Independent Auditors' Report

To the Trustee and Plan Administrator of McKenna Labs, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of McKenna Labs, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McKenna Labs, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McKenna Labs, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McKenna Labs, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McKenna Labs, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McKenna Labs, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500 – Schedule H, Line 4i, Schedule of Assets (Held for Investment Purposes) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan

The following description of the McKenna Labs, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only summarized information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan with 401(k) provisions for eligible employees of McKenna Labs, Inc. (the “Employer”, “Company”, or “Plan Sponsor”). McKenna Labs, Inc. was reorganized as McKenna Labs, LLC near the end of 2021. The Plan is in the process of amending the appropriate documents including the adoption agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the “CARES Act”) was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. The Plan’s management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add COVID-19-related distributions of up to \$100,000 for eligible participants, (ii) permit employees to repay COVID-19 related distributions within three years of the date of distribution as rollover contributions, (iii) increase the limit on Plan loans for eligible participants to the maximum permitted under the CARES Act, (iv) suspend payments on Plan loans otherwise due in 2020 for eligible participants, and (v) suspend required minimum distributions for 2020. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the extended December 31, 2025, deadline.

Trustee and Recordkeeper

Empower Trust Company, LLC is the Plan Trustee and party-in-interest (the “Plan Trustee”). Empower Retirement is the Plan’s administrative recordkeeper and party-in-interest (the “Plan Administrator”). Putnam Investments is a sister company to Empower and the Collective Trust Funds (Target Date Funds) managed by Empower are parties-in-interest.

Contributions

Active participants may elect to contribute up to a maximum of \$22,500 during the 2023 calendar year. Total contributions to a participant’s account in a given plan year may not exceed the lesser of \$66,000 (\$73,500 including catch-up contribution) or 100% of the participant’s compensation for the plan year. Individuals who are at least 50 years of age are permitted to make “catch-up” contributions.

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan - continued

Contributions - continued

In 2023, the maximum catch-up contribution to a 401(k) was \$7,500. The Plan allows participants to make Roth deferral contributions. Contributions, excluding Roth 401(k) contributions, are excludable from the participants taxable income for federal and state income tax purposes until received as a withdrawal or distribution from the Plan.

A participant may change the amount of compensation they defer into the Plan, or stop making deferrals altogether, at any time. Such deferral election change takes effect the first day of the following pay period. Participants may also contribute amounts representing rollovers from other qualified defined benefit and contribution plans, excluding Roth direct rollovers.

The Plan allows for automatic enrollment of and automatic deferral for newly hired employees who either do not elect a specific deferral percentage nor opt out of the Plan. The automatic deferral percentage for participants is 4% of eligible pay with no auto-escalation of the 4% deferral. The Plan default investment for automatic deferral is a target date retirement fund based on the participants date of birth.

Under the Plan, the Employer is required to make safe harbor matching contributions equal to 100% of each participant's elective deferrals but not as to elective deferrals exceeding 3% of the participant's compensation for each payroll period. The Employer made \$375,442 of Safe Harbor matching contributions for the year ended December 31, 2023.

In addition to safe harbor matching contributions, at the end of the year, the Employer may, in its sole discretion, contribute and allocate to each eligible participant account, discretionary contributions. The Employer made no discretionary contributions for the year ended December 31, 2023.

Investment Elections

The Plan participants direct the investment of their contributions into various investment options offered by the Plan, which include a variety of mutual funds offered by the Plan, as well as mutual funds offered by other registered investment companies, Collective Trust Funds (Target Date Funds), and Fixed Annuities.

Eligibility

Employees become eligible for the Plan when they have completed two months of service and are at least 21 years old. The entry date to the Plan is the first day of the month following the date of eligibility for the Plan participant.

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan - continued

Vesting

Participants are immediately vested in their contributions and matching contributions plus actual earnings thereon. Vesting in the profit sharing contributions, plus earnings thereon, is based on a six-year graded schedule with at least 1,000 hours of service during a vesting computation period to receive a credit for a year of service.

Participants also become fully vested in employer elective contributions if employed by the Plan Sponsor upon reaching normal retirement age, which is defined as age 65, or in the event of death or total and permanent disability, or upon plan or partial plan termination.

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer matching contributions, as well as allocations of the Employer's profit sharing contribution and plan earnings, if applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. At December 31, 2023 and 2022, there were 220 and 197 participants with assets in the Plan, respectively.

Payments of Benefits

Amounts contributed through salary/wage reductions may be withdrawn by or distributed to a participant only upon (1) termination of employment, (2) attaining the age of 59 ½, and (3) hardship. Withdrawals prior to attaining age 59 ½ are not permitted except in the event of retirement, disability or as a hardship distribution.

On termination of service, a participant may elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installment payments (only if the participant is subject to lifetime required minimum distributions), or a direct rollover distribution.

The Plan provides for mandatory distribution of account balances less than \$5,000 following termination of employment with (1) the automatic rollover to an Individual Retirement Account ("IRA") of any mandatory distributions exceeding \$1,000 but equal to or less than \$5,000 for which the participant does not elect a direct rollover to an IRA or another qualified plan; and (2) a direct payment to the participant of any mandatory distributions less than \$1,000.

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan - continued

Payments of Benefits - continued

A participant may not receive a distribution upon attaining the age of 59 ½ unless the participant is 100% vested in the distributing account.

Upon proof, to the satisfaction of the Plan Administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Participant's hardship does not include an immediate and heavy financial need of the participant's primary individual beneficiary under the Plan. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

Participant Notes Receivable

Participants may borrow from their fund accounts a maximum of the lesser of \$50,000, or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes Fund. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50% (calculated at prime plus 1%), which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents forfeiture. Forfeitures can be utilized to reduce plan expenses for the plan year and to reduce employer contributions. The Plan applied no forfeitures to reduce plan expenses for both the years ended December 31, 2023 and 2022, and applied \$48 and \$2,636 of forfeitures to reduce employer contributions for the plan years ended December 31, 2023 and 2022.

Termination of Plan

Although the Employer has not expressed any intent to do so, it reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all amounts credited to a participant's account become 100% vested.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2: Summary of Significant Accounting Policies - continued

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan at year end are stated at market value based on quoted market prices. Participant loan receivables are valued at amortized cost. The net unrealized appreciation in the market value of investments is included in investment income. The net unrealized depreciation in the market value of investments is included in deductions.

Payment of Benefits

Benefits are recorded as deductions when paid.

Excess Contributions Payable

The Plan is required to return contributions received during the plan year in excess of the Internal Revenue Code (IRC) limits. For the years ended December 31, 2023 and 2022, no amount was necessary as the Plan passed all year end required testing.

Note 3: Fair Value Measurements of Investments

Accounting Standards Codification (ASC) 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets that are unadjusted and accessible at the measurement date for identical, unrestricted assets or liabilities;

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 3: Fair Value Measurements of Investments - continued

Level 2 - Quoted prices for identical assets and liabilities in markets that are not active, quoted prices for similar assets and liabilities in active markets or financial instruments for which significant inputs are observable, either directly or indirectly; and

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments held in the Plan primarily consist of mutual funds, collective trust funds, and fixed annuities. These assets are recorded at fair value on a recurring basis. Certain investments are measured at fair value using the net asset value ("NAV") per share (or its equivalent) as a practical expedient. These investments include collective trust funds, which are typically valued using the NAV provided by the issuer of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus liabilities and divided by the number of shares or units outstanding. Assets using the practical expedient are not leveled under the fair value hierarchy. The following is a description of the valuation methodologies used for investments measured at fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2023:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 804,970	\$ -	\$ -	\$ 804,970
Total	\$ 804,970	\$ -	\$ -	\$ 804,970

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2022:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 428,835	\$ -	\$ -	\$ 428,835
Total	\$ 428,835	\$ -	\$ -	\$ 428,835

MCKENNA LABS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 3: Fair Value Measurements of Investments - continued

The following is a description of the valuation methodologies used for assets measured at fair value:

Position Description	Valuation Technique
Mutual Funds:	Valued at the closing NAV reported on the last business day of the fiscal year which is also the quoted market prices available on an active market.
Collective trust funds:	Valued by the issuer of the collective trust funds based on the NAV of its underlying investments. The underlying investments are valued by the issuer using quoted market prices on active markets and provide for daily redemptions with one or two days' notice.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4: Investment in Insurance Fund

As of December 31, 2023, the Plan held a fully benefit responsive group annuity contract, the Empower Investments Fixed Account - Series Class I, with Empower Annuity Insurance Company of America. The Empower Investments Fixed Account - Series Class I is a general account product of Empower Annuity Insurance Company of America.

As of December 31, 2022, the Plan held a fully benefit responsive group annuity contract, the Great-West Insurance Fixed Account - Series Class I, with Great-West Life & Annuity Insurance Company. The Great-West Insurance Fixed Account - Series Class I is a general account product of Great-West Life & Annuity Insurance Company.

Note 4: Investment in Insurance Fund - continued

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, and prevailing market conditions. The interest crediting rate is reset quarterly. As described in Note 3, contract value is the relevant measurement attribute for this fund.

Certain events limit the ability of the Plan to transact at contract value with Empower Annuity Insurance Company of America. Such events include premature termination of the contracts by the Plan, layoffs, cancelation of the Plan, bankruptcy, mergers and early retirement incentives. The Plan does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable. There are no reserves against contract value for credit risk of Empower or otherwise.

The following is a summary of the Plan's financial information and data certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the third-party administrator of the Plan, as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 6: Income Tax Status

The Plan obtained its latest determination letter dated November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended and restated since receiving such determination letter.

During 2021, the Plan identified certain operational and administrative issues related to ERISA bonding requirements. On October 13, 2022, the Plan Sponsor took corrective action and obtained a fidelity bond as required by ERISA for the Plan for the period October 12, 2022, through October 12, 2023. The Plan Administrator and the Plan’s tax counsel believe the Plan is designed and currently being operated in material compliance with the applicable requirements of the IRC and the Plan document and continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements for the years ended December 31, 2023, and 2022.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits of any tax periods in progress.
