INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Community Brands 401(k) Plan
St. Petersburg, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Brands 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank, the trustee of the Plan, a qualified institution, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the table of contents as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Community Brands 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Community Brands ParentCo, LLC (Plan Sponsor and Plan Administrator) and eligible employees of the adopting employers, which include Education Brands, LLC, GiveSmart US, Inc., World-Wide Registration Systems, Inc. dba Expo Logic, YourMembership.com, Inc., and NonProfit Brands LLC (effective July 1, 2023). The Plan Sponsor and the adopting employers are herein referred to as the Company. Employees not eligible through merger agreements become eligible upon hire if they are not union employees, leased employees, interns, temporary employees, per diem employees, senior event specialists, event specialists, assistant event specialists, or nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0) passed in December 2022. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Effective November 1, 2023, the Plan Administrator amended the Plan document to elect provisions to permit qualified disaster recovery distributions, increase loan limits, loan repayment suspensions, and recontributions of certain hardship withdrawals for home purchases.

Effective January 1, 2023, the Plan adopted Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses* on the modified retrospective basis, including related applicable ASUs. ASU 2016-13 significantly changed how entities measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in Financial Accounting Standards Board's (FASB) ASC 326 are employer and participant contributions receivable. The adoption did not result in an adjustment at the adoption date; however, the financial statements include new/enhanced disclosures.

Contributions

Participants may elect to defer up to 100% of their eligible compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan provides for a discretionary employer matching contribution for each eligible participant, which was 25% of the first 10% of annual compensation (as defined by the Plan) that a participant contributed to the Plan during the year ended December 31, 2023.

COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan also provides for a discretionary employer profit sharing contribution. There was no discretionary employer profit sharing contribution during the year ended December 31, 2023. The Plan was amended on August 1, 2023 to provide for an additional annual discretionary non-safe harbor matching contribution for eligible employees still employed at the end of the year for all adopting employers except for NonProfit Brands LLC employees. There was no additional annual discretionary non-safe harbor matching contribution during the year ended December 31, 2023. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with any transferred balances from other plans, the participant's contributions, and the Company's matching contributions, as well as an allocation of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the discretionary employer matching, profit sharing contributions, and additional annual discretionary non-safe harbor matching contributions plus actual earnings thereon is based on years of continuous service. Participants are fully vested in their discretionary employer matching and profit sharing contributions upon completion of two years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, subject to certain Department of Labor (DOL) and IRS requirements. Effective November 1, 2023, the Plan was amended to allow for a maximum loan amount of \$100,000. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Effective November 1, 2023, the Plan was amended to allow for certain individuals to suspend loan repayments for a period up to one year, as permitted by SECURE Act 2.0. Notes receivable are secured by the balances in the participants' accounts and bear interest at the prime rate plus 1.00%. Interest rates on notes receivable ranged from 4.25% to 9.50% at December 31, 2023. Principal and interest are paid ratably through bi-weekly payroll deductions.

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon the attainment of age 59½, termination of service, or permanent disability, a participant, or a participant's beneficiary in the event of the death of the participant, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, subject to Plan provisions. If the value of the vested benefits credited to the participant's account is \$5,000 or less (excluding rollovers) at the time of termination, the entire account will be automatically distributed to a participant without the participant's consent.

Active participants may elect hardship withdrawals from all vested account balances, subject to Plan provisions. Effective November 1, 2023, the Plan was amended to allow for participant recontributions of hardship withdrawals for home purchases, subject to Plan provisions.

Effective November 1, 2023, the Plan was amended to allow for participants to elect qualified disaster recovery withdrawals from all vested account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures may be used to reduce future employer contributions, or to pay Plan expenses. Unallocated forfeitures as of December 31, 2023 and 2022 were \$162,183 and \$9,827, respectively. Forfeitures of \$34,110 were used to pay Plan expenses and forfeitures of \$2,122 were used to reduce employer contributions for the year ended December 31, 2023.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Income Recognition

Purchases and sales of securities are recorded on the trade date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions

Contributions from Plan participants and related employer contributions are recorded in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of the contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Administrator's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Administrator's assessment as of December 31, 2023 and 2022, no allowances for contributions receivable were recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in investment income on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Company adopted a non-standardized pre-approved profit sharing, money purchase plan with a cash or deferred arrangement which received an opinion letter from the IRS dated September 21, 2020 stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2024, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 were obtained by management and agreed to or derived from information certified as complete and accurate by the trustee.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2023 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 14,908,278</u>	<u>\$ 14,908,278</u>
Total investments in the fair value hierarchy	<u>\$ 14,908,278</u>	14,908,278
Investments measured at net asset value		<u>59,430,710</u>
Total investments at fair value		<u>\$ 74,338,988</u>

The Plan's investments accounted for at fair value as of December 31, 2022 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 10,760,049</u>	<u>\$ 10,760,049</u>
Total investments in the fair value hierarchy	<u>\$ 10,760,049</u>	10,760,049
Investments measured at net asset value		<u>50,211,352</u>
Total investments at fair value		<u>\$ 60,971,401</u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Common/collective trusts are valued at the net asset values of units held by the Plan at year end. The net asset values, as provided by the trustee, are used as a practical expedient to estimate fair values. The net asset values are based on the fair values of the trusts' underlying assets, less their liabilities. The assets of these trusts are further described in Note E. This practical expedient is not used when it is determined to be probable that the funds will sell the investments for amounts different than the reported net asset values.

The methods described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements or disclosures as of the reporting date.

NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUSTS

The Plan's investments in the Morley Stable Value Fund and the Schwab Indexed Retirement Trust Funds 2010, 2015, 2020, 2025, 2030, 2035, 2040, 2045, 2050, 2055, 2060, 2065 are common/collective trust funds.

Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balances. A transfer of assets from the Morley Stable Value Fund (the Fund) to a competing investment vehicle must first be held in a non-competing investment vehicle for 30 days before the transfer to the competing investment vehicle may be elected. The Fund requires a twelve month advance written notice in the case of a full or partial withdrawal of Plan assets from the Fund due to Company directed actions or to a competing investment option.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

COMMUNITY BRANDS 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022 and Year Ended December 31, 2023

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in the funds of the trustee, and related interest and dividend income and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Charles Schwab Trust Bank (Charles Schwab) provides certain administrative services to the Plan. Charles Schwab received revenue for these services at crediting rates per investment ranging from 0.015% to 0.810% of the funds' balances as of December 31, 2023. These fees reduce the rate of return credited to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE I - DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Company is required to segregate participant contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

During 2021, the Company failed to remit \$4,987 of participant deferrals and loan repayments to the Plan timely. As of December 31, 2023, the participant deferrals and the lost earnings associated with \$345 and the lost earnings associated with \$4,642 of these delinquent contributions have not been remitted to the Plan.

During 2020, the Company failed to remit \$48,171 of participant deferrals and loan repayments to the Plan timely. As of December 31, 2023, the participant deferrals and the lost earnings associated with \$47,885 and the lost earnings associated with \$286 of these delinquent contributions have not been remitted to the Plan.

During 2019, the Company failed to remit \$12,012 of participant deferrals and loan repayments to the Plan timely. As of December 31, 2023, \$11,963 of the late remittances have not yet been remitted to the Plan and lost earnings associated with \$12,012 of the late remittances have not been remitted to the Plan.
