December 31, 2023 and 2022

Independent Auditors' Report

**To the Plan Administrator and Participants
Celtra 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Celtra 401(k) Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Celtra 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying Financial Statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

155 Federal Street, Suite 200, Boston, MA 02110 | Tel: 781.937.5300 | Fax: 781.937.5100 | pkfod.com

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Celtra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan

The following description of the Celtra 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General

The Plan is a defined contribution plan covering all employees of Celtra Technologies, Inc. and Celtra, Inc. (collectively, the “Employer”) who are at least 21 years of age, except non-resident aliens with no U.S. sourced earned income, interns, part time employees and those employees whose employment is governed by a collective bargaining agreement, (“Participants”). Interns and part-time employees will be eligible to participate in the Plan once they have attained 21 and have completed 1,000 hours of service within a plan year.

As of and for the year ended December 31, 2022 and for the period January 1, 2023 through November 6, 2023, Capital Bank and Trust Company (“CBT”) provided custodian services for the Plan, while recordkeeping and administrative services are provided by Empower Retirement (“Empower”). Effective November 6, 2023, the Plan transferred its assets from CBT to Fidelity Management Trust Company (“FMTC”), (collectively the “Custodians”). FMTC held the Plan assets as of December 31, 2023 and for the period from November 6, 2023 through December 31, 2023 and Fidelity Workplace Services (“FWS” or the “Recordkeeper”), an affiliate of FMTC, provided recordkeeping services and executed investment transactions for the period from November 6, 2023 through December 31, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

Participant Contributions

Participants may defer up to 100% of their eligible compensation, as defined by the Plan, subject to a dollar limitation established by the Internal Revenue Code (“IRC”). Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the plan-year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and individual retirement accounts (“Participant Rollovers”).

Employees hired on or after December 6, 2023 who become eligible to participate in the Plan, will be automatically enrolled to defer 6% of their eligible compensation, as defined. A Participant may choose not to defer or may choose a different percentage once enrolled. Automatic enrollment deferrals with FMTC are invested in the American Funds Target Retirement Date funds based on the employees expected retirement date. The 6% pre-tax deferral election and default investment option remain in effect until changed by the Participant.

Celtra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan (*continued*)

Employer Contributions

Employer Matching Contribution

The Employer, at its discretion, may elect to make a matching contribution as determined by its Board of Directors. To be eligible for the employer matching contribution, Participants must be contributing to the Plan. For the year ended December 31, 2023, the Employer elected to make matching contributions equal to 50% of each participant's elective deferrals up to 6% of the Participant's eligible compensation. For the year ended December 31, 2022, the Employer made contributions of \$223,258.

Employer Non-elective Contribution

The Employer, at its discretion, may make an employer non-elective contribution to the Plan as determined by its Board of Directors. Employer non-elective contributions are allocated based on Participant's compensation. Participants must be employed on the last day of the Plan year and must have completed 1,000 hours of service during the Plan year. Exceptions for participants not employed on the last day of the Plan year are death and total and permanent disability. For the year ended December 31, 2023, the Employer elected not to make a non-elective contribution.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, the respective employer contributions and an allocation of the Plan's investment earnings or losses, and is charged with certain expenses, if applicable. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their respective participant deferral contributions and employer matching contributions, plus actual earnings thereon. A participant becomes fully vested upon death, disability, or retirement while employed by the Employer. Effective November 6, 2023, vesting in employer non-elective contributions is as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than one year	0%
One year	50%
Two years	100%

Celtra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan (*continued*)

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a partial withdrawal or lump-sum distribution in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a cash rollover to an individual retirement account or another qualified plan as defined. If a Participant's vested account is more than \$1,000 but less than \$5,000, the plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the plan administrator, after notification, may distribute the account balance to the Participant.

In-service withdrawals from a Participant's account are permitted due to financial hardship, upon reaching age 59½ or out of a Participant's rollover account. Hardship withdrawals may be taken from the Participant's elective pre-tax and, Roth deferral account, and the vested portion of the employer profit sharing, employer match, qualified matching contribution, or qualified non-elective contribution accounts. In-service withdrawals upon reaching age 59½ may only be made from accounts which the Participant is fully vested. The minimum in-service withdrawal amount is \$1,000. No more than two distributions may be made to a Participant during a Plan year.

Notes Receivable from Participants

Subject to approval by the plan administrator, Participants may borrow from their vested accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to five years (or longer for the purchase of a primary residence). Participants may only have one loan outstanding at a time. Loans are secured by the vested balance in the Participant's account and bear a reasonable interest rate, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced, and a benefit payment is made in accordance with the Plan document. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest. There were no outstanding loans at December 31, 2023 or 2022.

Forfeitures

A Participant who leaves the Employer will forfeit any non-vested balances at the earlier of 1) the last day of the plan year in which the Participant has been separated from the Employer for five years or 2) the day in which the Participant requests a full distribution of their vested account balance. At the Employer's discretion, forfeited balances may be used to first pay administrative expenses, then to reduce the Employer's contributions, allocate to participants, or add to any Employer discretionary contributions. At December 31, 2023 and 2022, unused forfeiture balances amounted to \$5,958 and \$5,673, respectively.

1. Description of the Plan (*continued*)

Revenue Sharing Agreement

The Employer had a revenue sharing agreement with Capital Bank and Trust Company that provided for expense reimbursements to the Plan. Net revenue sharing amounts were applied first to offset Plan fees incurred at Beacon and Capital Bank and Trust Company, which would otherwise be billed to the Employer. If net revenue sharing amounts exceeded Plan fees, the excess is carried over to the next year. At December 31, 2022, there were no unallocated amounts. During 2023, the Employer ended the revenue sharing agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Investments, Investment Valuation and Income Recognition

Mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2. Summary of Significant Accounting Policies *(continued)*

Investments, Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payments of Benefits

Benefits are recorded during the period in which the Participant is paid.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is October 4, 2024.

3. Information Prepared and Certified by the Plan's Custodians (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) including investments in mutual funds held at December 31, 2023 and 2022, net appreciation in fair value of investments and dividend and interest income, for the year ending December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians, qualified institutions.

4. Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

5. Party-In-Interest Transactions

Plan investments include funds that are managed by affiliates of the Custodians during the year. Therefore, these transactions qualify as exempt party-in-interest transactions. During 2023, the Plan paid administrative expenses of \$995 to Beacon Benefits, \$325 to Capital Bank and Trust Company, and \$25 to FMTC.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to Participant accounts, and distributed in such a manner as the Employer may determine.

During 2023 and 2022, the Employer had an involuntary reduction in the workforce, resulting in a partial plan termination, as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the plan sponsor. If a partial plan termination occurs, affected participants become fully vested in all account. All affected participants who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

7. Tax Status

The underlying volume submitted profit sharing plan has received its latest opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the plan is qualified under section 401(a) of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under section 401(k) of the IRC. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the financial statement dates.

U.S. GAAP requires management of the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations prior to 2020.
