(2) EIN: **34-0677006**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		35000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		☒	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditors' Report

The Plan Administrator
The J. M. Smucker Company
Employee Savings Plan
Orrville, Ohio

Opinion

We have audited the financial statements of The J. M. Smucker Company Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note A. Description of Plan

The following is a summary of certain provisions of The J. M. Smucker Company Employee Savings Plan (the “Plan”). Participants should refer to the Plan document for more complete information.

The Plan is a defined contribution plan that covers substantially all employees of The J. M. Smucker Company (the “Company”) who are not covered by a collective bargaining agreement as well as certain union employees. The Plan became effective May 1, 1985. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Covered employees who elect to participate may generally contribute from 1% to 50% of their eligible annual compensation, subject to certain Internal Revenue Service (“IRS”) limitations. Eligible participants are automatically enrolled to defer 6% of compensation unless they elect not to participate. Effective January 1, 2022, an amendment was made to add an auto-escalate feature to the Plan. Employee contributions are invested in various investment funds in proportions selected by each participant. Participants may make pre-tax or Roth 401(k) contributions. Additionally, participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make catch up contributions. Participants may also contribute amounts representing distributions from qualified defined benefit or defined contribution plans (rollover). The Company has agreed to match employee contributions at various rates as defined in the Plan. Fidelity Management Trust Company (the “Trustee”) maintains an account through Fidelity Investments into which Company contributions are made. Participants have the ability to direct the match into any of the investments within the Plan and can direct up to 35% of the match into Employer Common Shares. In addition to the above match, the Company has agreed to make nonelective contributions on behalf of certain employees related to various Company acquisitions as also defined by the Plan.

Effective January 1, 2019, all participants were made 100% vested in their employer matching contribution accounts. Prior to January 1, 2019, participants vested in the Company contributions at an annual rate of 20% after each of the first five years of vesting service. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$1,932 and \$285,639, respectively. These amounts were used to offset Company contributions in the subsequent year.

Dividends, interest, and other income earned are reinvested by the fund managers in the fund for which such income was received. Each participant’s account is credited with the participant’s contribution and an allocation of the Company’s contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

The Plan permits limited borrowing by a participant against the value of his or her account not to exceed the lesser of 50% of the vested account balance or \$50,000. The loan interest rates will be based on the prime rate plus 2%. Repayments of principal and interest are credited to the participants’ separate accounts within the funds as elected by the participants. Until such repayments are received, the loan is accounted for in the participant loan fund.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note A. Description of Plan (Continued)

Participants who terminate under the Plan are paid the current value of their vested account balances. Participants may elect in-kind distribution of investments in Employer Common Shares. All other distributions are in the form of lump sum cash payments. The Plan provides for the immediate payout of a participant's separate account upon retirement, death, or other termination unless the balance of the account exceeds \$5,000.

In this instance, payout will not occur without the consent of the participant and his/her spouse, if applicable. In the event of a mandatory distribution which is greater than \$1,000 and up to and including \$5,000, if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the plan administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the plan administrator. The Plan also provides for in-service distributions upon attaining age 59½, and hardship withdrawals, subject to certain limitations. In addition, any cash dividends on Employer Common Shares which would otherwise be allocated to a participant's account shall, at the election of the participant, be paid to the Plan and distributed in cash to the participant not later than ninety days after the close of the plan year in which paid by the Company.

Although it has not expressed any intent to do so, the Company has the right, by action of the Board of Directors, to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall be fully vested and shall receive a full distribution of the balances in their respective accounts.

Note B. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Fees:

All administrative fees are paid by the Company or the Plan at the option of the Company, or by a flat fee to participants in addition to fees for certain participant initiated transactions.

Investment Valuation and Income Recognition:

Investments of the Plan are in the form of Employer common shares, units of various mutual funds, participant-directed brokerage accounts, common/collective trusts, and a money market fund. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Administration & Investments Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and Trustee. See Note C for a description of fair value measurements.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note B. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties:

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments:

Benefit payments are recorded when paid.

Subsequent Events:

The Company has evaluated subsequent events through October 8, 2024, which is the date the financial statements were available to be issued.

The Company acquired Hostess Brands, LLC on November 7, 2023. Approximately 3,000 Hostess employees became eligible to participate in the Plan effective July 1, 2024.

Note C. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Significant observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Significant unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for assets of the Plan measured at fair value:

- Mutual funds and money market fund: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end, and are classified as Level 1.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note C. Fair Value Measurements (Continued)

- Common stock and other marketable securities: Valued at the closing price reported in the active market in which the individual securities are traded, and are classified as Level 1.
- Common/collective trusts: Investments are held and managed by Fidelity Management Trust Company. The fair value of investments held in these accounts is based on their reported NAV. The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2022 to 2023. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note D. Related Party/Party-in-Interest Transactions

During the plan year ended December 31, 2023, the Plan purchased 37,452 shares of common stock of The J. M. Smucker Company at a combined cost of \$5,033,997 and 143,952 shares were sold for combined proceeds of \$20,083,666. The realized gain on these sales was \$2,726,896.

During the plan year ended December 31, 2022, the Plan purchased 41,249 shares of common stock of The J. M. Smucker Company at a combined cost of \$5,601,013 and 205,701 shares were sold for combined proceeds of \$29,344,730. The realized gain on these sales was \$1,406,420.

At December 31, 2023 and 2022, the Plan held 1,119,666 and 1,226,166 shares, respectively, of The J. M. Smucker Company Common Shares. These transactions qualify as related party transactions.

Certain Plan investments are units of mutual funds, money market funds and units of common/collective trusts managed by Fidelity Management Trust Company or Fidelity Investments. These entities also receive administrative expenses from the Plan. Fidelity Management Trust Company is the Trustee as defined by the Plan and related to Fidelity Investments and, therefore, these transactions qualify as party-in-interest transactions.

Note E. Income Tax Status

The Plan obtained a determination letter on August 15, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Independent Auditors' Report

The Plan Administrator
The J. M. Smucker Company
Employee Savings Plan
Orrville, Ohio

Opinion

We have audited the financial statements of The J. M. Smucker Company Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note A. Description of Plan

The following is a summary of certain provisions of The J. M. Smucker Company Employee Savings Plan (the “Plan”). Participants should refer to the Plan document for more complete information.

The Plan is a defined contribution plan that covers substantially all employees of The J. M. Smucker Company (the “Company”) who are not covered by a collective bargaining agreement as well as certain union employees. The Plan became effective May 1, 1985. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Covered employees who elect to participate may generally contribute from 1% to 50% of their eligible annual compensation, subject to certain Internal Revenue Service (“IRS”) limitations. Eligible participants are automatically enrolled to defer 6% of compensation unless they elect not to participate. Effective January 1, 2022, an amendment was made to add an auto-escalate feature to the Plan. Employee contributions are invested in various investment funds in proportions selected by each participant. Participants may make pre-tax or Roth 401(k) contributions. Additionally, participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make catch up contributions. Participants may also contribute amounts representing distributions from qualified defined benefit or defined contribution plans (rollover). The Company has agreed to match employee contributions at various rates as defined in the Plan. Fidelity Management Trust Company (the “Trustee”) maintains an account through Fidelity Investments into which Company contributions are made. Participants have the ability to direct the match into any of the investments within the Plan and can direct up to 35% of the match into Employer Common Shares. In addition to the above match, the Company has agreed to make nonelective contributions on behalf of certain employees related to various Company acquisitions as also defined by the Plan.

Effective January 1, 2019, all participants were made 100% vested in their employer matching contribution accounts. Prior to January 1, 2019, participants vested in the Company contributions at an annual rate of 20% after each of the first five years of vesting service. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$1,932 and \$285,639, respectively. These amounts were used to offset Company contributions in the subsequent year.

Dividends, interest, and other income earned are reinvested by the fund managers in the fund for which such income was received. Each participant’s account is credited with the participant’s contribution and an allocation of the Company’s contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

The Plan permits limited borrowing by a participant against the value of his or her account not to exceed the lesser of 50% of the vested account balance or \$50,000. The loan interest rates will be based on the prime rate plus 2%. Repayments of principal and interest are credited to the participants’ separate accounts within the funds as elected by the participants. Until such repayments are received, the loan is accounted for in the participant loan fund.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note A. Description of Plan (Continued)

Participants who terminate under the Plan are paid the current value of their vested account balances. Participants may elect in-kind distribution of investments in Employer Common Shares. All other distributions are in the form of lump sum cash payments. The Plan provides for the immediate payout of a participant's separate account upon retirement, death, or other termination unless the balance of the account exceeds \$5,000.

In this instance, payout will not occur without the consent of the participant and his/her spouse, if applicable. In the event of a mandatory distribution which is greater than \$1,000 and up to and including \$5,000, if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the plan administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the plan administrator. The Plan also provides for in-service distributions upon attaining age 59½, and hardship withdrawals, subject to certain limitations. In addition, any cash dividends on Employer Common Shares which would otherwise be allocated to a participant's account shall, at the election of the participant, be paid to the Plan and distributed in cash to the participant not later than ninety days after the close of the plan year in which paid by the Company.

Although it has not expressed any intent to do so, the Company has the right, by action of the Board of Directors, to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall be fully vested and shall receive a full distribution of the balances in their respective accounts.

Note B. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Fees:

All administrative fees are paid by the Company or the Plan at the option of the Company, or by a flat fee to participants in addition to fees for certain participant initiated transactions.

Investment Valuation and Income Recognition:

Investments of the Plan are in the form of Employer common shares, units of various mutual funds, participant-directed brokerage accounts, common/collective trusts, and a money market fund. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Administration & Investments Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and Trustee. See Note C for a description of fair value measurements.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note B. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties:

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments:

Benefit payments are recorded when paid.

Subsequent Events:

The Company has evaluated subsequent events through October 8, 2024, which is the date the financial statements were available to be issued.

The Company acquired Hostess Brands, LLC on November 7, 2023. Approximately 3,000 Hostess employees became eligible to participate in the Plan effective July 1, 2024.

Note C. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Significant observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Significant unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for assets of the Plan measured at fair value:

- Mutual funds and money market fund: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end, and are classified as Level 1.

THE J. M. SMUCKER COMPANY
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note C. Fair Value Measurements (Continued)

- Common stock and other marketable securities: Valued at the closing price reported in the active market in which the individual securities are traded, and are classified as Level 1.
- Common/collective trusts: Investments are held and managed by Fidelity Management Trust Company. The fair value of investments held in these accounts is based on their reported NAV. The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2022 to 2023. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note D. Related Party/Party-in-Interest Transactions

During the plan year ended December 31, 2023, the Plan purchased 37,452 shares of common stock of The J. M. Smucker Company at a combined cost of \$5,033,997 and 143,952 shares were sold for combined proceeds of \$20,083,666. The realized gain on these sales was \$2,726,896.

During the plan year ended December 31, 2022, the Plan purchased 41,249 shares of common stock of The J. M. Smucker Company at a combined cost of \$5,601,013 and 205,701 shares were sold for combined proceeds of \$29,344,730. The realized gain on these sales was \$1,406,420.

At December 31, 2023 and 2022, the Plan held 1,119,666 and 1,226,166 shares, respectively, of The J. M. Smucker Company Common Shares. These transactions qualify as related party transactions.

Certain Plan investments are units of mutual funds, money market funds and units of common/collective trusts managed by Fidelity Management Trust Company or Fidelity Investments. These entities also receive administrative expenses from the Plan. Fidelity Management Trust Company is the Trustee as defined by the Plan and related to Fidelity Investments and, therefore, these transactions qualify as party-in-interest transactions.

Note E. Income Tax Status

The Plan obtained a determination letter on August 15, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.
