Independent Auditor's Report

To the Administrative Committee of
the Divert, Inc. 401(k) Plan for Exempt Employees
Concord, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Divert, Inc. 401(k) Plan for Exempt Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As further discussed in Note 1 to the financial statements, effective October 23, 2023, the Plan merged into the Divert, Inc. 401(k) Plan for Non-Exempt Employees. The transferred net assets have been recognized in the accounts of the Divert, Inc. 401(k) Plan for Non-Exempt Employees on or about October 23, 2023 at their balances previously carried in the accounts of the Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Divert, Inc. 401(k) Plan for Exempt Employees
Notes to the Financial Statements
December 31, 2023

Note 1 - Plan Description

The following description of the Divert, Inc. 401(k) Plan for Exempt Employees (the “Plan”) provides only general information. Participants of the Plan should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution 401(k) and Profit Sharing plan covering substantially all employees of Divert, Inc. (the “Company” or “Employer”). Employees covered by a collective bargaining agreement, nonresident aliens, leased employees, employees who are paid on an hourly basis, reclassified employees (as defined by the Plan), and employees of any employer acquired as part of a Code §410(b)(6)(C) transaction are ineligible to participate in the Plan. Entry into the Plan is permitted on the first day of the month immediately following satisfaction of the eligibility requirements. There is no minimum age or service requirement for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The initial effective date of the Plan was January 1, 2020 and the Plan was most recently amended and restated effective January 1, 2022. Nicholas Whitman is the trustee of the Plan.

Plan Merger: Effective October 23, 2023, the Divert, Inc. 401(k) Plan for Exempt Employees merged into the Divert, Inc. 401(k) Plan for Non-Exempt Employees. The transferred net assets have been recognized in the accounts of the Divert, Inc. 401(k) Plan for Non-Exempt Employees on or about October 23, 2023 at their balances previously carried in the accounts of the Divert, Inc. 401(k) Plan for Exempt Employees. A summary of the transferred out net assets follows:

Investments, at fair value	\$ 4,275,964
Notes receivable from participants	39,853
	<u>\$ 4,315,817</u>

Employee Contributions: Unless they affirmatively elect otherwise, eligible participants will have their compensation reduced in accordance with a Qualified Automatic Contribution Arrangement (QACA), as defined by the Plan. Alternatively, participants may elect to contribute (through payroll withholding) an amount up to 90% of such participant’s compensation on a before-tax or after tax (Roth) basis for each payroll period, subject to an annual maximum dollar limitation of \$22,500 in 2023, as determined by government regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$7,500 in 2023. Participants may also contribute amounts representing distributions from other retirement plans and certain IRAs (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions: The Plan is designed to qualify as a “Safe Harbor 401(k) Plan”. The Employer has elected to contribute as a QACA Safe Harbor matching contribution 100% of the Participant contribution up to a maximum of 1% of the Participant’s compensation plus 50% of the next 5% of “eligible” Participant’s compensation. The Employer may also make other discretionary contributions to the Plan. These contributions are called Nonelective Contributions and are allocated to the Participant’s account on the annual valuation date. Contributions are subject to certain IRS limitations.

Divert, Inc. 401(k) Plan for Exempt Employees
Notes to the Financial Statements
December 31, 2023

Note 1 - Plan Description (continued)

Participant Accounts: Each participant's account is credited with the participant's contributions and Company QACA Safe Harbor matching contributions, as well as allocations of the Company's discretionary contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in QACA Safe Harbor matching contributions after two years of credited service. Vesting in the Company's discretionary nonelective contribution and additional discretionary matching contributions are based on the years of vesting service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1 year	0%
1 year, but less than 2	50%
2 years or more	100%

Participants are also fully vested upon attaining Normal Retirement Age, or upon death or disability.

Forfeitures: Forfeited nonvested accounts, if any, will be used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Partial or installment distributions will only be permitted to satisfy required minimum distribution rules. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In-service distributions are permitted after attaining age 59 ½.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance in their account during the prior 12 month period. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. A participant may only have one loan outstanding at a time. The loan must be repaid within 5 years unless for the purchase of a principal residence (30 years). Principal and interest are paid ratably through monthly payroll deductions or Automatic Clearing House (ACH).

Note 1 - Plan Description (continued)

SECURE Act and CARES Act: On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was passed, and most provisions in the law became effective on January 1, 2020. The SECURE Act implements key retirement legislation reform for plan sponsors and individuals. These provisions did not have a material impact on the financial statements.

In response to the COVID-19 global pandemic, on March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was enacted and signed into law. Certain provisions of the CARES Act impact the operation of retirement plans during 2023. These provisions did not have a material impact on the financial statements.

On August 3, 2022, the IRS released Notice 2022-33, which extends the deadline for adopting any SECURE Act plan amendments until December 31, 2025, to provide relief for plan sponsors waiting for final IRS guidance on many of the SECURE Act’s provisions. The IRS expects SECURE Act guidance to be issued with the 2023 Required Amendment list. The Notice also extends the deadline for the 2020 waiver in the CARES Act of required minimum distributions until December 31, 2025. These amendments can be retroactively adopted; therefore, the Plan can implement the amendments prior to amending the plan instrument. Similarly, plans may have voluntarily adopted provisions under the CARES Act by placing them in operation without amending the plan as long as the plan management makes the required amendments to plan documents by December 31, 2025.

SECURE 2.0 Act of 2022: The SECURE 2.0 Act of 2022 (“SECURE 2.0 Act”) was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the SECURE 2.0 Act generally need not be made until the end of the first plan year beginning on or after January 1, 2025; however, plans must be operated in accordance with the effective date of each new provision. There is no current impact to the Plan and these provisions did not have an impact on the financial statements. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: If applicable, amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3 – Investments and Information Certified by the Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Charles Schwab Trust Bank, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedule:

Note 3 – Investments and Information Certified by the Custodian (continued)

Investments held certified by the custodian:

	<i>As of December 31,</i>	
	2023	2022
Investments	\$ -	\$ 2,605,490

Investment income certified by the custodian for the year ended December 31, 2023:

Net appreciation in fair value of investments	\$ 119,085
Interest and dividend income	8,537

The following presents select investments, with approximate percentage of the Plan’s net assets, as of December 31, 2022.

TIAA CREF Lifecycle Index 2055 Institutional	\$ 426,068	16%
Charles Schwab Personal Choice Retirement Account	424,148	16%

During the year ended December 31, 2023, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$119,085.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Notes to the Financial Statements

Note 4 – Fair Value Measurements (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage account: Value based on the underlying net assets values of investments.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022:

	<i>Assets at Fair Value as of December 31, 2022</i>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,044,312	\$ -	\$ -	\$ 2,044,312
Interest-bearing cash	137,030	-	-	137,030
Other - Self-directed brokerage account	424,148	-	-	424,148
Total assets in fair value hierarchy	<u>\$ 2,605,490</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,605,490</u>
Investments at fair value				<u>\$ 2,605,490</u>

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. See Note 1.

Note 6 - Tax Status

The Plan uses a Non-Standardized Pre-Approved Profit Sharing Plan With CODA plan document sponsored by EPIC Advisors, Inc. EPIC Advisors, Inc. obtained an opinion letter on June 30, 2020 in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan With CODA plan document used by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – Related-Party Transactions and Party-In-Interest Transactions

Management believes that fees paid during the year for administrative, managerial, and recordkeeping services rendered by Charles Schwab Trust Bank, the custodian as defined by the Plan, and EPIC Retirement Plan Services, the recordkeeper as defined by the Plan, were based on customary and reasonable rates for such services. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered exempt party-in-interest transactions.

Note 9 – Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date which the financial statements were available to be issued.
