INDEPENDENT AUDITOR'S REPORT

**To the Trustee of Lighthouse Living Services
401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits, and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - PLAN DESCRIPTION

The following description of the Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General: The Plan is a defined contribution plan providing retirement benefits for all eligible employees of Lighthouse Living Services (the Company), who have 3 months of service, age 18 or older and are not covered under the terms of a collective bargaining agreement. The Plan was effective January 1, 2001 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code. The Plan has been amended and restated to conform with regulatory and legislative changes.

The Plan's assets are invested in a group annuity contract issued by John Hancock Life Insurance Company (Custodian).

Contributions: Participants may contribute up to the lesser of 100% of their eligible compensation or the limitation established by the Internal Revenue Code. The Plan allows all participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with Section 414(v) of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: An account is maintained for each participant which is credited with the participant's and the Company's contributions, if any, and an allocation of plan investment income or loss on their selected investment funds. Income or loss is allocated to participants by adjusting the stated value of each account to reflect the actual value of the account as of the valuation date. Participants direct the investment of their account balances by selecting from multiple investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions, SAFE Harbor employer matching contributions and the related earnings.

Distributions to Participants: Upon termination of employment, participants with vested account balances less than \$5,000 will receive their distribution in a lump sum as soon as administratively feasible. If upon termination of employment with a vested account balance that exceeds \$5,000, the Plan will commence distributions to the participant in the manner elected by the participant and allowed by the Plan.

On termination of service upon retirement at age 65, and five years of credited service, a participant with an account balance over \$5,000 may elect to receive either a lump sum amount equal to the participant's vested interest in his or her account or installment payments. If the participant's account balance does not exceed \$5,000, it will be distributed in a lump sum.

The Plan allows financial hardship distributions caused by certain events as defined in the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - PLAN DESCRIPTION - Continued

Notes Receivable from Participants: Participants may borrow from their fund accounts; a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan administrator. Notes receivable from participants must be repaid through payroll deductions.

Forfeitures: Forfeited amounts are used to reduce future employer contributions. As of December 31, 2023 and 2022, there were no forfeited balances.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits.

Investment Valuation and Revenue Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments consists of the unrealized appreciation (depreciation) and the realized gains or (losses) on the sales of investments during the year. Acquisition costs are included in the cost of investments and sales are recorded net of selling expenses. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants: Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, or 2022. Delinquent participant loans are recorded as distributions in accordance with the terms of the Plan agreement.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities, which are considered to be most reliable.

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs reflecting the reporting entity's own assumptions, which require the most judgment.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE C – FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no significant changes in the methodologies used during the years ended December 31, 2023 and 2022.

Pooled Separate Accounts: Valued is based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the Net Asset Value (NAV) of the Pooled Separate Accounts is not publicly traded. The NAV is reported by John Hancock Life Insurance Company as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments. The investments in Pooled Separate Accounts totaling \$2,093,696 and \$1,675,409 as of December 31, 2023 and 2022, respectively, are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and, therefore, have not been categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the trustee of the Plan).

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

**To the Trustee of Lighthouse Living Services
401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits, and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - PLAN DESCRIPTION

The following description of the Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General: The Plan is a defined contribution plan providing retirement benefits for all eligible employees of Lighthouse Living Services (the Company), who have 3 months of service, age 18 or older and are not covered under the terms of a collective bargaining agreement. The Plan was effective January 1, 2001 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code. The Plan has been amended and restated to conform with regulatory and legislative changes.

The Plan's assets are invested in a group annuity contract issued by John Hancock Life Insurance Company (Custodian).

Contributions: Participants may contribute up to the lesser of 100% of their eligible compensation or the limitation established by the Internal Revenue Code. The Plan allows all participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with Section 414(v) of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: An account is maintained for each participant which is credited with the participant's and the Company's contributions, if any, and an allocation of plan investment income or loss on their selected investment funds. Income or loss is allocated to participants by adjusting the stated value of each account to reflect the actual value of the account as of the valuation date. Participants direct the investment of their account balances by selecting from multiple investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions, SAFE Harbor employer matching contributions and the related earnings.

Distributions to Participants: Upon termination of employment, participants with vested account balances less than \$5,000 will receive their distribution in a lump sum as soon as administratively feasible. If upon termination of employment with a vested account balance that exceeds \$5,000, the Plan will commence distributions to the participant in the manner elected by the participant and allowed by the Plan.

On termination of service upon retirement at age 65, and five years of credited service, a participant with an account balance over \$5,000 may elect to receive either a lump sum amount equal to the participant's vested interest in his or her account or installment payments. If the participant's account balance does not exceed \$5,000, it will be distributed in a lump sum.

The Plan allows financial hardship distributions caused by certain events as defined in the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - PLAN DESCRIPTION - Continued

Notes Receivable from Participants: Participants may borrow from their fund accounts; a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan administrator. Notes receivable from participants must be repaid through payroll deductions.

Forfeitures: Forfeited amounts are used to reduce future employer contributions. As of December 31, 2023 and 2022, there were no forfeited balances.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits.

Investment Valuation and Revenue Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments consists of the unrealized appreciation (depreciation) and the realized gains or (losses) on the sales of investments during the year. Acquisition costs are included in the cost of investments and sales are recorded net of selling expenses. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants: Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, or 2022. Delinquent participant loans are recorded as distributions in accordance with the terms of the Plan agreement.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities, which are considered to be most reliable.

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs reflecting the reporting entity's own assumptions, which require the most judgment.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE C – FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no significant changes in the methodologies used during the years ended December 31, 2023 and 2022.

Pooled Separate Accounts: Valued is based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the Net Asset Value (NAV) of the Pooled Separate Accounts is not publicly traded. The NAV is reported by John Hancock Life Insurance Company as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments. The investments in Pooled Separate Accounts totaling \$2,093,696 and \$1,675,409 as of December 31, 2023 and 2022, respectively, are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and, therefore, have not been categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the trustee of the Plan).

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE F – RELATED PARTY TRANSACTIONS

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officers or employee receives compensation from the Plan.

NOTE G - INCOME TAX STATUS

The Plan has adopted a prototype plan qualified under the applicable provisions of the Internal Revenue Code. Although the Plan has not received a determination letter from the Internal Revenue Service, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, is exempt from federal income taxes.

NOTE H – SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2024, the date that the financial statements were available to be issued.
