Independent Auditor's Report

To the Plan Administrator
Enovis 401(k) Savings Plan Plus
Wilmington, Delaware

Opinion

We have audited the financial statements of Enovis 401(k) Savings Plan Plus (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ENOVIS 401(k) SAVINGS PLAN PLUS NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the Enovis 401(k) Savings Plan Plus (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan, as amended and restated as of January 1, 2020 (the “2020 Plan Amendment”), is a defined contribution plan covering substantially all employees of Enovis Corporation and participating affiliates (collectively, “Enovis,” the “Company,” or the “Employer”). Non-resident aliens, leased employees, temporary employees who are not 21 years of age and have not completed at least 1,000 hours of service during an eligibility period, and employees not on payroll in the United States of America (the “U.S.”) are not included in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On April 5, 2022, the Plan was Amended to be renamed the Enovis 401(k) Savings Plan Plus. The Plan Sponsor, Enovis Corporation, was previously Colfax Corporation (“Colfax”) until its separation into two differentiated, independent, and publicly traded companies on April 4, 2022 (the “Separation”). Upon completion of the Separation, the Company retained its specialty medical technology business, changed its name to Enovis Corporation, and began trading under the stock symbol “ENOV” on the New York Stock Exchange on April 5, 2022. The plan is administered by Enovis Corporation (the “Plan Administrator”).

Plan Transfer

In preparation for the Separation, effective on January 1, 2022, the ESAB Group, Inc. 401(k) Retirement Savings Plan (the “ESAB Plan”) was created for ESAB employees currently participating in the Plan, with ESAB Corporation designated as the ESAB Plan Sponsor. On December 31, 2021, in order to facilitate and implement the ESAB Plan effective on January 1, 2022, the transfer of all ESAB accounts out of the Plan to the ESAB Plan was completed.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants are automatically enrolled with a 4% deferral contribution upon attainment of the eligibility requirements unless the Company receives signed written documentation from the participant before this date to do otherwise. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for a safe harbor employer match of up to 4% of eligible compensation contributed to the Plan and discretionary employer contribution of eligible compensation for the year ended December 31, 2023, based upon eligibility requirements as detailed in the Plan document. Participants may also contribute amounts representing eligible rollover distributions from other qualified plans. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of the investment earnings and losses. On a quarterly basis, participant accounts are charged with a set fee for administrative expenses that are paid by the Plan. Participant initiated transactions are paid directly through participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2023, the Plan offered 25 mutual funds, 1 common collective trust fund and Enovis common stock as investment options for participants. Following the Company's aforementioned name change, effective April 5, 2022, Colfax common stock began trading as Enovis common stock. Additionally, with the separation of ESAB, a portion of the common stock in the Plan was converted to ESAB common stock. However, ESAB common stock is not an investment option available to be purchased through the Plan.

Vesting

Participants vest immediately in their contributions, safe harbor employer contributions, and discretionary employer contributions; plus actual earnings (losses) thereon. Prior to the 2020 Plan Amendment, vesting in discretionary employer contributions was based on years of continuous service as follows: 20% vested after two years of services, 40% vested after three years, 60% vested after four years, and 100% vested after five years of service. Different vesting schedules may apply to certain employees as described in the Plan document due to prior Plan provisions.

ENOVIS 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$27,047 and \$225,612, respectively. These amounts will be used to pay administrative expenses or to reduce future Employer contributions. During the year ended December 31, 2023, \$200,000 of forfeited nonvested funds were used to reduce Employer contributions.

Payment of Benefits

Benefits are payable upon retirement at age 65, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to the provisions in the Plan document and applicable law. Benefits are payable in lump sum or installment payments.

Notes Receivable from Participants

Active participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. For loans to active participants in the Plan, loan terms range from one to five years or up to 15 years for the purchase of a primary residence. Notes receivable from participants are repaid through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%.

Administrative Expenses

Certain expenses of administering the Plan are paid by the Plan through a flat fee pricing arrangement with the recordkeeper and Trustee, Bank of America, N.A. Under this arrangement, each participant is charged a set quarterly fee to cover certain costs of administering the Plan. Administrative expenses also include member-requested services charged to participant accounts. Investment related expenses are included in Net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. Other professional fees paid by the Plan are discussed further in Note 6, "Related Party and Party-In-Interest Transactions". Certain other administrative expenses associated with maintaining the Plan may be paid by the Company and are excluded from the financial statements.

Voting Rights

Each participant is entitled to exercise voting rights for shares of Enovis and ESAB common stock credited to their account at all times as their respective company's shareholders vote. The participant is notified by the Trustee prior to the time such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee shall vote shares for which it has not received direction in the same proportion as directed shares were voted.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the U.S. ("GAAP").

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. The Plan performs fair value measurements in accordance with FASB Accounting Standards Codification 820, *Fair Value Measurement* ("ASC 820"). The Retirement Plan Advisory Committee determines the Plan's valuation policies, utilizing information provided by the investment advisors and Trustee. See Note 3, "Fair Value Measurements" for further discussion of investment valuation inputs.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

ENOVIS 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

Notes Receivable from Participants

The notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. During the year ended December 31, 2023 there were no deemed distributions from the Plan. Principal and interest are paid through payroll deductions.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the additions and deductions to net assets available for benefits for the periods presented. Actual results may differ from those estimates.

3. Fair Value Measurements

The Plan performs fair value measurements of financial instruments defining fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan reports its investments at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level One) and the lowest priority to unobservable inputs (Level Three). The three levels of the fair value hierarchy are described below:

Level One: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level Two: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level Three: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

A summary of the Plan's assets that are measured at fair value for each fair value hierarchy level for the periods presented is as follows:

	December 31, 2023				
	Measured at Net Asset Value ⁽¹⁾	Level One	Level Two	Level Three	Total

⁽¹⁾ In accordance with ASC 820, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient (the “NAV”) have not been classified in the fair value hierarchy. These investments, consisting of common collective trusts, are valued using the NAV provided by the Trustee. The NAV is based on the underlying investments held by the fund that are traded in an active market, less its liabilities. These investments can be redeemed in the near-term.

The fair value of the investments of the Plan were determined as follows:

Enovis Corporation common stock and ESAB Corporation common stock are valued at the closing price reported on a national securities exchange.

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The investment in the common collective trust fund, Morley Stable Value Fund, can be redeemed immediately at the current NAV. The NAV as reported by the Trustee is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying assets in the trust, less its liabilities. This investment is a direct filing entity. The underlying assets of the common collective trust fund include conventional investment contracts, synthetic investment contracts, wrap contracts and other investments. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2023 or 2022.

Withdrawals for benefit payments and participant directed transfers to noncompeting options are made to plan participants promptly, to the extent possible, but within 30 days after notification has been received. The Morley Stable Value Fund reserves the right to delay plan sponsor initiated redemptions for up to 365 days, subject to certain conditions.

4. Risks and Uncertainties

The Plan provides for investments in various securities that are exposed to risks, such as interest rate, credit and overall volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future Statements of Net Assets Available for Benefits.

ENOVIS 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

5. Tax Status

Effective October 3, 2022, the Plan Sponsor adopted the Pre-Approved Defined Contribution Plan sponsored by Bank of America Merrill Lynch, (the “Pre-Approved Plan”). The Pre-Approved Plan received an opinion letter dated June 30, 2020 in which the Internal Revenue Service (“IRS”) stated that the Pre-Approved Plan was in compliance with the applicable requirements of the Internal Revenue Code (“Code”). In addition, the opinion letter stated that an employer who adopts this Pre-Approved Plan may rely on the opinion letter with respect to the qualification under the Code. Therefore, Plan management believes that the Plan is designed and being operated in compliance with the applicable provisions of the Code.

Effective August 1, 2021, the Plan adopted the Fidelity Pre-Approved Defined Contribution Plan (“Fidelity Pre-Approved Plan”), which the Plan was operated under until October 2, 2022 when the Plan administration changed to Bank of America Merrill Lynch. The IRS ruled on June 30, 2020, that the Fidelity Pre-Approved Plan, including related amendments, as designed, was in compliance with the applicable requirements of the Code. The Plan had been amended since the adoption of the Fidelity Pre-Approved Plan. The Plan Administrator believes the Plan was designed and operated in accordance with the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Related Party and Party-in-Interest Transactions

Plan investments include the Company’s common stock. Enovis Corporation is the administrator of the Plan. Certain fees of administering the Plan are paid to the Trustees by the Plan. For the year ended December 31, 2023, total fees paid to the Trustees were \$271,222. Audit fees for the Plan are paid to the independent registered public accounting firm by the Plan. For the year ended December 31, 2023, total fees paid to an independent registered public accounting firm were \$54,200. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, active participants at the time of the termination will remain fully vested in their accounts.

8. Subsequent Events

The Plan has evaluated subsequent events from the date the Statement of Net Assets Available for Benefits through June 28, 2024, the date the financial statements were available to be issued. During this period, no material subsequent events were identified.
