the Plan is at the election of the employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

#### **Partial Plan Termination**

During 2023, the Plan Sponsor reduced its workforce by approximately 40%. Under applicable IRS rules and regulations, such a reduction is considered a partial plan termination which requires the acceleration of any vesting requirements for the affected participants. The Plan Administrator determined that additional vesting acceleration was required to reach 100% vesting. During 2023, an error occurred where funds from participants’ accounts were incorrectly forfeited to the Plan. See Note 10 for correction and details of the corrective employer contribution payable.

Further, the Plan Administrator and Plan Sponsor have no intention of terminating the Plan and have determined that the going-concern basis of accounting continues to be appropriate.

#### **Administration**

The Plan is administered by the Plan Sponsor (the “Plan Administrator”). Plan assets are held by Voya Retirement Insurance and Annuity Company (the “Custodian”).

#### **Participant Contributions**

Contributions are made to the Plan by the Plan Sponsor on behalf of each eligible participant based upon the participant’s elected compensation deferral through payroll deductions. The Plan Sponsor funds the contributions at the end of each payroll period. Eligible participants have the option to contribute pre-tax and Roth 401(k) not to access the annual limit, as permitted by the Internal Revenue Code of 1986, as amended (“IRC”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic salary deferral feature. Unless the participant makes an alternative salary deferral election, the Plan Sponsor will automatically withhold 4% of compensation for each payroll period and contribute it to the Plan. The Plan also includes an automatic escalation of 1%, up to a maximum of 10%, of annual Plan compensation on the first day of each Plan year.

Participants age 50 and older as of December 31 of the Plan year are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the IRC.

## **CS Disco, Inc. Retirement Trust**

Notes to Financial Statements

December 31, 2023 and 2022

### **Note 1 – Description of the Plan (continued)**

#### **Employer Contributions**

Each year, the Plan Sponsor may elect to satisfy the Plan's safe harbor rules, whereby the Plan Sponsor make a safe harbor matching contribution equal to 100% of the first 1% of total eligible compensation contributed and 50% of the next 5% of total eligible compensation contributed. For 2023, the Plan Sponsor elected to satisfy the Plan's safe harbor rules.

Each year, the Plan Sponsor may also elect to make additional discretionary non-elective profit-sharing contributions based solely on the discretion of the Plan Sponsor's Board of Directors. The profit-sharing contribution is allocated to eligible participants who are employed on the last day of the Plan year. A participant is eligible to receive a profit-sharing contribution when not employed on the last day of the Plan year if severance of employment was due to death, disability, or normal or early retirement, as defined. For 2023, the Plan Sponsor did not elect to make non-elective profit-sharing contributions to the Plan.

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Rollovers and Transfers**

Participants who have a balance in another qualified employee benefit plan, as described in Section 401(a) of the Internal Revenue Code, may transfer or rollover the lump sum values of their account directly into the Plan, provided it meets the requirements of the Internal Revenue Code.

#### **Vesting**

Participants are immediately vested in their contributions, employer safe harbor matching and discretionary non-elective contributions, plus actual earnings.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance during the prior twelve-month period. Participants may not have more than one loan outstanding at a time. Notes receivable are secured by the balance in the participant's account and bear interest at a rate which is commensurate with prevailing rates as determined by the Plan Administrator. All notes must be repaid in equal installments of principal and interest over a period to be determined by the Plan Administrator, but such period shall not exceed five years unless the purpose of the loan is for the purchase of the principal residence of the Participant. In all cases, repayment of the note will be made through after-tax payroll deductions.

#### **Payment of Benefits**

Benefits become available to participants on the earliest of three events: (1) termination of employment, (2) death of the participant (benefits are payable to the participants' spouse or beneficiary), or (3) the participant's retirement.

A participant may receive the value of the vested balance in his or her account as a lump-sum distribution or may roll the amount over into another qualified plan.

## **CS Disco, Inc. Retirement Trust**

Notes to Financial Statements

December 31, 2023 and 2022

### **Note 1 – Description of the Plan (continued)**

Active participants can withdraw benefits once they reach 59 ½ years of age. In-service distributions are permitted due to hardship, as defined in the Plan and subject to the satisfaction of the Plan Administrator.

If a participant's vested account balance is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant's account balances that are less than \$5,000, but in excess of \$1,000 (the involuntary cash-out amount) will be paid as a direct rollover to an individual retirement account.

However, regardless of participant election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is less than the involuntary cash-out amount.

On termination of employment due to death prior to retirement, 100% of the Plan Sponsor contributions become immediately vested. The value of the account shall be paid in accordance with the above stated distribution procedure.

Upon a participant obtaining the normal retirement age 65, while still employed, 100% of the Plan Sponsor contributions become immediately vested. Should a participant reach age 65 and not elect to terminate employment, the participant can take an in-service distribution from the vested account balance.

#### **Forfeited Accounts**

The portion of the participant's employer contribution accounts that are not vested upon termination of service shall be forfeited as of the earlier of (i) the date the vested portion is distributed or (2) the date the participant incurs a five-consecutive-year period of severance from his or her original termination date.

At December 31, 2023 and 2022, available forfeited non-vested accounts were \$157,661 and \$50,988, respectively. If there are forfeited non-vested accounts, they may be used to reduce future plan administrative expenses and employer contributions. During the year ended December 31, 2023, \$199,121 of forfeitures were used to reduce employer contributions and employer expenses.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and distributions would be made as soon as administratively practical after the Plan terminates.

### **Note 2 – Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## **CS Disco, Inc. Retirement Trust**

Notes to Financial Statements

December 31, 2023 and 2022

### **Note 2 – Summary of Significant Accounting Policies (continued)**

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 5 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

#### **Risks and Uncertainties**

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

### **Note 3 – Information certified by the Custodian**

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

## **CS Disco, Inc. Retirement Trust**

Notes to Financial Statements

December 31, 2023 and 2022

### **Note 3 – Information certified by the Custodian (continued)**

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2023 and 2022.
- Net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

### **Note 4 – Tax Status**

The Plan Sponsor has not applied for a determination letter from the Internal Revenue Service ("IRS") to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan document is based upon non-standardized pre-approved profit-sharing plan with CODA from Voya Retirement Insurance and Annuity Company, which received an IRS advisory letter dated June 30, 2020. The non-standardized pre-approved profit-sharing plan instrument has been updated for legislative and regulatory changes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is subject to income tax examinations for three years.

### **Note 5 – Fair Value Measurements**

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

- Level one — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level two — Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# CS Disco, Inc. Retirement Trust

Notes to Financial Statements

December 31, 2023 and 2022

## Note 5 – Fair Value Measurements (continued)

- Level three — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Valued at the net asset value (“NAV”) of units for each fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

*Common Collective Trusts:* Valued at the net asset value (“NAV”) of units for each fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

*Guaranteed investment contract (“GIC”):* The Plan's GIC with Voya Retirement Investment and Annuity Company is valued at contract value, which approximates fair value. See further description at Note 6.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

|                                          | Assets at Fair Value as of December 31, 2023 |         |         |               |

### Note 6 – Fully Benefit Responsive Investment Contracts

The Plan invests in the Voya Fixed Account, a fully benefit responsive contract with Voya Retirement Investment and Annuity Company. As the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefit attributable to the investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions to Voya Institutional Trust Company under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Voya Institutional Trust Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value.

There are no reserves against contract value for credit risk. There are no unfunded commitments, redemption restrictions or notice period applicable to the guaranteed investment contract. Under the terms of the guaranteed investment contract, the Plan sponsor must provide a minimum of 90 days' notice to Voya Institutional Trust Company prior to redemption of the contract.

### Note 7 – Related-Party and Parties in Interest Transactions

Certain plan investments are shares of mutual funds managed by the Custodian or its affiliates. Fees incurred by the Plan for related investment management services are included in administrative expenses and net depreciation in fair value of investments. Certain fees incurred by the Plan for recordkeeping and audit fees are included in administrative expenses. Transactions such as these qualify as party-in-interest transactions. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

### Note 8 – Corrective Employer Contributions Receivable

During 2023 and 2022, the Plan Sponsor failed to correctly apply Plan compensation definition to two pay codes and incorrectly excluded the two pay codes from elective deferrals. As such, the Plan was not in compliance with the Plan Adoption Agreement. The Plan Sponsor estimated \$13,235 and \$6,531 of missed employee contributions as of December 31, 2023 and 2022, respectively. As of October 3, 2024, the Plan Sponsor is in the process of making the corrections for both plan years for 2023 and 2022 via a qualified non-elective contribution (“QNEC”). These amounts are reported as employer contributions receivable in the statements of net assets available for benefits as of December 31, 2023 and 2022.

### Note 9 – Excess Contributions Payable

During 2022, the Plan Sponsor failed to stop employer matching contributions for employees who met the maximum contribution amount permitted by IRC or stopped making elective deferrals. The Plan Sponsor estimated the excess employer matching contributions to be \$21,441 as of December 31, 2022. As of October 3, 2024, the Plan Sponsor is in the process of making the corrections. These amounts are reported as excess contributions payable in the statements of net assets available for benefits as of December 31, 2023 and 2022.

### Note 10 – Corrective Employer Contributions Payable

During 2023, the Plan Sponsor failed to apply vesting acceleration to the employees who were involuntarily terminated under the partial plan termination. The vested accounts of involuntarily terminated employees were incorrectly forfeited into the Plan. As of December 31, 2023, the Plan Sponsor estimated the forfeited employer matching contributions to be \$137,129 and is in the process of making the corrections. These amounts are reported as a corrective employer contributions payable in the statement of net assets available for benefits as of December 31, 2023.
