The Investment Committee
Fortrea 401(k) Plan
Durham, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Fortrea 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the period from May 1, 2023 to December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the period from May 1, 2023 to December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FORTREA 401(K) PLAN

Notes to Financial Statements

December 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Fortrea 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

Plan Description

The Plan is a defined contribution salary deferral plan under Section 401(k) of the Internal Revenue Code (“IRC”). All persons employed by Fortrea, Inc. (the “Company” or “Plan Sponsor”) and its participating affiliates, Fortrea CRU Inc.; Fortrea Clinical Research LP; Fortrea Clinical Research Unit Inc.; Fortrea Patient Access Inc.; and snapIoT, Inc., are eligible to participate in the Plan except those with collective bargaining rights, unless negotiated.

Fidelity Management Trust Company (“Fidelity”) serves as the Plan’s trustee (the “Trustee”), and Fidelity Workplace Services LLC serves as the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Merger

On May 1, 2023, the account balances for certain Plan participants in the Laboratory Corporation of America Holdings 401(k) Plan totaling \$461,277,710 were merged into the Fortrea 401(k) Plan, as a result of the spin-off of Fortrea, Inc. from Laboratory Corporation of America Holdings.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions

Each year, participants may elect to contribute from 1% to 50% of their base pay on a pretax basis up to an amount that will not violate provisions of the Plan or exceed the maximum contribution allowable under the IRC. The Plan also permits Roth contributions and conversion of pretax contributions to Roth contributions. Participants who are age 50 or older are eligible to make catch-up contributions from 1% to 85% of their base pay. Rollover contributions from other qualified plans are allowed.

NOTE 1: DESCRIPTION OF PLAN (continued)

The Plan includes an automatic enrollment provision and an automatic increase provision, whereby newly eligible employees will be automatically enrolled in the Plan at an initial contribution rate of 1% of their eligible compensation. For participants who are automatically enrolled in the Plan, the contribution rate will increase by 1% annually to a maximum of 5%. Participants may affirmatively elect a different percentage or elect not to make contributions.

The Plan also includes a safe harbor matching contribution of 100% of each participant's contribution up to a maximum of 5% of eligible compensation. The Company may also make an additional discretionary nonelective employer contribution. There was no discretionary nonelective employer contribution for the period from May 1, 2023 to December 31, 2023.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, safe harbor matching contributions, and discretionary nonelective employer contributions, plus actual earnings thereon.

Certain participants have matching contributions that were received while participating in other qualified plans. The Plan allows for different vesting schedules for those contributions which have been transferred into the Fortrea 401(k) Plan.

Forfeited Accounts

As of December 31, 2023, forfeited nonvested accounts totaled \$18,536. These accounts represent nonvested matching contributions of participants who have terminated their employment with the Company and will be used to reduce future employer contributions. No forfeitures were used in 2023.

NOTE 1: DESCRIPTION OF PLAN (concluded)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans range from one to five years for general purpose loans. Plan provisions allow for a longer term if the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator based on prevailing interest rates at the time of the loan. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination for any other reason, a participant may elect to receive either installment payments or a lump-sum amount equal to the value of the participant's vested interest in his or her account. Payments under the Plan are also permitted upon attainment of age 59½ or in the event of a hardship.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. The Fidelity Managed Income Portfolio II Fund Class 1 ("MIP II Fund") is valued using net asset value ("NAV") as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Trustee and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from May 1, 2023 to December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily NAV and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

Collective trust funds - Valued based on the underlying unit value as provided by the Trustee. Valuation of the funds' units is published daily and is the basis for current transactions. Unit values are determined by dividing the value of each fund's net assets by the total number of participants' units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2023			
	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$43,515,955	\$ -	\$ -	\$ 43,515,955
Collective trust funds	-	465,920,431	-	465,920,431
Investments measured at fair value	43,515,955	465,920,431	-	509,436,386
Investment measured using NAV as a practical expedient	-	-	-	16,445,281
Total investments at fair value	\$43,515,955	\$465,920,431	\$ -	\$525,881,667

Investment Valued Using NAV as a Practical Expedient

As of December 31, 2023, the fair value of the MIP II Fund, valued using NAV as a practical expedient, totaled \$16,445,281. The fund provides for periodic redemptions ranging from daily to annually. There are no unfunded commitments. Were the Plan to initiate a full redemption of the MIP II Fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements

December 31, 2023

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain funds managed by the Trustee. These transactions qualify as party in interest transactions that are exempt from the prohibited transaction rules under ERISA.

The Plan made direct payments to the Trustee of \$149,255, which were not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6: INCOME TAX STATUS

The Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the FMR, LLC Non-Standardized Pre-Approved Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

NOTE 7: SUBSEQUENT EVENTS

On June 4, 2024, the Company completed the divestiture of assets relating to its Enabling Services segment and the Plan was amended to remove Fortrea Patient Access Inc. as a participating affiliate.

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no other events have occurred that would require adjustment to or disclosure in these financial statements.
