INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Plan Administrator of
Wedgwood Christian Services Employee Savings Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Wedgwood Christian Services Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wedgwood Christian Services Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Wedgwood Christian Services Employee Savings Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Wedgwood Christian Services Employee Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note B to the financial statements, the Wedgwood Christian Services Employee Savings Plan has excluded from investments in the accompanying statement of assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income (loss) and distributions related to such accounts have also been excluded in the accompanying statement of changes in assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income (loss) and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income (loss) and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wedgwood Christian Services Employee Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Wedgwood Christian Services Employee Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Wedgwood Christian Services Employee Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note A – Description of Plan

The following description of Wedgwood Christian Services Employee Savings Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering all full-time and part-time employees of Wedgwood Christian Services (Organization), the Plan's sponsor. Eligible employees can become participants in the Plan on the employee's date of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make contributions to the Plan through payroll deductions from each participant's compensation, as defined, subject to statutory limitations. Participants that meet certain criteria are eligible to make catch-up contributions to the Plan. The Plan also allows participants to transfer funds from other qualified plans into the Plan. Eligible employees are automatically enrolled into the Plan with an initial contribution of 3% of compensation, as soon as administratively feasible. The amount of the participant's deferral contribution will be increased by 1% each January 1, up to 10%, unless a participant affirmatively changes their contribution rate.

The Organization may elect to make discretionary matching contributions. Matching contributions are made for each pay period if pay deferral contributions are made on behalf of the participant with regard to the pay period. For the years ended December 31, 2023 and 2022, the Organization made matching contributions of 50% of employee deferrals up to 3% of the employee's eligible compensation.

The Organization may also elect to make discretionary contributions. Discretionary contributions are allocated to eligible employees who are employed on the last day of the plan year and have worked at least 1,000 hours. There were no discretionary employer contributions made into the Plan for the years ended December 31, 2023 and 2022.

Plan Operations

The Organization has appointed Newport Trust Company (through December 20, 2022), Mutual of America Life Insurance Company, The Variable Annuity Life Insurance Company, Lincoln National Life Insurance Company, and Lincoln Financial Group Trust Company, Inc. (from December 20, 2022 through December 31, 2023) (Certifying Entities) to hold assets of the Plan. These entities are responsible for holding investment assets of the Plan, executing investment transactions, and making distributions to participants. The Chief Human Resources Officer of the Organization acts as plan administrator. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled. The Plan's fiduciary committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment strategy, and monitors investment performance.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note A – Description of Plan (Continued)

Participant Accounts

Individual accounts are maintained for each participant, with benefits limited to the amount contributed to the participant's account plus or minus any allocation of income, expenses, gains, or losses. Allocations to participant accounts are based on compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan allows participants to self-direct investment transactions associated with separate investment fund options made available by the employer for this purpose.

Vesting

Participants are immediately vested in employee deferral and rollover contributions. Employer contributions become fully vested when participants complete three years of qualified service.

Loans to Participants

Under certain conditions, a participant may obtain a loan from the Plan. Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000, reduced by the participants highest outstanding loan balance during the 12-month period before the loan is made, or one-half of the vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator, ranging from 3.25% to 9.50%. Principal and interest repayments are made through payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump sum payment equal to the vested interest in his or her account or installment payments. In-service withdrawals are also permitted after having attained age 59½ or in cases of financial hardship.

Costs and Expenses

Certain custodial fees, transaction fees, and other administrative expenses are paid by the Plan and are based on reasonable and customary rates. Certain other costs and expenses incurred in connection with the operation of the Plan are borne by the Organization.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are used to reduce employer contributions or to pay plan expenses. The balance in the forfeiture accounts was \$2,851 and \$590 at December 31, 2023 and 2022, respectively. Forfeitures of \$35,842 and \$10,998 were used to reduce employer contributions or pay plan expenses for the years ended December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimate

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported in the Plan's financial statements at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Income from interest is recorded as it is earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade date basis. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds, common/collective trust, and pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Excluded Contracts

The plan administrator has elected to exclude certain contracts and accounts from plan assets in accordance with Department of Labor's Field Assistance Bulletin No. 2009-02 due to the following:

- the contract or account was issued to a current or former employee before January 1, 2009,
- the employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact, stopped making contributions to the contract or account before January 1, 2009,
- all the rights under the contract or account are legally enforceable against the insurer by the individual owner of the contract or account without any involvement by the employer,
- the individual owner of the contract should be fully vested in the contract or account.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note B – Summary of Accounting Policies (Continued)

Because the plan administrator has elected to exclude certain contracts in accordance with Department of Labor's Field Assistance Bulletin No. 2009-02, the excluded contracts are not in accordance with accounting principles generally accepted in the United States of America and, accordingly, it is not intended that these financial statements be presented in accordance with accounting principles generally accepted in the United States of America.

Investment Contracts with Insurance Companies

Plan assets include fully benefit-responsive group annuity fixed income contracts issued by the Lincoln National Life Insurance Company (Lincoln), Mutual of America, and The Variable Annuity Life Insurance Company (VALIC). The methodology for calculating the interest crediting rate is defined in the terms of the contracts. Under terms of the existing contracts, the crediting rate is reset on a semi-annual basis and will never be less than 0%.

As described above, because the fixed income contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the assets available for benefits attributable to the contract. Contract value, as reported to the Plan by the custodians, represents contributions made under the contracts, plus earnings at guaranteed crediting rates, less participant withdrawals, and fees. Participants may ordinarily direct permitted withdrawal or transfer of all or a portion of their investment at contract value within reasonable timeframes. By definition, the fixed income contract is an insurance contract. As a result, the Plan may transact or terminate the contract according to the terms defined in the contract at any time. There are no events or circumstances that permit the issuer to terminate the contract and settle at amounts other than contract value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Related fees are charged directly to the participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document; therefore, an allowance for credit losses is not considered necessary at December 31, 2023 and 2022.

Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note C – Fair Value Measurements

The Plan's investments, with the exception of the fully benefit-responsive investment contracts, are reported at fair value in the accompanying statements of assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets,
- quoted prices for identical or similar assets and liabilities in markets that are not active,
- other inputs that are observable or can be corroborated by observable market data,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs are generally unobservable and significant to the fair value measurement. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued based on quoted net asset values (NAV) of the shares held by the Plan on the last business day of the plan year.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note C – Fair Value Measurements (Continued)

Common/collective trust: Valued at NAV, which is determined by the custodian sponsoring the common collective trust by dividing the trust's net assets at fair value by its units outstanding at the valuation dates. The objective of the fund is to provide preservation of capital and stable returns. Underlying investments are valued based on quoted prices of identical assets when available or based on third party matrix pricing methodologies.

Pooled separate accounts: Valued at NAV based on the closing price for underlying securities, reported on the active market on which underlying securities are traded or based on quoted prices of similar assets. The NAV of each of the separate accounts is reported by the fund managers as of the financial statement date based on recent transaction prices and represents the price at which the Plan would be able to initiate a transaction. The pooled separate accounts held by the Plan provide for daily redemptions by the plan at reported NAV with no advance notice requirement and have no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

	Level 1	Level 2	Level 3	Total
<u>December 31, 2023</u>				
Mutual funds	\$ 5,865,951	\$ -	\$ -	\$ 5,865,951
Common/collective trust	-	1,536,140	-	1,536,140

Investments at fair value	<u>\$ 5,865,951</u>	<u>\$ 1,976,592</u>	<u>\$ -</u>	<u>\$ 7,842,543</u>
<u>December 31, 2022</u>				
Mutual funds	\$ 5,147,062	\$ -	\$ -	\$ 5,147,062
Common/collective trust	-	986,834	-	986,834

Investments at fair value	<u>\$ 5,147,062</u>	<u>\$ 1,336,856</u>	<u>\$ -</u>	<u>\$ 6,483,918</u>

Note D – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note E – Information Certified by Certifying Entities

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2023 and 2022, net appreciation or depreciation in fair value of investments, interest and dividends, interest income from note receivable from participants, and revenue sharing for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Certifying Entities.

Note F – Party-In-Interest Transactions

Plan investments include common/collective trust, pooled separate accounts, and insurance company unallocated contracts managed by affiliates of Mutual of America Life Insurance Company, The Variable Annuity Life Insurance Company, and Lincoln National Life Insurance Company, and Lincoln Financial Group Trust Company, Inc. who hold the Plan's investments. Therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan to parties-in-interest for services rendered to the Plan were \$37,080 and \$60,382 for the years ended December 31, 2023 and 2022, respectively. Such fees were based on reasonable and customary rates.

In addition, the Plan maintains notes receivable from participants. Those party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note G – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

Note H – Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service (IRS). The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

WEDGWOOD CHRISTIAN SERVICES EMPLOYEE SAVINGS PLAN

December 31, 2023 and 2022

Note H – Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
