Scope and Nature of the *ERISA* Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974 (ERISA)*, as permitted by *ERISA* Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust's financial statements performed in accordance with *ERISA* Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under *ERISA*. As permitted by *ERISA* Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under *ERISA* (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of *ERISA* Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our *ERISA Section 103(a)(3)(C)* audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the *ERISA Section 103(a)(3)(C)* audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the *ERISA Section 103(a)(3)(C)* Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an *ERISA Section 103(a)(3)(C)* audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2023, and reportable transactions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under *ERISA*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under *ERISA*.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under *ERISA*.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of *ERISA Section 103(a)(3)(C)*.

LOCAL UNION 855 DEFINED CONTRIBUTION PENSION PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust (Plan) is provided for general information purposes only. Participants should refer to the Plan documents for more complete information.

General

The Plan is a defined contribution plan established effective January 1, 1979, covering each employee of an employer whose employment is governed by the terms of a collective bargaining agreement between employee representatives, the employer, and common-law employees of the Union. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974 (ERISA)*.

The Plan was restated effective January 1, 2014.

The Plan was originally established as a money purchase plan. On April 1, 2010, the Plan was converted to a profit-sharing plan. In conjunction with this change, the name of the Plan was changed from the International Brotherhood of Electrical Workers Local Union 855 Money Purchase Pension Plan and Trust to the International Brotherhood of Electrical Workers Local Union 855 Defined Contribution Pension Plan and Trust.

Contributions

The employer shall make an employee contribution for each participant in its employ in the amount specified in the collective bargaining agreement.

Participant Accounts

Each participant's account is maintained by type of contribution. Net income of the Plan investments is allocated based on each participant's proportionate interest at the preceding valuation date, adjusted for current withdrawals and contributions.

Vesting

Participants are 100% vested immediately upon participation in all employer and employee contributions.

Payment of Distribution and Benefits

Upon termination of service, the participant is entitled to the value of their accounts at termination equal to the vested portion. Distribution payments may be made in lump sum, or in the form of an annuity.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION 855 DEFINED CONTRIBUTION PENSION PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (continued)

Forfeitures

If a Plan participant or beneficiary cannot be located, and reasonable efforts have been made to contact him/her, the participant's account balance is frozen after the valuation date following one Plan year without contributions. The participant's account balance will then be forfeited and reallocated among the remaining participants. If the participant subsequently returns and applies for benefits, such forfeiture shall be restored from Plan earnings. There were no forfeitures for the years ended December 31, 2023 and 2022.

Date of Plan Administrator Review

The Plan's Administrator has evaluated subsequent events through the date on which the financial statements were made available to be issued. The date is the same as the independent auditor's report date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial records of the Plan are maintained on the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The cost and expense of administering the Plan is paid by the Plan.

Accounting Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated October 15, 2015, that the Plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's Tax Counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the *IRC* and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION 855 DEFINED CONTRIBUTION PENSION PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

4. PLAN TERMINATION

Although they have not expressed any intent to do so, the trustees have the right under the agreement to discontinue the Plan at any time and to terminate the Plan subject to the provisions of *ERISA*.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. INFORMATION CERTIFIED BY AN INVESTMENT CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by PNC Bank:

	2023	2022
Investments, at fair value:		
United States government securities	\$ 2,495	\$ 3,125
Mortgages	10,256	11,764
Mutual funds	19,827,615	17,041,446
Money market	419,854	92,255
Common collective trust	752,821	822,447
Accrued income receivable	34,562	54,106
Interest	12,889	2,909
Dividends	778,294	641,827
Net appreciation (depreciation) in fair value of investments	2,242,432	(4,394,639)

The difference between certain information certified by the custodians and that which is included in the accompanying financial statements is primarily attributable to adjustments made by the Plan Administrator to conform the certified financial statements to the accrual method of accounting, which includes the recording of accrued income, contributions receivable, and accrued expenses payable.

7. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION 855 DEFINED CONTRIBUTION PENSION PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

7. FAIR VALUE MEASUREMENTS (continued)

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements – The fair value of United States government securities, mortgages, mutual funds, and money market funds are based on quoted net asset values of the shares held by the Plan at year-end.

Common/Collective Trust – The Plan invests in a stable value collective trust which is composed primarily of fully benefit-responsive investment contracts and is valued at the asset value of units of the collective trust. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
