INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
H.I.G. Capital Management, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the H.I.G. Capital Management, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the H.I.G. Capital Management LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the H.I.G. Capital Management, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the H.I.G. Capital Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the H.I.G. Capital Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the H.I.G. Capital Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the H.I.G. Capital Management, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced on January 1, 2000, covering all eligible employees of H.I.G. Capital Management, LLC (the Plan sponsor) and related employers who adopt to participate in the Plan. It is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA).

Participating Employers

H.I.G. Capital Management, LLC is the Plan sponsor. Effective April 1, 2020, Kactus Capital Management, LLC (through August 1, 2022) and Lalia Capital, LLC were added as participating employers.

Eligibility

All non-excluded employees of the Plan sponsor and related participating employers are eligible to participate in the Plan. For purposes of determining eligibility, the Plan excludes from participation certain designated employees. Employees who fall under any of the excluded employee categories will not be eligible to participate in the Plan such as leased employees, interns, part-time, temporary, and seasonal employees. In order to be eligible to receive matching contributions, employees must satisfy certain age and service conditions; the employee must be a minimum of twenty-one years of age and have completed 1,000 hours of service during the Plan year.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, up to the statutory maximum. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans and certain individual retirement accounts (IRAs). In accordance with Internal Revenue Code (IRC), the maximum deferral of pretax earnings was \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants who have reached at least age 50 may contribute an additional catch-up yearly contribution of \$7,500 and \$6,500 during 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

(Continued)

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

The employer shall make a matching contribution on behalf of each eligible participant equal to 100% of the participant's contribution (including catchup contributions) not to exceed 4% of the compensation. No employer matching contribution is made for managing directors and principals in the Capital Formation Department, investment professionals, senior advisors, operating partner, support employees that are eligible to receive carry, Lalia employees, Kactus employees, and business development employees entitled to receive deal sourcing bonuses based on a % of the target's value.

Also, the employer may at Plan year end make an additional discretionary matching employer contribution on behalf of eligible participants or a designated group of eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contribution as well as an allocation of the Plan sponsor's contribution and Plan earnings or losses. Participant accounts are charged with an allocation of certain other administrative expenses, such as loan fees, specific to each participant. Allocations of the Plan's earnings or losses in each investment option are made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participant's account balances in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portions of their accounts, plus actual earnings thereon, is as varies depending on the years of service.

Effective on July 1, 2022, employer's match-discretionary contributions are immediately vested. Additionally, also effective on July 1, 2022, for participants in the Plan prior to February 15, 2015, past and future non-elective discretionary contributions will be immediately vested.

Participant's vested interest in non-elective employer contributions, other than those described above shall be based upon years of vesting service as follows:

Years of Service	Vested
0 - 2	0%
3 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate based on the current market rate, as determined by the Plan administrator at the time of the loan application. Principal and interest are paid ratably through monthly payroll deductions. As of December 31, 2023 and 2022, the interest rates on notes receivable from participants ranged from 4.25% to 9.50%. NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment or normal retirement age. If the participant's vested account balance was less than \$1,000 at the date of the distribution, then that balance shall be distributed in a single lump-sum payment. If the participant's vested account balance was more than \$1,000 at the date of the distribution, then the participant may delay the distribution until it is required by law to receive the distribution, however, the participant must consent to the distribution before it may be made.

Contributions were also available for distribution in the form of a hardship withdrawal, subject to a \$500 minimum amount.

In the event of death, the participant becomes 100% vested in all accounts.

If a participant becomes permanently disabled, the participant becomes 100% vested in all accounts. Permanently disabled is defined by the Plan as when a participant is eligible for disability benefits under the Social Security Act.

Forfeitures

Forfeitures of the non-vested account balances of participants are used to reduce employer contributions or administrative expenses. There were no forfeitures for the year ended December 31, 2023.

Administrative Expenses

Certain administrative and accounting functions are performed by the Plan sponsor's employees, who receive no compensation from the Plan. Administrative expenses, such as professional fees, may be paid by the Plan sponsor on behalf of the Plan, while others may be paid from Plan assets.

Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

(Continued)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade date basis. Interest income and expenses are accrued on a daily basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Concentration of Credit Risk

Financial instruments which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of investments and receivables. The Plan invests in mutual funds and money market funds which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Fidelity Investment Institutional Operations Company, Inc. (Fidelity), the Trustee, held the Plan's investments as of December 31, 2023 and 2022. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information reflected on the schedule of Form 5500 – Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments (principally mutual funds) and charged for Plan withdrawals and administrative expenses.

H.I.G. CAPITAL MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

(Continued)

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (Continued)

During the year ended December 31, 2023, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$13,208,187. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENT

GAAP provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used to measure fair value as of December 31, 2023 and 2022.

The following is a description of the valuation methods used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

H.I.G. CAPITAL MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

(Continued)

NOTE 4. FAIR VALUE MEASUREMENT (Continued)

Money market fund: Considered short term investment. Valued at the floating net asset value of shares held by the Plan at year end.

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 92,857,103	\$ -	\$ -	\$ 92,857,103
Money market fund	<u>3,388,645</u>	<u>-</u>	<u>-</u>	<u>3,388,645</u>
	<u>\$ 96,245,748</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 96,245,748</u>

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 68,307,447	\$ -	\$ -	\$ 68,307,447
Money market fund	<u>3,083,014</u>	<u>-</u>	<u>-</u>	<u>3,083,014</u>
	<u>\$ 71,390,461</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 71,390,461</u>

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Plan sponsor. No officer or employee receives compensation from the Plan for these services. The Plan's participating employers absorb virtually all of the Plan's administrative costs.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan made direct payments to service providers which were not covered by revenue sharing.

Certain Plan investments were shares of mutual funds managed by Fidelity; therefore, these transactions qualify as party-in-interest, however, they are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan to Fidelity for recordkeeping services for the year ended December 31, 2023, were approximately \$5,000.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

(Continued)

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on November 5, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, and 2022, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 23, 2024, the date the financial statements were available to be issued.
