INDEPENDENT AUDITORS' REPORT

**To The Plan Administrator
Circare 401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Circare 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Circare 401(k) profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Ascensus Trust Company as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by Ascensus Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Circare 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Circare 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Circare 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Circare 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit

of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CIRCARE 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 – Description of the Plan

General

The Plan is a defined contribution 401(k) savings/profit-sharing plan covering all employees of Onondaga Case Management Services, Inc. (DBA Circare) (the Company) 18 years or older with one year of service. The Plan was adopted by the Company effective December 15, 1989, and is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA) as amended. The Plan is administered by the Company.

Eligibility

An employee will be eligible to become a participant in the Plan after attaining the age of 18 prior to the enrollment date. Newly hired employees will be automatically enrolled when they meet the eligibility requirements unless they opt out. The auto enrollment feature includes a 3% auto deferral rate. If employees do not make investment elections, amounts contributed under the automatic enrollment feature of the plan will be invested in the default investment (Balanced Portfolio – 100%) until they make an investment election.

Contributions

Each year participants may contribute up to the maximum allowable pre-tax contribution as well as after tax Roth contributions as defined in the Plan. Each year the Company may elect to make a discretionary profit-sharing contribution with the approval of the Board of Directors.

Participant Account

Each participant's account is credited with the participant's contributions and allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of Plan losses and certain administrative fees paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions are 100% vested at all times.

Employer profit-sharing contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

CIRCARE 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 – Description of the Plan (continued)

Vesting (continued)

Participants will be 100% vested in employer profit-sharing contributions on the later of the date of their Normal Retirement Age (55) or the 5th anniversary of the first day of the Plan Year in which participation in the Plan commenced.

Notes Receivable from Participants

Loans to participants shall be permitted. The minimum amount of any loan shall be \$1,000. Loans cannot exceed the lesser of \$50,000 or one-half of the vested portion of the participant account balance. The term of the loan cannot be longer than five years, unless the loan qualifies as a home loan, in which case the repayment period cannot exceed 15 years. The loans are secured by the balance in the participant's account. The loan interest rate is prime plus 1%. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon death, total and permanent disability, retirement or termination, the participant's vested benefits are paid in a lump sum or installments for participants who receive required minimum distributions. Payment of participant's vested benefits will be paid out when the participant requests a distribution. Hardship withdrawals can be made for qualifying expenses listed in the Plan document. In-service distributions may be made to participants who have reached age 59 ½. Involuntary cash-outs are permitted if the vested balances are less than \$1,000.

Forfeitures

If a participant stops working before they are 100% vested, the part of their account that is not vested is forfeited. All forfeitures shall be used to reduce employer contributions or pay Plan expenses otherwise payable to the Plan year in which such forfeitures arise, and for each succeeding Plan year, if necessary, until such forfeitures are exhausted. The amount of forfeitures available were \$3,217 and \$17,805 at December 31, 2023 and 2022, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements included herein have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles and are in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CIRCARE 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the payment date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal. Interest income is recorded when received. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Administrative Expenses

Administrative expenses are paid by Onondaga Case Management Services, Inc. Investment advisor fees and transaction fees are paid out of participant accounts.

Payment of Benefits

Benefits are recorded when paid.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Notes to Financial Statements

Note 3 – Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The level in the fair value hierarchy within which a fair measurement falls is based on the lowest level input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing deposits – Valued at carrying value, which approximates fair value.

The following table represents the current market value of mutual funds invested in by the plan as of December 31, 2023 and 2022.

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive the total balance in their individual account.

Note 5 – Delinquent Participant Contributions

As reported on form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, contributions were not remitted to the Plan within the time frame specified by the Department of Labor's regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company during the 2023 Plan year. Late remittances amounted to \$5,671. The Company is currently in the process of making appropriate filings in accordance with the DOL's Voluntary Fiduciary Corrective Program.

Note 7 – Income Taxes

The Internal Revenue Service has determined by a letter dated June 30, 2020, that the Plan, Non-standard Pre-Approved Profit Sharing/Money Purchase/CODA, is designed in accordance with applicable section 401 of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2020.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Related Party Transactions

The Company pays for the administration and record-keeping expenses of the Plan. Investment advisor fees are paid out of Plan assets.

Note 10 – Certified Investments

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule, that was derived from the information prepared by Ascensus Trust Company, the trustee of the Plan and furnished to the Company. The Company has obtained certifications from Ascensus Trust Company as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that such information is complete and accurate.
