Independent Auditor's Report

To the Plan Administrator of
Global Facility Management & Construction
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Global Facility Management & Construction 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**GLOBAL FACILITY MANAGEMENT & CONSTRUCTION
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan

The following description of the Global Facility Management & Construction 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established, effective January 1, 2006, as a defined contribution 401(k) plan that provides retirement benefits for all eligible employees of Global Facility Management & Construction, Inc. (the "Company") who have attained twenty-one years of age and have completed one year of service prior to the entry dates of January 1 and July 1. Effective July 1, 2018, the Plan amended employee eligibility, removing the one year of service requirement. Effective April 1, 2020, participants may modify deferral elections on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Eligible participants may contribute up to the maximum amount of their annual compensation that will not cause the Plan to violate the provisions of the ADP test or the maximum permissible amount under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes a safe harbor match of 100% of the first 3% and 50% of the next 2% of base compensation of a member participant of the Plan, limited to actual participant deferrals. The Company made safe harbor matching contributions of \$236,576 for the year ended December 31, 2023. The Company can also make a discretionary non-elective profit sharing contribution, the amount of which is determined by the Company's owners. There was no discretionary non-elective profit sharing contribution for the year ended December 31, 2023. An eligible participant must complete one year of service, attain 21 years of age and be employed by the Company as of the last day of the Plan year to be eligible for the discretionary non-elective profit sharing contributions. Employer's safe harbor matching contributions are allocated to each participant based on the amount of their salary reduction contribution to the Plan and discretionary non-elective profit sharing contributions are allocated in the ratio that the participant's compensation bears to all eligible participants' compensation within their respective employee group. All contributions to the Plan of amounts deferred by a participant and the Company's profit sharing and matching contributions are participant directed.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**GLOBAL FACILITY MANAGEMENT & CONSTRUCTION
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan (Continued)

Vesting

Participants are immediately and fully vested in their voluntary contributions as well as employer safe harbor matching contributions plus actual earnings thereon. The Company's discretionary non-elective profit sharing contribution, plus earnings thereon, vest 20% after two years of service up to 100% after six years. However, upon a participant's death or total and permanent disability or attainment of age 65, all amounts are immediately vested.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 and a maximum of up to 50% of the vested value of their account balance. However, outstanding loans under the Plan cannot exceed \$50,000 per participant. Loan terms range from 1-5 years unless it is for a primary residence in which case the repayment term may be longer. Loans, which are evidenced by a negotiable promissory note, are secured by the balance of the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator at the date of the loan. Principal and interest is paid ratably through either bi-weekly or semi-monthly payroll deductions.

Forfeited Accounts

At December 31, 2023, forfeited nonvested accounts totaled \$243. At December 31, 2022, the Plan had no forfeited nonvested accounts. These accounts can be used to reduce future employer contributions or pay administrative expenses of the Plan.

Withdrawals

Withdrawals of all vested amounts may be made after a participant attains 59 ½ years of age or if the withdrawal is for reason of hardship (as defined).

Payment of Benefits

On termination of service due to death, disability or retirement, if the participant's account is greater than \$0 but less than \$5,000 the participant or participant's beneficiary, if due to death, will receive a mandatory distribution in one lump sum amount without consent. If an affirmative election to either receive or rollover the distribution is not made, the Plan will roll over the distribution into an IRA of its choice designed to preserve principal and provide a reasonable rate of return. These funds may then be rolled over into a different IRA provider, or another retirement plan eligible to receive rollover contributions. For those vested amounts in excess of \$5,000, participant consent is required before any distribution can be made.

NOTES TO FINANCIAL STATEMENTS

NOTE B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles may require the plan administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. The investments in the trustee's pooled separate accounts are valued at the market value of the Plan participants' share of the underlying mutual funds held by the trustee in their respective sub-accounts. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are carried at their unpaid principal balance plus any accrued but unpaid interest. Interest rates on outstanding loans were 4.25% to 9.5% during 2023. As of December 31, 2023, the due dates on the outstanding loans range from one month to five years. Delinquent participant loans are reclassified as distributions under the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

NOTE B - Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Company has considered subsequent events occurring through October 10, 2024, the date the financial statements were available for issuance, in evaluating its estimates and in the preparation of its financial statements.

NOTE C - Fair Value Measurements

The Financial Accounting Standards Board's standard on "*Fair Value Measurements*" (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels.

Level 1 is unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access and have the highest priority. Level 2 is observable information for similar items in active or inactive markets and Level 3 is unobservable inputs to be used in situations where markets don't exist or are illiquid. Level 3 has the lowest priority.

Pooled separate accounts ("PSA") are offered by the trustee and are not publicly quoted, however, many invest exclusively in one underlying mutual fund traded on an established market. PSAs are valued daily at net asset value ("NAV") which is based on the value of the underlying assets owned by the PSA minus any liabilities, and then divided by the number of shares outstanding. NAVs of PSAs investing in mutual funds or domestic equity securities are measured using quoted prices in active markets for identical assets (Level 1 inputs). Pooled separate accounts directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities (Level 2 inputs). The Plan has concluded that the NAVs approximate the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments. Participant transactions (purchases and sales) may occur daily.

Included in the pooled separate accounts is a stable value fund which represents participation units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective investment trust. Since the John Hancock Stable Value Fund is not held directly by the Plan, contract value is not the relevant measure.

NOTES TO FINANCIAL STATEMENTS

NOTE C - Fair Value Measurements (Continued)

The following table summarizes the Plan's investments measured at NAV as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable value fund, pooled separate account	\$ 628,586	N/A	Daily	Up to 12 months *
Other pooled separate accounts	<u>6,842,621</u>	N/A	Daily	None
Total pooled separate accounts	<u>\$ 7,471,207</u>			
<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Other pooled separate accounts	<u>5,886,938</u>	N/A	Daily	None
Total pooled separate accounts	<u>\$ 6,515,432</u>			

*Participant transactions (purchases and sales) may occur daily. However, participant withdrawals may be subject to a delay of up to 7 or 30 additional calendar days if it is determined, respectively, that such delay is necessary to maintain adequate liquidity for, or to avoid an adverse impact on, the underlying trust or investment vehicle. In addition, the fund's declaration of trust provides that withdrawals for purposes other than normal benefit payments or plan permitted investment option transfers are subject to either a market value adjustment or without a market value adjustment and effected no later than 12 months. These events may include, but are not limited to, the following: mergers, layoffs, plan termination, implementation of early retirement incentive programs, additional investment options are established that constitute a competing fund, or other events within the control of the Plan's sponsor resulting in a material and adverse financial impact on the issuer's obligations under the contract.

NOTE E - Related Party and Party-In-Interest Transactions

Certain plan investments are managed by John Hancock Life Insurance Company of New York, the Plan's trustee. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. The fair value of such investments aggregated \$7,471,207 and \$6,515,432 as of December 31, 2023 and 2022, respectively. Fees paid by the Plan for investment management services are netted against net appreciation or included in net appreciation in fair value of investments.

NOTE F - Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, after payment of administrative expenses, if any, the trust fund shall be used for the exclusive benefit of members and their beneficiaries and for no other purpose. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE G - Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 401(a) of the Internal Revenue Service Code qualifying for tax-exempt status. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE H - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
