Kaufman Dolowich, LLP Retirement Plan
Woodbury, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 financial statements

We have performed audit of the financial statements of Kaufman Dolowich, LLP Retirement Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Kaufman Dolowich, LLP Retirement Plan's ability to continue as a going concern within one year after the date of the financial statements were issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kaufman Dolowich, LLP Retirement Plan's, internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaufman Dolowich, LLP Retirement Plan's ability to continue as a going concern for a reasonable period.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Other Matters Supplemental Schedule Required by ERISA

The 2023 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Kaufman Dolowich, LLP Retirement Plan (formerly known as Kaufman, Dolowich & Voluck LLP Retirement Plan). In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 6, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Kaufman Dolowich, LLP Retirement Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

1. Plan Description

The following description of Kaufman Dolowich, LLP Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. Effective November 1, 2023, the Plan name was amended from Kaufman, Dolowich & Voluck, LLP Retirement Plan.

General

The Plan was established on July 1, 1986, and was amended and restated on June 23, 2022, is a defined contribution profit sharing plan covering eligible employees of Kaufman Dolowich, LLP (the "Company"). Employees are eligible to participate in the Plan following the date the participant attains age 21 and 83 1/3 hours of service is completed for a one month period; provided the participant is an eligible employee at the end of that period. As of November 1, 2023, the Plan was amended to include all eligible employees of ClaimsFirst Services LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA").

Contributions

Participants in the Plan may contribute pre-tax deferral contributions up to the maximum amount permitted by the Internal Revenue Service ("IRS") each calendar year, which is \$22,500 for the calendar year ended December 31, 2023. Employees over the age of 50 can elect to contribute an additional \$7,500 for the calendar year ended December 31, 2023. Participants may also make rollover contributions from other qualified plans. Effective January 1, 2016, participants may elect to contribute Roth deferrals.

The Company may make discretionary profit-sharing contributions to eligible participants who have completed 1,000 service hours and who are invested in a portfolio of investments as directed by the Company. During the year ended December 31, 2023, the Company contributed \$586,515 of discretionary profit sharing contributions. There were no contributions made by the Company in 2023 for the discretionary employer match.

Participant Loans

Participants may borrow amounts greater than \$1,000 from their respective vested accounts up to the lesser of either (i) \$50,000 or (ii) 50% of the vested amount of the participant's account balance. Participants are allowed a maximum of one outstanding loan at one time. Loans are secured by the balance in the participant's account and bear interest at the prevailing prime rate plus 1% on the origination date of the loan (rates ranged from 4.25% to 9.50% per annum at December 31, 2023). Loans shall be repaid over a period of up to five years unless the loan is for the purchase of a primary residence for which the loan can be repaid over a period of thirty years. Loans are repaid through payroll deductions.

Vesting

Participants are immediately vested in their contributions and the actual earnings thereon. Participants vest in the Company's discretionary profit-sharing contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Requirement</u>
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five or more years	100%

Kaufman Dolowich, LLP Retirement Plan

Participant Accounts

Individual participant accounts are credited with applicable participant contributions, an allocation of the Company's contributions, and investment earnings or losses, and are charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is equal to the vested portion of the participant's account.

Forfeitures

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of his/her account. Forfeitures attributable to profit sharing contributions are used to reduce employer contributions or pay Plan expenses. There were forfeitures in the amount of \$7,117 during the year ended December 31, 2023. There were forfeitures used in the amount of \$629 during the year ended December 31, 2022. The unallocated forfeiture balance at December 31, 2023 and 2022, amounted to \$28,128 and \$20,382, respectively.

Distributions

Distributions from the Plan are permitted under the following circumstances: (i) attainment of age 59 ½, (ii) termination of employment, (iii) death or permanent disability, (iv) normal retirement age of 65, and (v) a proven hardship. Distributions from a participant's account are made in the form of a lump-sum payment.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements while other expenses may be paid from the assets of the Plan. The expenses that are paid from the Plan's assets will either be shared by all participants or will be charged directly to the account of the participant on whose sole behalf the expense is incurred. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Benefit Payments

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Kaufman Dolowich, LLP Retirement Plan

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure in the financial statements through October 9, 2024, the date the financial statements were available to be issued.

3. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company (the "Trustee"), has certified that the following investment and notes receivable from participants information included in the accompanying financial statements and ERISA required supplemental schedule is complete and accurate.

	December 31, 2023	December 31, 2022
Investments at fair value	\$ 37,363,293	\$ 30,375,406
Notes receivable from participants	240,574	180,367
	<u>\$ 37,603,867</u>	<u>\$ 30,555,773</u>

	Year Ended December 31, 2023
Net appreciation in fair value of investments	\$ 4,116,900
Dividend and interest income	\$ 1,101,822
Interest income on notes receivable from participants	\$ 14,284

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA- required supplemental schedule.

4. Disclosure about Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The hierarchy comprises 3 levels of inputs that may be used to measure fair value. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Quoted prices in active markets for identical assets or liabilities
- Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 - Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value:

- *Mutual funds*: Shares of registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price.

Kaufman Dolowich, LLP Retirement Plan

- Common collective trust fund: The fair value of the common collective trust fund is determined by the custodian of the fund based on the underlying assets, which represent the net asset value, a practical expedient to fair value held by the Plan. The Plan does not have any unfunded commitments relating to its investment in the common collective trust fund, or any significant restrictions on redemptions. Participant directed redemptions can be made on any business day and do not have a redemption notice period.

The following tables present the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022:

As of December 31, 2023, investments at fair value are as follows:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,635,450	\$ -	\$ -	\$ 34,635,450
Common/collective trust: Stable value fund (a)	-	-	-	2,727,843
Total investments at fair value	\$ 34,635,450	\$ -	\$ -	\$ 37,363,293

As of December 31, 2022, investments at fair value are as follows:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,894,370	\$ -	\$ -	\$ 27,894,370
Common/collective trust: Stable value fund (a)	-	-	-	2,481,036
Total investments at fair value	\$ 27,894,370	\$ -	\$ -	\$ 30,375,406

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Party-in-Interest Transactions

Certain Plan investments were shares of funds managed by Capital Bank and Trust Company, the Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for administrative services amounted to \$65,216 for the year ended December 31, 2023, and are included in administrative expenses on the statement of changes in net assets available for benefits.

6. Tax Status

On June 30, 2020, the IRS stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Kaufman Dolowich, LLP Retirement Plan

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for tax years prior to 2020.

7. Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue and to terminate the Plan subject to the provisions of ERISA.
